Florence Nightingale Passed Away Yesterday, Aged Ninety.

London, Aug 14th—Florence Nightingale, the famous nurse of the Crimean war, and the only woman who ever received the Order of Merit, died yesterday at her London home. Although she had been an invalid for a long time, rarely leaving her room, where she passed the time in a half-recumbent position, and was under the constant care of a physician, her death was somewhat unexpected. A week ago she was quite ill, but she improved and on Friday was cheerful. During that night alarming symptoms developed, and she gradually sank until two o'clock Saturday, when an attack of heart failure brought the end.

Her funeral will be as quiet as possible, in accordance with her wishes. During recent years, owing to her feebleness and advanced age, Miss Nightingale has received but few visitors. On May 12 last she celebrated her ninety-first birthday and was the recipient of a congratulatory message from King George. Florence Nightingale was born, May 12, 1820. She was the first woman to follow a modern army into battle as a nurse, and in the Crimean war she gained the title of "The Angel of the Crimea." She studied nursing under the Protestant sisters of mercy at Kaiserswerth, Germany, and returned to England when the Crimean war broke out. She organized a corps of volunteer nurses, and was especially celebrated for her noble services at Scutari.

At the close of the war she was enabled by a testimonial fund amounting to \$250,000 to found an institution for the training of nurses, the Nightingale Home at St. Thomas Hospital. She was also the means of calling attention to the unsanitary conditions in camp hospitals. In 1908 she received the freedom of the city of London King Edward bestowed upon her the Order of Merit, the most exclusive distinction within the gift of the British sovereignty. The membership of the order is limited to 24, and it includes such men as Lord Roberts, Lord Wolseley, Field Marshal Kitchener, James Bryce, Prince Yamagata and Admiral Togo.

Kilburn

Rev J A Ives preached here last night. Rev J C Hobson preached in the United Baptist church yesterday morning.

The annual Sunday school picnic is to be held the latter part of the week. It is expected that the Methodist and United Baptist schools will unite and picnic together.

Sudden Death at Sheffield

The death occurred at Sheffield, Sanbury Co, this morning of Miss May Barker, second daughter of Mr and Mrs Percy Barker, of that parish, after a short illness. Deceased who was in her eleventh year, had had typhoid fever a couple of years ago and which left traces of kidney trouble, but she had last week appeared in very good health, having on Thursday taken supper at the house of a neighbor. On Friday evening painful symptoms of the late trouble developed and from that time on she grew rapidly worse, violent convulsions occurring frequently on Saturday. Yesterday morning in the presence of her family and friends death relieved her sufferings. The funeral took place on Tuesday at 10.30 a. m.—Fredericton Gleaner.

Maxwell-Sherwood

A quiet wedding took place at 2 30 o'clock on Saturday, in the Broadway Baptist church, when Miss Mabelle Clee Sherwood of Woodstock was married to Mr Wallace Kingston Maxwell, of Winnipeg, formerly of St. Stephen, N. B. The bride was given away by her brother, Mr. C. E. Sherwood of Woodstock. The ceremony was performed by the Rev. J. A. Ford in the presence of a number of guests mostly former residents of the maritime provinces. The bride wore a travelling suit of blue French serge with moire trimmings, over a champagne blouse of Russian net, and a large black hat with touches of gold. After the ceremony the wedding party proceeded to the Angelus where luncheon was served after which Mr. and Mrs Maxwell left for the Lake of the Woods. On their return they will live in Winnipeg.—Manitoba Free Press.

Mrs Samuel Kirk is visiting her mother, Mrs Blackmoor.

Dr Lee Jamieson and family, of Philadelphia, are expected next week to see his mother who is not very well.

Lack Of Pure Blood

The Cause of Most Illness—The Cure, Enrich the Blood Supply.

Any illness caused by lack of blood will be benefited and cured by a course of treatment with Dr. Williams' Pink Pills. These Pills increase the red matter in the blood and enable it to carry to every organ and tissue an increased supply of oxygen, the great supporter of all organic life. This has been proved by cures in thousands of cases not only in Canada but in all parts of the world. More people to-day owe health and happiness to Dr. Williams' Pink Pills than to any other medicine. One of these is Mr. James Starr, of Galahad, Alta., who says "A few years ago I became ill and very weak. Some days I would have a hot dry fever and on others would be bathed in a cold sweat. I grew weaker and weaker until I could do no kind of work and was finally confined to my bed. I tried several doctors, who cost me considerable money, but did me no good, as I was still getting weaker and weaker. I asked the last doctor who attended me to tell me frankly if he could cure me, and he told me my case was so complicated that he did not think he could help me. I told him I had heard a great deal about Dr. Williams' Pink Pills and asked if he thought they would help me. His reply was: "Well, they won't do you any harm and they may help you." I sent for a half dozen boxes at once and began taking them. After taking three boxes there was no doubt they were helping me and I continued using them for some time longer. With the result that I am now as strong and hearty and can do as good a day's work as any man in my neighborhood." These Pills are sold by all medicine dealers or may be had by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co, Brockville, Ont.
