Found Dead On Road

Plaster Rock Man Finds Pedlar Near Holmesville

Thomas Kelly, an aged pack pedlar was found dead on the road between Giberson Settlement and Holmesville, Carleton County, about seven o'clock last Sunday morning by Albert P. Broad of Plaster Rock.

The man was found lying across the road about 100 rods from the home of Gabe McIsaac with his pack nearby.

Broad made an unsuccessful effort to arouse him but upon examination found that the man was dead. He notified Dr. M. E. Cummings, coroner, who pronounced death due to

exposure.

It developed later that Ralph Giberson heard the sound of dogs barking coming from the direction where Kelly was found. Kelly was seen walking along the road the day before by Mr. Broad who at that time was driving.

The man's remains were taken to the home of his son, John Kelly at Johnville. Interment was made in Johnville Tuesday.—Victoria County News.

Man Burned At Fort Fairfield

William Burke Lost Life In Burning Barn

William Burke, a well known resident of Fort Fairfield, was burned to death and George Stone, his brother-in-law was severely burned at a fire that destroyed the latter's house and barn about two miles outside of Fort Fairfield Sunday afternoon.

Burke with his wife and child were guests of Stone when the fire started.

The barn burned rapidly. Seven horses were removed but a bull and a number of hogs remained. It was to rescue these that Burke and Stone entered the building.

So rapidly did the fire spread that Stone was unable to penetrate far into the building. He was driven back with his hands and face burned.

Burke was caught in the basement and was unable to escape because of a door being locked. After the fire his body was found burned to a crisp.

Many Liberals To Walk The Plank

Ottawa, Nov. 2.—The long expected fall of the official axe in the government workshops here is beginning to be felt. What is known as an "O. P." list is being drafted, it is rumored and among the hundreds of employes in this branch of the outside service apprehension is felt as to who will be slaughtered for "Offensive partianship."

One of the reduction of Foreman Painter Jacob Crandall to the rank of an ordinary painter. His place being taken by a man named Crevier who has been in the service since before 1896.

A long list of dismissals is expected within a few days.

The banquet given the Hon. J. K. Fleming on Friday evening in the Hayden-Gibson Theatre was one of the most largely attended and most successful ever held in Woodstock.

Every part of the county was represented, and many friends came from other parts of the province to assist in the celebration.

Upon the arrival of the train from the north at 5.30 P. M.; Premier Fleming was met by the band and a number of friends.

Premier Fleming in replying, said that he intended to run the government entirely independent of federal issues. He had nothing of a definite nature to say in regard to the Valley Railway, except that he would continue to further its completion when the contract was signed. Special attention would be directed toward the working of the crown land department and all the other departments and especially toward maritime representation. He thanked them heartily for the complimentary dinner, gave a short review of the past sixteen years of the provincial government, telling of the

conditions as they existed prior to 1908, as contrasted with the conditions today.

He asked only that the people judge the government on its merits when it went to the people. He briefly touched on the different departments of the government and showed the great change for the better during the last three years.

During the evening a silver service was presented to the Premier by those who attended the banquet. The presentation was made by Donald Munro, M. P. P.

Bryson's orchestra, of Houlton, furnished music during the banquet.

Mounted Police May Cease to be as Now

At End of Present Agreement With Provinces it is Said They Will no Longer be Federal Body

Ottawa, Nov. 4.—The abolition of the North-West Mounted Police as a federal body is a possibility of the not distant future. Meanwhile, the strength of the corps will not be increased.

Should the Borden Government adopt the principle of giving to the western provinces autonomous control of the public lands within their bounds, it is expected to follow that the policing of such territory would be done by a provincial constabulary.

At the present time the dominion maintains the force, but the provinces subsidize the services. When the agreement terminates, it is probable that the police will pass over to entire provincial control.

Livery Stable Burned At Presque Isle; Loss \$6000

About 5 o'clock, Saturday afternoon, fire was discovered on the roof of the large frame building on North Main street, owned by Eiden Taylor and occupied as a livery stable by him. The fire spread rapidly and soon the whole building was in flames. The 24 horses were taken out just in time, and a number of pigs, although the latter were rather scattered and some will probably never be found. The building was a total loss. On the second floor was Mr. Taylor's entire winter equipment including 31 sleighs and pungs with many robes and blankets also 500 bushels of grain and 14 tons of hay, all of which was a total loss. Buildings on either side took fire but were saved. The water pressure was low and the firemen badly handicapped. Mr. Taylor estimates his loss at \$6000, which is nearly covered by insurance.

The fire is supposed to have originated from sparks from a neighboring chimney.—Bangor News.

RESIGNATION.

The Rev. H. G. Alder, who has been rector of this parish since the death of Arch-deacon Neales, announced on Sunday morning that he had tendered his resignation. He had accepted a rectorship in Waddington in the diocese of Albany in Western New York State bordering on the St. Lawrence River. He found his health was not of the best and that it would not stand the strain of the climate. He had many warm friends in this parish with whom he parted with regret.

RUSSIAN DANCER.

The Russian Dancer, Mlle. de Swirsky, gave a very fine performance in the Hayden-Gibson Theatre on Tuesday evening of last week. The Orchestra was also excellent. Mlle. de Swirsky, aided by her orchestra, interpreted such masters as Brahma, Luigni, Chopin and Gounod. It is to be regretted that so few people availed themselves of the opportunity to see this fine artist.
