Saw British Steamer Sink in North Sea

London, Nov. 10.—The British steamer Fairport, carrying a crew of thirty, is believed to have foundered in a gale near Dogger Bank, in the North Sea. A trawler sighted a steamer there resembling the Fairport, with her funnel and bridge washed away. The vessel sank before the trawler could render assistance or ascertain her name.

Free If It Fails

Your Money Back if You are not Satisfied with the Medicine We Recommend

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate, and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness, nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Sold in Woodstock only at our store—The Rexall Store. Edgar W. Mair.

James Addington Pearson

On Tuesday, November 7th, after a brief illness of pneumonia, James Addington Pearson, son of James A. and Augusta Pearson, passed away at the home of his parents in Upper Brighton, N. B. Deceased was thirty-four years of age and unmarried. Since the days of his youth he had been a sufferer from rheumatism, yet he bore his infirmity manfully and was an industrious and energetic worker. His kind-hearted and generous disposition won for him a large circle of friends. He was a faithful adherent of the Presbyterian Church, and while his nearer relatives mourn because of the chair made vacant in the home, the congregation feel deeply the loss of one of their faithful co-worshippers.

Besides the sorrowing parents, one brother and seven sisters are left to mourn their loss.

The funeral services took place at the home of the deceased on Wednesday afternoon at two o'clock, and were conducted by Rev. M. H. Manuel of Florenceville, assisted by Rev. Mr. Mallory of Simonds, who preached from Psalm 55:22, "Cast thy burden upon the Lord and He shall sustain thee." A large and sympathetic procession followed the remains to their place of rest in the Baptist Cemetery of Upper Brighton.

YOUNG'S COVE

Nov. 9th., 1911.

On Tuesday, Nov. 7, this place was visited by an electric storm, which was quite unusual for this time of the year.

William A. Gale is erecting a very fine house at Young's Cove Corner on the farm which was formally owned by Charles McLean.

The Steamer May Queen was damaged by ice a few days ago, while going to Chipman and it had to be repaired before coming back. It is thought she will make her last trip up to Young's Cove on Saturday.

A bear was seen on the farm owned by Joseph Kennedy, by his son, Bruce Kennedy. It has been reported that bears have killed several sheep this autumn.

Simeon W. Fanjoy and family have moved to the Narrows for the winter.

Several deer and moose have been captured not far from here recently.

B. H. Smith is erecting a barn.

Mr. and Mrs. Robert Kennedy arrived home on Wednesday from a trip to St. John.

The water in Grand Lake was never known to be so low as at the present time and the S. S. May Queen finds it quite difficult to reach her wharves.

Rev. G. Edgar Tobin left on Monday for Fredericton, where he will attend the meeting of the Synod, which is being held this week.

The navigation on Grand Lake will soon be closed for this season.

Cause For Alarm

Loss of Appetite or Distress after Eating a Symptom That Should not be Disregarded

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, heaviest, and healthiest persons are moderate eaters.

There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge all in Woodstock who suffer from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine, they are not perfectly satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefitted by them. We honestly believe them to be without equal. They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels, and thus to promote perfect nutrition, and eradicate all unhealthy symptoms.

We urge you to try a 25c. box of Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, your money will be returned to you if you are not satisfied. Of course, in chronic cases length of treatment varies. For such cases, we have two larger sizes, which sell for 50c. and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store. Edgar W. Mair.

24 Years' Imprisonment for White Slaver

Judge Warren W. Foster in the court of general sessions, New York, Oct. 27, sentenced Philip Solow, who was convicted recently on a charge of violating Section 1,460 of the penal law, to serve not less than twenty-four years and not more than thirty-four years at hard labor in the state prison.

Solow was convicted on the complaint of Miss Elois Wendit, seventeen years old, who said that she had been taken from her home in Pittsburg, and had been forced into a life of "white slavery." Solow, who is twenty-one years old, fainted as he was taken back to the Tombs.

In imposing sentence Judge Foster said:—"Solow, I do not care to perpetrate a pun, but I want to observe that your name is appropriate to so vile a creature as you. There is nothing in your case that demands mercy for you and I am going to give you the limit

allowed by law. I will fine you \$5,000 which means that, as you are without financial means, you will be required to work out the fine at the rate of \$1 for each day. This will occupy you for fourteen years. In addition I sentence you to serve not less than ten years and not more than twenty years in Sing Sing. The state of New York intends to stamp out the white slave traffic."

The Shadow of Poor Health

Dispelled Through the Use of Dr. Williams' Pink Pills

When the shadow of poor health falls on your life, when hope begins to fade and friends look serious, then is the time you should remember that thousands just as hopeless have been cured and restored to the sunshine of health by Dr. Williams' Pink Pills. These pills actually make new, rich blood which brings a glow of health to anaemic cheeks, cures indigestion, headaches and backaches, drives out the stinging pains of rheumatism and neuralgia, strengthens the nerves and relieves as no other medicine can do the aches and pains which only women folk suffer from. In any emergency of poor health give Dr. Williams' Pink Pills a fair trial and they will not disappoint you. Here is a case that will bring hope to many a weary sufferer. Mrs. F. K. Sanders, St. Thomas, Ont., says: "About four years ago I took a severe cold which I neglected, thinking that I would soon be all right again. But instead I found myself in a weak and run-down condition. I seemed to have no ambition to do anything and my heart and nerves became so bad I was forced to bed. The doctor who was called in said the trouble was chronic anaemia, but in spite of his skilled attendance I was unable to sit up and eat, but had to be fed with a spoon. One day a visiting friend suggested my trying Dr. Williams' Pink Pills, and I sent for a half dozen boxes. In a short while I began to eat better and feel better, and by the time the pills were used I felt altogether different; my heart did not bother me, my lips and cheeks regained their natural color, and everybody who saw me remarked on how well I was once more looking. Wishing to be on the safe side, I took two more boxes of the pills, which made a complete cure, as I have had neither ache nor pain since, and I now weigh 146 pounds. I always recommend Dr. Williams' Pink Pills, and I hope that this letter may be the means of suggesting relief to many of my sisters who suffer as I did."

Sold by all medicine dealers or sent by mail at 50 cents a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.
