

The new Crushed Coffee as compared with Ground Coffee

Merely to look at it you will see how very different it is; **Crushed** Coffee being in small even grains, totally free of chaff or skin while ground coffee has the appearance of being mashed; large and small grains with chaff or skin mixed together.

Red Rose **crushed** Coffee, being free of the chaff, can be made as easily as Red Rose Tea. Settles clear and bright. No egg or anything required. Just look at our **crushed** Coffee and see how correctly we describe it.

A good combination is Estabrooks' Coffee for breakfast and Red Rose Tea for other meals.

Presentation To Rev. and Mrs. Pierce.

On the evening of March 25th, the congregation of Pleasant Valley Methodist Church, met at the Parsonage, where a very enjoyable time was spent. At nine o'clock the company sat down to a bountifully spread table after which George Mallet took the chair and the following address was read by Thos Bertram in a very appropriate manner. "To Rev. Mr. Pierce and Mrs. Pierce: We, your friends have assembled here this evening to express our gratitude and good will to you for the years you have so faithfully laboured among us. We take much pleasure in conveying to you the expressions of our united love. We have found you unselfish, thoughtful and benevolent, you have merited the esteem and affection of all by your faithful work on circuit and will always be remembered by us. Please accept this purse, not on account of its intrinsic value, but as a small token of our esteem. May your lives be long and prosperous is the sincere wish of your many friends." Mr. Pierce in a few well chosen remarks then thanked the congregation for their kindness, after which all returned homeward feeling that the evening was well spent.—The Charlottetown Guardian.

The Mr. Pierce mentioned above has been invited to the Centreville Circuit for the next conference year.

We are all glad to have 'Robin Red-breast' back again. His cheerful song leads us to think that Spring is really here.

"There are no martyrs these days."
 "Oh, I wouldn't say that."
 "Do you think there are any people to-day who would suffer tortures for their beliefs?"
 "My wife believes that an 18-inch waist looks better than a 24, and I think she suffers a lot of genuine torture because of that belief."—Houston Post.
