He said, he was fully confident that we now have one of the very best schools in the province. After giving us a few facts from the lesson, he, with very fitting words, on behalf of the school, presented Rev Mr Fiske, who has been our faithful superintendent and Bible class teachers for the past year, with a purse containing \$30.00. Mr Fiske although much surprised, replied very fittingly and thanked the school for their kind remembrance on this occasion. He spoke of his labors among us, as a pleasure, and all were glad to learn that he will yet remain with us if circumstances will permit.

NERVOUS SYSTEMS

Always Follows a Run Down Condition of the Blood.

It is an old story now that nervous people tell of how the blood becomes poor and thin, and then the nervous symptoms followed. How many really know that the thin blood was responsible for the nervous disorders? The nerves get all their nourishment from the blood, and as thin blood is deficient in nerve-building material, the nerves become starved and pain and nervous breakdown is the result. Dr. Williams' Pink Pills are a tonic for the blood that supply it with the necessary elements to nourish and tone up the nerves and the cause being removed, nature does the rest and health is fully restored. Mrs. Harry Peterson, Dauphin, Man., tells how she was cured of nervousness and general debility through the use of Dr. Williams' Pink Pills. She says: "A few years ago I was all run down and my nervous system apparently all broken up. I was weak tired and nervous all the time. When I got up in the morning I seemed to be more tired than when I went to bed. I could not walk up an ordinary flight of stairs without sitting down panting for breath, and my nerves trembled like a leaf. I got so that it was almost impossible to do any housework, and so nervous that I wanted to cry about everything I did. I took several different medicines without the least benefit; then I read of Dr. Williams' Pink Pills and decided to try them. After taking two boxes I felt a little better and I got a further supply which I continued taking for about a month when I was as well as ever; could do all my housework without difficulty, and could walk for a long distance without being all tired out. In view of the wonders Dr. Williams' Pink Pills have done for me I sincerely recommend them to all weak, nervous, run-down people."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
