Rena May Faulkner

It was with the deepest sadness that the people of this place heard on Tuesday Nov 29th, of the death of Rena May, only child of Mr and Mrs James Faulkner of Avondale.

Deceased was born in Windsor Dec 24, 1891 and removed with her parents to Avondale some three years ago.

Having spent her school days here, and being of a kind and loving disposition, always doing so carefully anything that came in her way in the Church and Sunday School, the news of her death cast a gloom over the entire community. The relatives and friends extend to Mr and Mrs Faulkner and the aged Grandparents, their heartfelt sympathy in this sad bereavement.

She is not dead the child of our affection

But gone unto that School Where she no longer needs our poor protection

And Christ himself doth rule.

In that great elixir stillness and seclusion

By guardian angels led

Safe from temptation safe from sins pollution

She lives, whom we call dead.

The remains were brought to Windsor for interment where the funeral sermon was preached by Rev J A Cahill from the text chosen by herself from Amos 4 12 Prepare to meet thy God.

Mrs J Albert Rediker

Mrs James Albert Rediker, whose maiden name was Edith Ellen McLean, died about 6 00 o'clock Sunday evening, December 4, after an illness of heart disease lasting only 15 minutes. Her health had been perfectly good previous to this time, and her death therefore came like a bolt of thunder from a clear sky.

The funeral took place at the home Tuesday afternoon, the officiating clergyman being Rev H. H. Ferguson, pastor of the Free Baptist church, of which Mrs Rediker had for many years been an exemplary member. Beautiful music was furnished. The floral offerings also were beautiful. The pall-bearers were R. F. and J. R. Thurlough, Luther Bryant and H. C. Richardson. Interment was made in Union Cemetery.

Mrs Rediker was born September 10, 1861 in Arthurette, N. B., the daughter of the late Charles McLean and Maria Fisher, and was one of a family of four daughters and three sons. Of this family only two are now living—Mrs James Price, Caribou, and Mrs Annie Wiggins, Fort Fairfield.

October 16, 1880, Miss McLean married James Albert Rediker of Fort Fairfield and has always lived upon the Center road, Fort Fairfield in the home always made bright by her womanly ways, helpful life and all prevailing charity for everybody. Two children were born of this union—Edward Lee Rediker, who with his family lives on the old homestead, and Agnes, now Mrs James H Harris of Lisbon Falls.

Mrs Rediker was one of the kindest, truest and noblest of women. Carping criticism had no place in her nature, which also refused to harbor evil or unkind thoughts of any one. She was thoughtful and considerate, benevolent and charitable, and her death marks the passing of such a woman as no community can afford to lose. The deep sympathy of a large circle of friends goes out to the bereaved husband, children and sisters.—Fort Fairfield Pioneer.

REV ROBERT MURRY DIED THIS MORNING

Halifax, Dec 12.—Rev Robert Murray for fifty years, editor of the Presbyterian Witness, died this morning at his residence aged 79 years. His death removes a man who has for a lifetime been a moving force in the best life of this city and who was known throughout the Maritime Provinces. The celebration in 1905 of the golden anniversary of his appointment to the editorial chair was the occasion of tributes to his ability and usefulness from the Lieutenant Governor, the Presbyterian Synod, the evangelical churches and the press.

Several beautiful hymns from his pen enrich both the Scottish hymnary and the hymnal of the Presbyterian church in Canada.—St John Globe

GONE TO ARMSTRONG B C

Humboldt Sharp, according to letters just received by some of his friends, has left Red Deer, Alberta, to take a position on a good salary as manager of large orchards at Armstrong B. C. and will also start a nursery business of his own. He will introduce three of our native apples the Sharps New Brunswick, Crimson Beauty and Wiley. It is said he met with great success in raising vegetables at Red Deer, but the climate proved unsuitable for fruit trees, and in his new location, in the midst of a great apple country he will no doubt make the Sharp name as well known there as here in his native province.

CONGREGATIONAL MEETING.

A meeting of the congregation of St Paul's was held in the church on Friday evening to consider the resignation of Rev George D Ireland as pastor of the church. The customary notice had been read from the pulpit the previous Sunday morning; and announcement of the meeting made at the evening service, as is usual in the Presbyterian church. Mr Sutton, chairman of the meeting, stated that the meeting had been called in consequence of the fact that Rev Mr Ireland, who has been minister of this congregation for about thirteen years had tendered his resignation to the Presbytery, a meeting of which is to be held in St John on the 13th inst.

Members of the Board of Management stated that at a meeting of the Board a few weeks previously they had passed a resolution asking Mr Ireland to reconsider his resignation; but that they could not persuade him to do so.

Several members of the congregation spoke of their appreciation of Mr Ireland's services during his pastorate here; of his increasing strength and popularity as a minister; of their regret at his intention of severing his connection with this congregation; and hope that he might find a wider field in which to develop his usefulness.

The following resolutions were unanimously adopted by those present at the meeting:

Resolved; That this congregation learns with deep regret that Rev George D Ireland has tendered his resignation to the St John Presbytery; and therefore his connection with this congregation is soon to be severed.

Also Resolved: That we desire to record our high appreciation of Rev Mr Ireland's ministry among us during the past thirteen years; and we sincerely hope that he may find a wider and better field of labor.

And further Resolved: That we heartily endorse the resolution of our Board of Management in requesting Rev Mr Ireland to reconsider his resignation; and regret that he could not feel it to be his duty to comply with that request.

Mr W S Sutton was appointed to represent the congregation at the meeting of the Presbytery in St John on the 13th instant.
