NICHOLSON-CLYNICK

The Missoulian, of Missoula, Montana under date of Nov 17th, has a lengthy account of the marriage the previous evening, in the church of the Holy Spirit, of Elizabeth Lee Clynick and Martin Nicholson of Idaho. Miss Clynick is a native of this town, daughter of Geo Clynick, now of Bonner, Montana, and Mrs Clynick who is a sister of George Lee of Woodstock.

A reception was held after the ceremony. Mr and Mrs Nicholson received their guests under a beautiful wedding bell of white chrysanthemums and sunflowers, and were the recipients of all hearty good wishes and congratulations. The bride wore a beautiful gown of white messaline satin, with garnitures of pearl trimming and silver cord. Over all was a filmy yoke of net, spangled with tiny crystals; the long, graceful train was bordered with swansdown, which also edged the elbow sleeves; the bridal veil which fell to the hem of the gown was caught to her dark hair with flowers and was gracefully draped; an exquisite shower bouquet was carried.

Germes in

Her System

Every Woman Should Read this Advice and the Generous Offer that Goes with it.

The number of diseases peculiar to women is such that we believe this space would hardly contain a mere mention of their names, and it is a fact that most of these diseases are of a catarrhal nature. A woman cannot be well if there is a trace of catarrh in her system.

Some women think there is no help for them. We positively declare this to be a mistaken idea. We are so sure of this that we offer to supply medicine absolutely free of all cost in every instance where it fails to give satisfaction, or does not substantiate our claims. With this understanding, no woman should hesitate to believe our honesty of purpose, or hesitate to put our claims to a test.

There is only one way to overcome catarrh. That way is through the blood. You may use all the snuffs, douches or like remedies for years without getting more than temporary relief at best. Catarrh in general is a diseased condition of the system that shows locally most frequently in discharges from mucous membranes. Local treatment should be assisted by internal treatment for the general diseased condition if a complete cure is to be reached. That internal treatment should be scientifically devised and faithfully administered.

Rexall Mucu-Tone is scientifically prepared from the prescription of an eminent physician who for thirty years made catarrh his specialty. This remedy is admirably adapted to the treatment of the catarrhal ailments of women. It purifies and enriches the blood, tends to stop mucous discharges, aids in removing impurities from the system, soothes and strengthens the mucous tissues, and brings about a feeling of health and strength.

We want you to try Rexall Mucu-Tone on our guarantee. If you are not benefited, or for any reason not satisfied, simply tell us and we will hand back your money. Rexall Mucu-Tone comes in two sizes, 50 cents and \$1.00. Remember, you can obtain Rexall Remedies only at—The Rexall Store. E W Main., Cor Main and King Sts.

DECEMBER HORTICULTURE

The Ontario Horticultural Exhibition and the New Brunswick Apple Show. The important subjects discussed at the recent convention of the Ontario Fruit Growers' Association are reviewed in this number. "Cover Crops in the Orchard," is dealt with in an interesting and practical article by Prof Blair of MacDonald College, Que. The bright prospects ahead of the apple growing industry in Canada is dealt with in an article by G H Vroom of Middleton, N.S. Other articles of practical interest to apple growers and fruit men generally appear in this number.

"Rose Growing a Delightful Occupation," is the subject of an article that will prove of intense interest to every lover of flowers. The writer is an enthusiastic horticulturist who has several hundred different varieties of roses in his garden in Toronto. The article gives cultural directions and a list of recommended varieties.

"Insects that Attack Vegetables," is an article that will interest every person who owns a vegetable garden. The issue throughout is well illustrated. The front cover illustration shows a general view in the main building of the Canadian National Apple Show at Vancouver, B.C.
