TOWN COUNCIL.

The City Fathers met Monday, June 6th, with all present except Mayor Jones. Coun. Ketchum taking the chair, read the Town Treasurer's report for May. This report which was received and referred to the Finance Committee, showed receipts of \$1342.09 and expenditures of \$1240.05.

Coun Allingham reported that the Fred R Fawcett bill for \$15 had been settled at \$10.50. In the matter of suit on horse, Town Clerk Hartley explained that he was waiting for serving of writ.

Upon motion, a deputation from the Board of Health was heard. Mr J T A Dibblee, the first speaker, stated that garbage was fast collecting and that the Health Board wished the Council to designate the place and manner of its disposal. Mr I E Sheasgreen, who followed, reiterated the Health Board's desire. Major John R Thompkins, High Sheriff, next followed and in a most instructive manner told of incineration and its possibilities, showing plans of incineration plants made by the soldiers at Sussex and a plan for a private incineration plant. Upon motion, Coun Watson, McMenus and Allingham were appointed a committee to confer with the Health Board on this matter.

The bills and accounts were then read and referred to the Finance and Audit Committee.

Coun Hagerman, of the water committee, asked permission to take up the 4 inch main near Dickinson's tannery and to lay down a 6 inch one. Granted.

Coun. Watson of the sewer committee moved that the superintendent of sewers be instructed to lay 200 feet of sewer on Prince Albert and Mill streets at a probable cost of \$125. Carried.

Coun. Watson moved that Wm. Woodford be appointed a pound keeper. Carried.

Coun. Hagerman, of the light committee, stated that the Power Co. had erected some new electric light poles on Broadway, had changed the wires over but had left the old poles standing.

Coun. Allingham said that as chairman of the street committee he would request the company to remove the poles.

Coun. Watson moved the Scott Act Inspector be granted the further sum of \$50. Here Coun. Fisher complained that sums had been voted him in the past yet the council had not received a single report from the Inspector.

Coun. Watson thought it poor policy to compel the Inspector in open session to tell how he spent the money. Motion carried.

Town Clerk Hartley asked for instructions as to whether he should pay the Beer License Inspector his usual \$8.34 per month. He was informed that as the Beer Law had been repealed all offices dependent on it were thus swept away.

The Council then discussed as to where the band concerts should be played.

Coun. Watson wanted the band to play in the square and wanted the park to be closed early every evening.

Coun. Hagerman thought that by the band playing on Island Park that place would be turned into a money making scheme. The matter was left open.

Upon motion the council then adjourned.

Emerson Brewer is Struck by Lightning.

Emerson Brewer, a well-known and highly respected rancher residing on Grand avenue, Lincoln Park, was struck by lightning during an electric storm about 3 o'clock yesterday afternoon and instantly killed.

Mr Brewer was a carpenter by trade and was working on the gable of a house he was erecting for Jas Brunetti at the east end of Lincoln Park when the fatal shaft came. The bolt struck him on the top of the head and passed down his spinal column and out at the feet, leaving a well defined imprint of its course through his body. Death was immediate, and probably painless so far as the victim of the stroke was concerned.

Mr Brewer was working about 18 or 20 feet from the ground at the time and in falling struck his head in such a manner as to leave a contusion on the side of his face.

Deceased was 40 years of age and leaves a wife and four children to mourn his tragic and untimely death. Mr Brewer came to Canon City nine or ten years ago from Woodstock and was a most estimable citizen of the community. He was a member of the Methodist church and was a regular attendant upon the services of the congregation. The oldest son is a member of the South Canon high school orchestra and was engaged with his companions in furnishing music for the annual "Class Day" program of that institution at Annex hall when informed of the accident that had befallen his father.

Dr R E Holmes, the family physician, was summoned at the time of the unfortunate occurrence but was unable to do anything as examination showed that death had been instantaneous.

The body was brought to Wilson's undertaking parlors and will remain there until the funeral, which will probably take place tomorrow.

Mr and Mrs Briggs, of Victor, parents of Mrs Brewer, arrived here today and will be present at the obsequies which will be conducted by Rev Phifer, pastor of the First Methodist church.—The Daily Record, Canon City, Colorado.

Mr Brewer was born in Birdton, York Co., but came to Woodstock when about twenty of age and lived here until he moved to Canon City. Beside his wife and family he leaves his mother, Mrs Abraham Brewer, four sisters, Mrs Thomas McLean, and Mrs Geo Lee, of Woodstock, Mrs Oliver and Mrs Alonzo A Jones, of Burts Corner, and three brothers, Abram of Woodstock, and George and William of Birdton.

Patrick Cassidy.

Patrick Cassidy, High Street, who has been ill about a year, died suddenly, Friday morning. While he had been ill some time he was apparently improving and thought he would soon be able to leave the house and attend to his usual duties. He was engaged in shaving himself, Friday morning, when he suddenly dropped dead.

The deceased was born in Richmond, N. B., 54 years ago. For several years after moving to Houlton he was engaged in farming, later selling out and devoting his time to odd jobs. The deceased had many friends who lament his death.

He leaves a wife, seven sons and one daughter to mourn his end. Funeral services were held from St Mary's Catholic church, Monday forenoon.—Aroostook Pioneer.

Mrs John L. Estey.

In Appleton, Wisconsin, May 23 Margaret the beloved wife of John L Estey aged 58 years and 5 months. She leaves to mourn, Her husband, three daughters and two sons. Mrs Arthur Baetz, of Two Rivers Wis. Mrs. Dr J. J. Laird of Black Creek Wis. and Gertrude. The sons George of Appleton and Charles of Sonora California. She was born in Fredericton New Brunswick and moved to Appleton over 20 years ago where she made many friends who made known their love and respect by many floral offerings.

Newcastle, June 3—A phenomenal influx of American tourists to New Brunswick is anticipated. Mr George A Freeze, provincial agent for the Boston and Maine Railway has been on a tour of the North Shore in the interests of his company. Mr Freeze says he looks for a banner tourist season. Particularly from the Eastern and Middle States there would be many visitors the present year. As far as he could gather from the nature of the enquiries, he thought that Northumberland, Kent, Gloucester and Restigouche Counties would have special attractions for fishermen and hunters across the border, while St John and the St John River would receive their share of the influx.
