THE Woodstock Electric Laundry has this week replaced their old collar shaper with a brand new up to date one and have also put in a new body ironer for shirts. With this new shaper it will be impossible to break collars unless they are worn through. The new management of the laundry have spent the past six months in order to get an up to date plant, and they would like the people of the town, among whom their money is spent, to give them a fair trial before going to the Chinamen.

Illness has the Advantage

If any of the drugs in your Prescription fall short in purity or in the power to combat disease. In filling Prescriptions two things are absolutely demanded. First, that the remedies used shall be of standard strength; Second, that they shall be accurately compounded. That is the kind of prescription filling we do, and the price is always fair.
