George S. Biggar.

Died, at Biggar Ridge, Aug 29, 1910, of paralysis of the heart, George S Biggar, second son of Harvey N and Minnie Biggar, aged fifteen years. He was buried at Biggar Ridge; funeral sermon was preached by Rev G A Giberson and was conducted by Arthur MacIntosh. The service was very largely attended showing the kind respect in which he was known. The pall bearers were boys about his own age: James Aird, Austin DeWitt, Colby DeWitt, Arnum Daw, James Barter, Claude Brooks. Flowers, very handsome, were furnished by friends in Glassville, Foreston and Biggar Ridge.

LEVERETT GAYLON KIMBALL.

Leverett Gaylon, four months old son of Mrs Lizzie Kimball, died this Wednesday morning of cholera, after a short illness. The funeral will be held Thursday morning at the home, Rev M S Trafton officiating. Mrs Kimball and family have the sympathy of the community in their bereavement, which adds to their recent great load of sorrow.—Fort Fairfield Review.

McLellan-Bryden

A very happy event took place at the residence of Mr and Mrs David Bryden Woodstock N. B. on Wednesday September 14th when their third daughter Laura, was united in marriage to Guy J. McLellan of Richmond Corner. The ceremony was performed by Rev. H. C. Archer in the presence of the relatives of the contracting parties. The bride was becomingly dressed in white silk. Miss Clara Scott played Mendelssohn's Wedding march, as the couple entered the room and took their place under an arch of green with bridal bell. After the ceremony all were invited to sit down to a table well filled with good things, and it is needless to say that all were well filled before they left the table. The presents were many, showing the esteem in which the parties are held by their friends. They will reside at Richmond Corner, where the groom is a prosperous farmer.

Cannon Smithers of Fredericton, was the guest of Rev. H. G. and Mrs. Alder on Saturday.

Everybody will judge you by the appearance of your house. Why not invite universal commendation by the use of those exquisite Ransley's Paints shown at the store of Estabrook & Sherwood, Centreville.

The Split Log Drag in Road Making

By Prof Dolve, Dakota Agricultural College.

One of the best implements yet devised for repairing roads is the King split log drag or some modification of it which may be made either of wood or steel. (An illustration of a split log drag appeared in 'Canadian Farm' of July 22nd). The roads should be dragged with this implement as soon after a rain as possible; when the drag squeezes the water out of the soil leaving a smooth layer of puddled soil on the road surface which bakes hard when dry and "sheds water like a duck." The effect of the drag is accumulative in a way very much similar to the application of paint on a building—for, the thinner the coats and the greater the number the more lasting is the paint. Every time the drag is used a new layer of puddled soil is smeared on top of the previous one until after several years of the accumulative effect of dragging, a road crust, consisting of a large number of thin layers of puddled soil is formed that will support the heaviest traffic without breaking up. The drag not only keeps the road smooth and well crowned, but also keeps the ditches clean so that, if outlets are provided for them as there should be, water will run away from the roads and the grade thus remains firm.

There is a total of about seventy-two miles of road in a township, but usually less than thirty-five are travelled to any extent. In many townships one man and two horses could maintain the roads perfectly throughout the summer months with a road drag. In others, two men and four horses would be required to do the work when it should be done. This system of maintenance would not be at all prohibitive and it would be found that in old townships where the roads are already graded there would be little use for the road grader. About the only repair that would have to be attended to outside of this system would be the building of bridges and culverts and this could, in time, be almost eliminated if reinforced concrete were used in their construction wherever possible.—Canadian Farm.

Education of Chinese

Chicago Sept. 14.—Fifty-three Chinese students who are to be educated in this country at the expense of United States Government will arrive in Chicago to-day. They will be taken in hand by officials of the YMCA and members of the faculty of the University of Chicago, who will be their hosts.

The coming of these young Chinese is a result of the settlement of the Boxer indemnity fund. When the big fund was returned to the Chinese Empire officials asked the privilege of using it to educate young men in America. This request was granted by the United States Government as a result of which arrangement it is estimated that four hundred students will be sent to the United States yearly for the next thirty years. Eight of the students will be enrolled at the University of Illinois and ten will go to the University of Wisconsin. A party of twelve will attend the University of Michigan. The remainder of the party will be apportioned among the eastern universities by the Chinese Minister in Washington.

