A few years ago flying machines were hardly thought of, nor was **Scott's Emulsion** in summer. Now Scott's Emulsion is as much a summer as a winter remedy. Science did it. All Druggists.

### Centreville

Inspector Day of the Nova Scotia Fire Insurance Co. was here last week and adjusted the claim of Walter Pryor who had his barn damaged a few days ago by lightning. Mr Pryor is loud in his praise of the Nova Scotia fire company for the very prompt manner in which they came to his relief in the time of misfortune.

Surveying on the St John Valley R.R. is still going on. Some of the party having moved from Centreville others were continuing the work here. It is said a very satisfactory route has been located.

The family of the Rev Mr Walden arrived here last week now located in the parsonage which has been thoroughly renovated.

Miss Jesse Graves started for Manitoba last week. She with a number of ladies have had very enticing offers to go West and engage in their profession there. Miss McLeod who had charge of the Centreville school last term has been engaged to take a school in Vancouver. Mr James O Steeves who taught the Centreville school very successfully for some time and who has been taking a college course for the past year or two has also had a call to the West.

Those who are opposed to the swear habit have been counselling the farmers of Centreville to swear more than they can help.

The oldest inhabitant has no recollection of a season like the present or if there ever was one it has been forgotten, but this one is likely to leave something as a reminder unless a change comes soon.

Let us all get to work on our homes for more beauty and cleanliness. Let us all buy Rensay's paints and we shall have the prettiest town and countryside in Canada. Let us ask Estabrook & Shegwood to show us these colors.

### Grand Art Gallery at St John Fair.

Vigorous Committee Co-operating with Art Clubs All Over.

On a few isolated occasions the people of St John and New Brunswick generally have been favored with quite extensive displays of art works, and numerous valuable canvases have been brought to these parts. During the ten days of Dominion Exhibition—September 5th to 15th—the St John Art Club, supported by the Exhibition Executive, will hold an Art Loan Show of unusual excellence. This gallery, to be situated in a large portion of the new building adjoining the main structure and before the final arrangements were made a guarantee of ones fifty magnificent paintings was secured from the Art Union of London, as well as numerous fine canvases in the large Dominion section that over one hundred rare works would be forthcoming in addition. The Maritime Provinces will contribute many more pictures, plastic art works, bronzes, rare art fabric, etc., as well as exclusive collection of ceramics. A generous money allotment has been made to fit up the art gallery under the direction of an expert gallery superintendent, and those who enjoy graphic and applied art works will be assured of some rare delight at the St John Fair. Among those who will lend some of their choicest treasures will be Sir William Van Horne, of Montreal.

### BRASSEY AND HIS SUNBEAM.

Lord Brassey is coming to Canada on his yacht Sunbeam and will probably go as far up the lakes as Port Arthur.

Lord Brassey and his yacht are of international interest. The yacht has been in commission for 34 years and during that time has traveled over 300,000 miles. The Sunbeam is a three-masted vessel, half schooner and half barge with auxiliary steam.

Lord Brassey, who is 74, holds a master's certificate and will navigate the vessel himself.

### Your Grocer Knows

EVERY good grocer is willing and anxious to please his customers. Sometimes if he happens to be out of the goods you ask for, he may recommend a different brand rather than keep you waiting. But when it comes to flour, he knows that Ogilvie's

### Royal Household Flour

is one of the things for which there is no substitute. No other flour is "just as good." Ogilvie's "Royal Household" is in a class distinctly by itself. To offer a substitute for "Royal Household" would be like offering oleomargarine to a customer who wanted prime dairy butter. No good grocer would do it. When you tell him you want Ogilvie's Royal Household Flour, he will send that and nothing else.

"Ogilvie's Book for a Cook," with 125 pages of recipes that have been tried and tested, will be sent free if you will send us your address and mention the name of your dealer.

### Shooting for Donville Cup.

SUSSEX, N. B., Aug. 9.—The Provincial Rifle Association met opened this morning with a large attendance of shots. Weather conditions were only fairly good. There was a light breeze and it was somewhat hazy but some of the men were right on the bull. In the Donville match this year a new rubric is that the cup becomes the permanent property of the person capturing it, who was the winner in any previous year, and it is likely with so many good shots eligible, the trophy will go. At 600 yards, Gladwin who has two wins to his credit, had the best score of the morning up to the time of this despatch. He got six bulls and an inner, giving him 34.

In the extra series, the scores of which were not posted, Sergt Archibald, 3rd R. C. E., was leading, with a possible 25.

The Nursery match was completed, and the scores posted were as follows:

### New Teachers

FOR MOUNT ALLISON ACADEMY AND COMMERCIAL COLLEGE

Sackville, N.B., August 4.—The position on the staff of Mount Allison Commercial College, made vacant by the resignation of Mr Wade, has been filled by the appointment of Mr Emmons L Burrill, of Brantford, Ont. Mr Burrill, is a graduate of the Dominion Business College, Toronto, and a sc of the commercial college connected with Albert College of Belleville, Ont, where for two years he studied under Prof Beech and passed the examinations set by the Educational Department of Ontario for commercial specialists. Besides his business college training Mr Burrill has had two years of practical work in connection with a large whole sale establishment and one year in the retail business. He comes very highly recommended also as a young man much interested in Sunday School and church work.

The gymnasium teacher next year will be Louis A Buckley who will attend the university, pursuing a course in theology. Mr Buckley has had much experience in gymnasium work having been engaged as physical instructor in gymnasiums in Halifax and Calgary.

Albert Happel, B.A. has been appointed to the position last year occupied by Mr Denham. Mr Happel is an honor graduate of Harvard University, where he took a very brilliant course. The professors of that great university speak in the highest terms of his ability, scholarship and character.

### Was Warranted

As a Presbyterian elder was shaving just before going to church he made a slight cut with the razor on the tip of his nose. Calling his wife he asked her if she had any court-plaster. "You will find some in my sewing-basket," she said. The elder soon had the cut covered. At church, in assisting with the collection, he noticed that every one smiled as he passed the plate. Very much annoyed he asked one of his assistants if there was anything wrong with his appearance. "I should say there was," answered the assistant. "What is that upon your nose." Court-plaster. "No," said his friend; "it is the label from a reel of cotton. It says, Warranted 200 yards!"

### READY REPLY

Quite recently a warship of the Atlantic squadron found it necessary to call for a few hours at a military port on the coast of Ireland. Tommy Atkins, meeting a full-bearded Irish tar in the street a couple of hours later, said; "Pat, when are you going to place your whiskers on the reserve list." "When you place your tongue on the civil list," was the Irish sailor's reply.

### Always The way

A new-made widow called at the office of an insurance company for the money due on her husband's policy. The manager said: "I am truly sorry, madam, to hear of your loss." "That's always the way with you men," she said. "You are always sorry when a poor woman gets a chance to make a little money."
