AN OPINION.

"What impressed the writer (in the Educational Review) was the admirable system that prevails in the management in every department of work; the kindly personality and tact; the genial sympathy in the relations between teacher and pupil and the interest which each one seemed to feel in the work of the day. An education under such conditions is a great Asset.

**Death Of Miss Ketchum**

The many friends here of Miss Rowen Ketchum, a former resident of this town, and the eldest daughter of Mr. Randolph Ketchum, were sorry to hear of her death, which took place in Ashland Maine, Tuesday at her father's home. She had been ill with consumption and spent two years at a sanitarium at Saranac Lake, in the hope of getting back her strength. She was in her 28th year and during her residence here was very popular.

The body was brought to Woodstock on Thursday evening, and taken to the home of T. C. L. Ketchum. Those accompanying it were her brother, Charles, Dr. Paul Bickle of Philadelphia, to whom she was engaged to be married, his father Prof. Bickle, of Gettysburg, Pa., her brother-in-law Martin Adams of Bangor.

The funeral took place on Friday afternoon to St. Luke's church where the service for the dead was read by Rev H G Alder. Those acting as pall bearers were T C L Ketchum, Dr Rankin, W L Carr and W D Smith.

The remains were taken to the burying ground of the Parish church where the committal prayer was said and the body was laid at rest beside that of her mother.

**Samuel Gartley.**

Samuel Gartley, aged 29, a well to do farmer of Jacksonville, died suddenly of heart failure Tuesday evening. About half an hour before his death he was out in the hay field watching the men at work, when he became ill and returned to the house. In a few minutes he became unconscious, and passed away in half an hour. He is survived by a wife and one young son.

The funeral was held on Thursday afternoon from his home in Jacksonville, interment being in the Anglican cemetery there. Rev H G Alder, of Woodstock, conducting the religious services, with Funeral Director Nichols in charge. His widow was a Miss Payson, of Jacksonville. Deceased was the son of the late John Gartley, of Watson Settlement.

**GREAT CHANGES AT THE ST JOHN EXHIBITION.**

New Buildings, New Area, New "Pike," New Cattle Accommodations, etc.

The general aspect of the grounds at the Dominion Exhibition, to be held in St John, N B, September 5th to 15th next, will be greatly changed as compared with former years. The new immense wing to the Industrial structures, the new Cattle Sheds, monster new Grand Stand, new "Pike," etc, will transform the familiar view into one of a fair of a national proportions and will surprise even the most sanguine visitor. The new Horticultural Building, to be 150 feet long by 60 feet wide, and three stories in height, is planned to adjoin the wing of the Main Industrial building. The New Grand Stand, to be 208 feet by 40 deep, with accommodations for 1,750 people, is to be situated on the south-east corner of the area, nearly directly opposite the old Grand Stand. In past years the Pike or Midway attractions have been located directly in the path of patrons walking from the main building across the field to the Live Stock display; but this year this open ground is to be reserved for specially new and original amusement features, while the Pike is laid out in the rear of the New Grand Stand, following a semi-circular course towards Amusement Halls. There will be new horse barns, immense new cattle sheds, new piggery and sheep pens, also new accommodations for poultry and pet stock. The transportation exhibits are to be shown in the Military Drill Hall, which the Dominion Government has kindly placed at the disposal of the Exhibition Association. In the center of the large ground space a stock display ring has been mapped out, in which horses will be exercised and competing animals demonstrated. This track will be one-sixth of a mile in circumference.

**A GREAT ENTERPRISE COMES TO WOODSTOCK**

Edgar W. Mair Makes an Important Connection With the Largest Co-Operative Corporation in America, Backed by Men Doing an Annual Business Amounting to \$75,000,000

**PEOPLE OF WOODSTOCK BENEFITED**

Edgar W. Mair of this city, has with characteristic enterprise, demonstrated his ability to keep well abreast of the times by connecting himself with the largest druggists' co-operation in America. The men connected with this enterprise do a yearly business aggregating over \$75,000,000, which well emphasizes its soundness and magnitude.

About three thousand retail druggists throughout the United States and Canada have organized themselves as a co-operative company for the purpose of producing a line of medical preparations which they recommend, absolutely guarantee and back up with their own names and personal reputations. The formulas of these remedies are thoroughly known to every one of these druggists and the ingredients of each will be truthfully described to the public and the remedies sold with the distinct understanding that their purchase price will be instantly refunded without question or quibble if they fail to benefit the user.

One thousand different formulas were turned over to the company. Each formula being selected because of its tested and proved value and established reputation, gained through continued and successful use by prominent physicians.

A research committee of expert chemists and physicians made a most thorough and exhaustive test of each one of these one thousand prescriptions until they had selected about three hundred as being the very best and most dependable known to medical science, each for the treatment and cure of a particular ailment.

These three hundred remedies are now manufactured by the company, which is known as the United Drug Co., Boston, Mass., and United Drug Co., Limited Toronto, Canada, in the largest, most modern and best equipped pharmaceutical laboratories in America.

