Offer To Girls

Last week we told you about some of our plans for the coming year, about our getting in new type etc, and our plans for improving "The Dispatch" also about our wanting two thousand new subscribers. The offer we made the boys to give them a nice rifle for only six subscribers—has met with a hearty response and the way they have started in proves to us that it is easy to procure new subscribers.

This week we are adding another premium to give the girls a chance as well as the boys.

For six new Subscribers we will give either the rifle or a goldfilled Expansion Bracelet. This is a very pretty pattern and is guaranteed by one of our leading Jewelers, and is a prize any young lady will be proud to own. This offer is open to all, Send to The Dispatch Office for blanks and Sample Copies and show the boys that you can lead them every time,

For Skin Irritation

We guarantee Relief Your Money Back If Not Satisfied

We have an ointment possessing extraordinary power to permanently relieve all forms of eczema, skin eruptions, pimples, blotches, ringworm, acne, tetter, scaly scalp, hives, all forms of itching and irritation caused by insect bites. Its power to soothe ulcers, sores and wounds is very pronounced.

We are so positive that Rexall Eczema Ointment is unexcelled for overcoming these ailments that we sell it with our personal promise that it will not cost the user anything unless it in every way gives satisfaction. We exact no promise and in no way obligate the purchaser. You must admit that we could not afford to make such a broad liberal guarantee, except we are certain we could substantiate our claim.

Rexall Eczema Ointment is a grayish-white, pleasant smelling, antiseptic, cooling healing salve that is strongly germicidal. It destroys the germs that penetrate the skin and cause eczema and other tormenting skin ailments. A remedy must do that to be effective, for in no other way can such diseases be overcome.

Rexall Eczema Ointment is ideal for the treatment of skin irritations peculiar to children, for barber's itch, and for sore itching feet.

It is positively the best remedy we know of, and we urge you to try it at our risk. Two sizes, 50c. and \$1.00.—The Rexall Store. Edgar W. Mair.
