

## Did you ever hear any one say they could not get good coffee except in the States?

I have heard it, scores of times, and it's one of the reasons that made me decide to go into the Coffee business.

Of the Americans who visit us in summer, hundreds take home a supply of Red Rose Tea because they have never used such good tea before. I determined to put up a coffee that would make for itself just as good a reputation. It has not been easy, but I am sure I have succeeded.

Estabrooks' Red Rose Coffee, put up in sealed tins is—well, it's good coffee. You and your American friends will say so.

A good combination is Estabrooks' Coffee for breakfast and Red Rose Tea for other meals

## NERVOUS DISEASES IN THE SPRING.

### Can Only be Removed by Toning Up the Blood and Strengthening the Nerves.

Nervous diseases become more common and more serious in the spring than at any other time of the year. This is the opinion of the best medical authorities after long observation. Vital changes in the system after long winter months may cause much more than "spring weakness," and the familiar weariness and aching. Official records prove that in April and May neuralgia, St. Vitus dance, epilepsy and various forms of nervous disturbances are at their worst, especially among those who have not reached middle age.

The antiquated custom of talking purgatives in the spring is useless, for the system really needs strengthening—purgatives make you weaker. Dr. Williams' Pink Pills have a special action on the blood and nerves, for they give strength and have cured not only many forms of nervous disorders, but also other spring trouble such as headaches, weakness in the limbs, loss of appetite, trembling of the hands, melancholy and mental and bodily weariness as well as unsightly pimples and skin trouble.

Dr. Williams' Pink Pills cure these nervous disorders and spring ailments because they actually make new, rich red blood. Sold by all medicine dealers or by mail at 50 cents a box, or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville Ont.

Many beautiful floral tributes were placed on the casket. The pall bearers were: Messrs James Foster, Zebulon Gabel, Geo. McCuskey, John McIninch, Everett Davis and E. L. Hagerman. Kimball and F. E. McGee of Fort Fairfield, Me.; Thos. D'Arcy McGee and Mrs. Eric Nelson of Boston; and William McGee of Aelmville, Mont.

Joseph McGee became known to young and old of two generations as a buyer of live stock, operating over the upriver counties.