GOOD HEALTH FOR BABY AT VERY LITTLE COST

Baby's Own Tablets only cost 25 cents a box. A box bought now may save baby's life. Summer complaints come suddenly, and carry away thousands of little ones every year. If the stomach and bowels are kept in order there is little danger from these troubles. Baby's Own Tablets is the best medicine in the world for preventing and curing stomach and bowel troubles. They can be given with perfect safety to the new-born baby or the well grown child. An occasional dose of the Tablets will regulate the stomach and bowels and prevent summer complaints. The mother who keeps these Tablets on hand may feel assured her little ones are safe. If you have not got a box of the Tablets get one without delay. Do not wait until trouble comes, it may then be too late. Sold by medicine dealers or by mail at 25 cents a box from The Dr Williams' Medicine Co, Brockville, Ont.

New Brunswick Picnic.

The Annual New Brunswick Picnic of Vancouver, took place on Labor Day, Sept 5, at "Ed Nicholson's Ranch" near Cedar Cove. About 10 a m the crowds began to gather from all parts of the city and by noon one hundred and fifty people sat down to a sumptuous repast, provided by the N B ladies—such a spread as only our "home folks" know how to get up. The afternoon was spent in such athletic sports as, base ball, foot racing, boxing, jumping, swinging and games. There was a great reunion of old time friends. Mr H Tompkins was the "Pioneer," having been in the West twenty years. The party would have been complete had "El's" smiling face been among us. "The Hollow" resounded with the cries of children mingled with those of the "Cheechapo's" and "Sourdoughs," when the ladies were distributing the prizes. In the foot races Mr Aubrey Flanagan secured the single men's prize, an elaborate leather tie rack. Miss Hattie Flanagan won the girls prize, a unique silver hat pin. Mrs R McLean proved to be the champion lady racer of the day, winning two prizes, a picture frame, in the married ladies' race, and a brooch in the free for all. Mr R Straight also won two prizes, the married men's and the free for all. The little girls and boys also received nice prizes for running. One of the best features of the day was a scientific boxing contest between Lee Nicholson and Chas Wilson. The result was a tie. The base ball score was 5 to 4 in favor of the Fairview boys. At 6 p m the whole company sat down to supper. After refreshing the "inner man" everybody joined in singing "Auld Lang Syne" and "God Save the King." Three cheers were given for the boys who got up the affair, Messrs Wm McKay, Lee Nicholson and Chas Wilson; then the people drove to their respective homes, after voting the Picnic a huge success. Many thanks are due Mr and Mrs F Holmes, our host and hostess.

Death of Mrs George F. Squires

Annie Z. Fowler, relict of George F Squires, departed from this life Thursday Sept 15th, 1910, at the home of her sister, Mrs James Baxter, Land's End, after a month's illness from bronchitis and endocarditis.

The deceased was the eldest daughter of the late James Rulof Fowler, and was born at Upham, Kings Co, Feb 2nd, 1836. She was married in June 1879 to George F Squires, Wicklow, Car Co, and for nearly thirty years they enjoyed together a peaceful happy life until her husband's death which occurred March 27, 1909.

In June Mrs Squires attended a branch meeting at the Methodist W M S, in St John, and after the session went up the river to Lands End for a short visit with her sister. Over a month ago she contracted a severe cold which ended in bronchitis, and although she was tenderly cared for by her sister, and later, an efficient trained nurse, Miss Nellie Ferris, St John, her weakened heart could not stand the strain and she passed peacefully away.

Mr and Mrs Baxter accompanied the remains to her old home in Wicklow, where the funeral was held at the Methodist church Sunday September 17. Revs E C Turner, Henry Pieree, Centreville, and J D Wetmore, Florenceville, in attendance. Six nephews, Messrs Stanley White, Upton Squires, Wicklow, J Fenwick Fowler, Edward M Morse, Presque Isle, Me, John S McBride and C Leslie Fowler, Easton, Me, acted as pallbearers.

The deceased lady was loved by all for her sweet sympathetic nature. Her Christian life was exemplary. She will be greatly missed in the church and community. J Rulofson Fowler, Lakeville, and C Melick Fowler, Vancouver, B C, are brothers.

Orange state To Boss The Botha Government

JOHANNESBURG, South Africa, Sept. 16.—The position of the parties as a result of the first election for the parliament of United South Africa, is now:

- Nationalists, 52.
- Unionists, 36.
- Labor, 4.
- Independents, 10.

A report that Rt. Hon. Louis Botha will resign the premiership is unconfirmed. For several minutes after the confirmation of his defeat at the poll Botha, who is not strong, was speechless, and livid.

Minister of Commerce Moor is defeated making three ministers down. Nationalists are in consternation at the results of the elections.

The fear that extremists will rule is probably dealt a death blow.

The Unionist majorities are large and 16 or 17 seats in the Orange Free State have gone solidly Unionist. The state will probably refuse to support the government except on its own terms. Each man is pledged to tend Hertzogism.