The tremendous output of this company enables it to purchase drugs, herbs and other necessary material in very large quantities. The co-operation and professional advice of 3,000 leading druggists guarantees the high quality of everything used and guarantees that only formulas of extraordinary merit are used in the manufacturing of their products.

The preparations of the company are shipped direct to the retail druggists who are connected with the enterprise. Thus their absolute freshness is assured, it is impossible for their quality to deteriorate, there are no middlemen's or jobbers' profits to be added to their cost, and the public can obtain these products at actual cost of manufacture plus a single retail profit.

One noticeable feature of this business and a very commendable one, is that no one remedy manufactured by this company is a "cure-all". Each one of the 300 different remedies is a known and dependable specific for a particular ailment. The confidence of the druggists interested in this enterprise is unquestionably demonstrated by this guarantee, which is printed on every package: "The United Drug Co., Limited and the Rexall Store selling this preparation guarantee it to give satisfaction. If it does not, go back to the store where you bought it and get your money—it belongs to you, and we want you to have it."

This is certainly an innovation that must appeal to the people of Woodstock. It insures safety and satisfaction because our own local druggist, Mr Edgar W Mair, who is so well known and highly respected for his integrity, is connected with this enterprise and is staking his own personal reputation on the quality of these remedies, and the very frankness with which he takes the people of Woodstock into his confidence insures an unprecedented success for these remedies, which are sold under the trade-name, Rexall, which means, King-of-All. From reports coming from thousands of towns and cities, the Rexall Remedies are certainly demonstrating their full title to the name.

Those who have previously refused to buy proprietary medicines because there was no way of ascertaining their ingredients, can now purchase Rexall Remedies, the formulas of which they can have for the asking. Besides, they are sold by a concern personally known to you and located right here in our own city, who guarantees that they are in every way as represented or they will cost nothing.

Rexal Dyspepsia Tablets are one of the first of the three hundred remedies which are being introduced. Any one in Woodstock, who suffers from stomach derangement, indigestion or dyspepsia should not hesitate to try this Rexall Remedy when they are so highly recommended and backed with such a strong guarantee.

Mr Edgar W Mair, is so well and favorably known for his sterling honesty and square dealing that we predict a great success for him with the Rexall Remedies, and he is to be heartily congratulated in bringing this great and modern business enterprise to Woodstock.

We urge all who may be in need of prepared medicines to call on Mr Edgar W Mair and learn about Rexall Remedies. Enterprise of this sort should be encouraged.

**LESSONS FROM CAMPBELLTON.**

Relief is pouring into the stricken town of Campbellton, but it will be many, many years before the effects of the terrible disaster will be removed. In the meanwhile, communities which have suffered from fire in the past, but not to the extent of Campbellton, may, as they extend all possible help, take warning of the fate of the sister town of the north shore. Woodstock needs to see to it that its fire department is in first class condition, that the firemen are not handicapped by lack of hose, and that all necessary pressure of water will be available, no matter how bad a conflagration we may have. Next, we should be very slow in increasing the bonded indebtedness. It is this burden on Campbellton that is the most serious difficulty its citizens have to overcome. In view of this, it is well for the citizens of Woodstock, as of other towns, to make a move towards reducing rather than adding to the bonded indebtedness. It is all very well to say that this town will never have such a fire as Campbellton, but one can never tell. Given certain conditions and nothing can arrest a conflagration.

**Lame Back.**

To have a lame back or painful stitches, mean disordered Kidneys, and the sooner you have the Kidneys and Bladder in a perfectly health condition, the sooner you will enjoy life. As far as we know there is only one remedy that is guaranteed to cure you, and that is FIG PILLS. If they don't make you a strong, healthy person in two weeks, your money will be refunded. 25c a box, at all leading drug stores.

**ATTENTION.**

Attention is directed to Gibson & Ross space in this issue, showing the manner in which they have conducted their business in the past year.

Mrs J G Mitchell will leave Wednesday night for Portland Oregon and Tacoma, Wash. Mrs Mitchell expects to be absent about two months.

**W Wallace Hemphill**

The community was shocked to learn on Friday night of the death of W Wallace Hemphill of Debec, after a short illness lasting less than 24 hours, aged 68 years.

Mr Hemphill was well known in the county as a man of high honor and strict business integrity. He served several terms in the county council, had many sincere friends and no enemies. He is survived by his wife formerly a Miss Price, of Woodstock, and nine children, four sons, Herbert, of Debec, Harry of Alberta, Ferguson of California, and David, at home; five daughters, Mrs Frank Denton, of Philadelphia, Mrs W H Wilson, of this town, Mrs Allison Gibson, Northampton, and Mary and Ruth at home. He was born near Debec and lived there all his life. He was a devout Presbyterian in religion and an active conservative in politics. The funeral was held on Sunday morning, the services being conducted by Rev R A Macdonald of Richmond Corner. Funeral Director Francis Kelly was in charge and the pall bearers were Messrs Hay, Forrest, Thomas Watt and Charles Campbell.
