GOOD BLOOD

GOOD HEALTH.

Just a Little More Rich, Red Blood Cures Most Ailments.

The lack of sufficient red, health giving blood doesn't end merely in a pale complexion. It is much more serious. Bloodless people are the tired, languid, run down folk who never have a bit of enjoyment in life. Food does not nourish, there's indigestion, heart palpitation, headache, backache, sometimes fainting fits and always nervousness. If anaemia or bloodlessness be neglected too long a decline is sure to follow. Just a little more blood cures all these troubles. Just more rich, red blood; then abounding health, vitality and pleasure in life. To get more blood the remedy is Dr. Williams' Pink Pills. No other medicine increases the blood supply so quickly or so surely. The cure actually begins with the first dose though naturally it is not noticeable. This is not a mere claim. Dr. Williams' Pink Pills have been doing this over and over again in Canada for years. This is why thousands of people always have a good word to say about this medicine. The following is the experience of one of the many who praise this medicine. Mrs. J. J. Thibodeau, Bathurst Village, N. B., says: "Some years ago while teaching school I became so run down that I could hardly walk. My breath was short and I had failed in weight and lost color. I had to rest several times on my way to school and during school hours it took more than all my strength to fulfil my duty. My doctor advised me to give up teaching and take a long rest. But at this time a friend persuaded me to try Dr. Williams' Pink Pills and I got six boxes. I hadn't finished the first box when I felt a little better and by the time I had used the six boxes I was fully recovered and enjoying the best of health. At a later date I was troubled with eczema and my faith in Pink Pills led me to try them again, and I was not disappointed, as they cured this trouble also. I can't praise Dr. Williams' Pink Pills too much for they have done me a power of good."

Dr. Williams' Pink Pills are sold by all medicine dealers or will be sent by mail at 50 cents a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

Mixed—A Greenock minister had a Highland elder, who told him one day that all laughter was sinful, and at the same time took his minister to task for playing cricket. A day or two afterwards the minister caught the elder looking through the railing of a bowling green. When challenged the elder replied: "I was not lookin' at the game at all. I was lookin' at a man to see if he was the man I thoct I was lookin' at."
