THE down passenger train of the C. P. R., left the rail Tuesday, 19 h inst three miles this side of Caribou, the engine and both cars going off. They were not upset and no one was injured. The cause of the derailment is not known. The engine was got on again Tuesday afternoon, and the cars were put on the day following.

I HEREBY appoint Friday, May 6th, as Arbor Day in the public schools. Please observe carefully the provisions of Reg. 20. The co-operation of parents and all others in the district is invited, and attention should be given not only to the school grounds and remises but to the roadsides and other public grounds as well. To insure satisfactory results good trees should be purchased by the trustees and properly planted. The attention of teachers is also directed to the importance of preparing for the observance of Empire Day, which falls on the last teaching day preceding the 24th of May. (Reg. 20.) It is most desirable on Empire Day to hold a public meeting in the assembly hall or school room, at which, in addition to the programme prepared by the teachers and pupils, there may be addresses of a patriotic nature by ratepayers or visitors.—F. B. Meagher, Inspector of District No. 8.
