**Would You Provide
for the Care of
Canada's Needy
Consumptives ?**

THEN SEND YOUR CONTRIBUTIONS TO THE
**MUSKOKA FREE HOSPITAL
FOR CONSUMPTIVES**

MUSKOKA FREE HOSPITAL FOR CONSUMPTIVES,
MAIN BUILDING FOR PATIENTS.

A national institution that accepts
patients from all parts of Canada.
Here is one of hundreds of letters
being received daily:—

John B. McNaughton, New Lis-
keard, Ont.: A young man not be-
longing here, and suffering from,
it is believed, consumption, is
being kept by one of the hotels
here. He has no means and has
been refused admission to our
hospital. The conditions where
he is offer him no chance. Could
he be admitted to your Free Hos-
pital for Consumptives? If not,
could you inform me where he can
be sent, and what steps are neces-
sary to secure prompt admittance?

NOT A SINGLE PATIENT HAS EVER BEEN
REFUSED ADMISSION TO THE MUSKOKA
FREE HOSPITAL BECAUSE OF HIS OR HER
INABILITY TO PAY.

Since the hospital was opened in
April, 1902, one thousand five
hundred and twenty-four patients
have been treated in this one insti-
tution, representing people from
every province in the Dominion.

For the week ending November
20th, 1909, one hundred and twenty-
five patients were in residence.
Ninety-six of these are not paying a
copper for their maintenance—absolutely
free. The other twenty-nine paid
from \$2.00 to \$4.00 a week. No
one pays more than \$4.00.

Suitable cases are admitted
promptly on completion of applica-
tion papers.

• A GRATEFUL PATIENT

Norah P. Canham: Enclosed you
will find receipt for my ticket from
Gravelhurst, hoping that you will
be able to oblige me with the fare.
I was at your Sanatorium ten
months, and I was sent away from
there as an apparent cure. I am
now working in the city, and I am
feeling fine. I was most thankful
for the care I got from the doctors
and staff, and I must say that I
spent the time of my life while I
was there.

TAKING THE CURE IN WINTER AT MUSKOKA
FREE HOSPITAL FOR CONSUMPTIVES.

The Muskoka Free Hospital for
Consumptives is dependent on the
good-will and gifts of the Canadian
public. Money is urgently needed
at the present time to make it
possible to care for the large and
increasing number of patients that
are entering the institution.

Will you help ?
Where greater urgency ?
Truly, Canada's greatest charity.

Deafness Cannot be Cured

by local applications, as they cannot reach
the diseased portion of the ear. There is
only one way to cure deafness, and that is
by constitutional remedies. Deafness is
caused by an inflamed condition of the mu-
cous lining of the Eustachian Tube. When
this tube is inflamed you have a rumbling
sound or imperfect hearing, and when it is
entirely closed, Deafness is the result, and
unless the inflammation can be taken out and
this tube restored to its normal condition,
hearing will be destroyed forever; nine cases
out of ten are caused by Catarrh, which is
nothing but an inflamed condition of the
mucous surfaces.

We will give One Hundred Dollars for any
case of Deafness (caused by catarrh) that
cannot be cured by Hall's Catarrh Cure.
