MacDonald-Baird

Andover, Oct 26—Trinity church, at high noon today, was the scene of a brilliant wedding, when Miss Ida Lona Baird, only daughter of Senator and Mrs George T Baird, was united to marriage to Mr Malcolm A Baird MacDonald, an attorney of Cranbrook, B. C. The ceremony was performed by the Rev J R Hopkins, pastor of the church. Guests were present from all parts of Eastern Canada and from Maine. The decorations were rare. Potted plants were plentiful, alternating with ferns and smilax, while white and yellow chrysanthemums decorated the altar. A special programme of music added to the brilliancy of the occasion, the solos of Mrs Geo Mitchell, of Cobalt, Ont, holding the large congregation entranced. The bridesmaids were Miss Edith K Edgecombe, of Fredericton, and Miss Katie I Baird, of Toronto. Mrs J D P. Hard Lewin, of St John, was matron of honor, while Miss Muriel Baird, of Perth, was page. Wm Hoyt, organist of the church, played the wedding march. The ushers were Messrs G Fred Baird, a brother of the bride; Guy Porter Harry Hopkins, of Andover, and Fred Sadler, of Mpleview.

The bride was the recipient of a large number of beautiful presents. The groom's gift to the bride was a diamond necklace and other presents to the bride was a handsome piano, and a check for a large figure from her parents.

The groom's presents to the bridesmaids were combination card cases and purses with heavy silver mountings, while to the best man, he gave a pair of silver mounted military brushes. The bride's present to the groom was a beautiful diamond scarf pin.

After the wedding ceremony, a reception and luncheon was held at Senator Baird's home, after which the couple started on a tour west. Miss Baird is held in high esteem in Andover. Mr MacDonald is a son of Malcolm MacDonald, of Lochalsh. He is a graduate of Toronto University and is now practicing law in Cranbrook.

Death of Mary Townsend

Saskatoon Oct 19—The funeral service of little Mary Florence Townshend was conducted by Rev E B Smith yesterday at two o'clock at the home of her parents Mr and Mrs John Townsend, Cahill block, Avenue A. The occasion was a particularly sad one. The house was crowded with those by whom Mary or Queenie as they called her had been beloved for her sweet sunny ways. Even in death her loveliness was unmarred and the little figure seemed but soundly sleeping. She was scarcely five years old. Tubercular meningitis was the cause of death and the ten days illness which preceded it. Her birthplace was Woodstock N B but her parents had come to Saskatoon when Mary was but a baby of four months.

Thousands of pretty blossoms smothered the little white casket. They filled the carriage in which they were taken to be strewn upon the grave. The staff of the land titles of whom Mr Townsend is a member had sent a large wreath of white carnation and roses and maidenhair fern. Members of the Rebekah lodge showed their sympathy by sending a sheaf of white carnations and the Oddfellows a sheaf of white chrysanthemum and carnation. The youth men inmates of her home paid their tribute by a large wreath of white carnations and chrysanthemums and the young ladies a wreath of roses and a sheaf of the same sweet flowers. Other tokens of sympathy came in the shape of a pillows of flowers an anchor a cross and very many wreaths and sheaves. The funeral was an uncommonly large one for a child. Interment took place in the city cemetery.—The Daily Phoenix.

THE RACKING PAINS OF RHEUMATISM

Can Only Be Cured Through the Blood
Try Dr Williams' Pink Pills Which Act Directly On the Blood.

Rheumatism will rack you just as long as there is acid in the blood to cause rheumatism. That's the whole trouble—acid in the blood. Cold, damp weather may start the pains going but it is not the cause. That is rooted in the blood and can only be cured through the blood. Years ago when medical science did not know as much about the complaint as today, rheumatic sufferers were given something to rub on the swollen tender joints. Some people who do not know any better still adhere to the old fashioned way, but it does not cure their rheumatism—and never will.

When the acid is driven from the blood the rheumatism is gone—it's cured. The thing is to get the right medicine to drive the acid out. Dr Williams' Pink Pills have cured more cases of rheumatism than any other disease except anaemia. They do this because they enrich the blood supply, thus toning up the system to a point where the rheumatic acid is expelled through the natural channels and the trouble disappears. They were intended to do this and they do it thoroughly. Mr Henry O'Donoghue, Viscount, Sask., says: "About four years ago I came here from Scotland for the purpose of taking up land. Even at so recent a date as this the country was quite different from what it is today. Then the nearest shack to me was ten miles distance, and the nearest town much further away. In those days homesteading was not all sunshine, and in the spring of 1907 I contracted a severe cold. I had never been sick in my life before, and paid no attention to the cold, and almost before I realized it I was down with an attack of pleurisy and as the pains of this trouble began to leave me those of rheumatism set in, and my sufferings were something terrible. Help was sent for, but it did me no good, nor did the medicine given me have any effect, and for five months I was confined to the house. Then one day I had an unexpected visit from my brother who came from Australia, and whom I had not seen for nine years. When he saw my condition he at once urged me to get Dr Williams' Pink Pills as he knew of a number of cases in which they had made marvellous cures in Australia. The result was he went to town and purchased six boxes, and before I had used the last box I was out working with my oxen and am now as healthy as any man in the province. For this I must thank the Pills and my brother's advice, and I strongly recommend the Pills to other rheumatic sufferers."

Sold by all medicine dealers or by mail at 50 cent a box or six boxes for \$2.50 from The Dr Williams' Medicine Co., Brockville, Ont.

Miss Pauline Balloch, of Centreville, is the guest of Mr and Mrs R N Loane.

The residence of Mr and Mrs W H Everett was on Wednesday evening the scene of a pretty wedding, when at 8 o'clock was solemnized the marriage of their youngest daughter, Miss Elsie B Everett to Lieutenant C Guy McLauchlan, of the firm of John McLauchlan Co, Ltd, and son of Mr and Mrs John McLauchlan.

Rev H Goring Alder, rector of St Luke's church, was the officiating clergyman. The wedding was a quiet one, only the relatives being present at the nuptials. The only ornament worn by the bride was a necklace of amethysts. She looked beautiful in a blue serge gown trimmed with black moire and hat to match with Persian trimmings. She carried a bouquet of white chrysanthemums and maiden hair ferns.

Miss Marguerite McLauchlan, the little sister of the groom was flower girl. She looked very pretty, dressed in pale rose silk, and carried a beautiful bouquet. The residence of the bride's parents was beautifully decked with ferns. After the ceremony, luncheon was served, which was presided over by Miss Bessie McLauchlan and Elith Everett, after which the happy couple drove to their new home in Church street.

The bride received beautiful and useful gifts, including checks, gold, silver, cutglass, furniture and linen indicated the esteem of a host of relatives and friends who extend our congratulations and best wishes.
