Laths in Canada--1910

Despite the use of metal lath and patent methods of interior finish, wooden lath production amounted to eight hundred and fifty-two million pieces, worth one million, nine hundred and forty-three thousand dollars in Canada during 1910. This information has been obtained from statistics compiled by the Dominion Forestry Branch which show that nearly thirty million more lath were produced in 1910 than in the year before, but that owing to a decrease in the price per thousand, the total value of the industry was thirty-five thousand dollars less. Two-fifths of the total was cut in Ontario, which province increased its 1909 production by fifty-seven million or nearly twenty per cent. New Brunswick, the second province in importance, increased its proportion of the total from one-fifth to one-quarter, by cutting sixty-two million more than last year. The production of laths in Quebec and British Columbia during 1910 was considerably more than in 1909, amounting with Ontario and New Brunswick to ninety-four per cent of the total. The remaining five provinces cut smaller amounts, and with the exception of Alberta, each showed a decrease from the amount produced in 1909. The average price of laths in 1910 was \$2.23 per thousand or 16 cents less than in 1909. The price varied considerably between the different provinces, British Columbia laths being \$1.66 per thousand, while in Prince Edward Island the price was \$2.67.

A Great Discovery

Certain Ingredients That Really Promote Hair Growth When Properly Combined

Resorcin is one of the most effective germ destroyers ever discovered by science, and in connection with Beta Naphthol, which is both germicidal and antiseptic, a combination is formed which destroys the germs which rob the hair of its natural nourishment, and also creates a clean, healthy condition of the scalp, which prevents the development of new germs.

Pilocarpin, although not a coloring matter or dye, is a well-known ingredient for restoring the hair to its natural color, when the loss of hair has been caused by a disease of the scalp.

These ingredients in proper combination, with alcohol added as a stimulant and for its well-defined nourishing properties, perfect, perhaps the most effective remedy that is known for scalp and hair troubles.

We have a remedy which is chiefly composed of these ingredients, in combination with other extremely invaluable medicinal agents. We guarantee it to positively cure dandruff and to grow hair, even though the scalp in spots is bare of hair. If there is any vitality left in the roots, it will positively cure baldness, or we will refund your money. If the scalp has a glazed, shiny appearance, it's an indication that baldness is permanent, but in other instances we believe baldness is curable.

We want every one troubled with scalp disease or loss of hair to try Rexall "93" Hair Tonic. If it does not cure dandruff and grow hair to the satisfaction of the user, we will without question or quibble return every cent paid us for it. We print this guarantee on every bottle. It has effected a positive cure in 93 per cent of cases where put to a practical test.

Rexall "93" Hair Tonic is entirely unlike, and we think, in every particular, better than anything else we know of for the purpose for which it is prescribed. We urge you to try this preparation at our entire risk. Certainly we know of no better guarantee to give you. Remember, you can obtain Rexall Remedies in Woodstock only at our store—The Rexall Store. E. W. Mair.

Ice In The River

Stops Hampstead

St. John, Nov. 4.—The steamer Hampstead, in going up river this morning, found the channel blocked with ice at Upper Maugerville. The Elaine, with a steel hull managed to get through, but the Hampstead could not even follow, as the ice re-formed too rapidly. She returned to Gagetown to await further orders.

FORT FAIRFIELD, MAINE

Mrs. Chas True of Woodstock who spent some time with her husband here returned home last week.

Miss Pearl Waite and the misses Curry of Andover were callers in town recently.

Mr. and Mrs. Arthur Stevens returned from a pleasant trip to Boston on Tuesday.

Miss Dorothy Brewer, the popular Savoy singer, has gone to Presque Isle where she will be for a few weeks she was accompanied by Miss Dorothy Fisher.

A. F. LeTarte, the popular C. P. R. agent, left town on Tuesday for Portland, Bangor and other cities where he will spend his vacation. He is relieved by Elder Kirkpatrick.

Senator and Mrs. Baird, of Andover were visitors in town last week.

Chas Stevens of B. & A. spent Sunday at his home in Andover.

A large number of young people from this place attended the dance in Grand Falls on Friday night.

The weekly dance in Hackers Hall was well attended on Tuesday evening. A very enjoyable time was reported. Knowles Orchestra as usual furnished the best of music.

Mrs. Arthur Stevens and Miss Ethel Armstrong drove to Andover on Sunday returning the same day.

F. E. MacLardy of C. P. R. spent Sunday at his home in Woodstock.

The Fort Fairfield High School have prepared for an ice rink on their grounds and are waiting for cold weather when their will be fine sport without any danger.

YOUNG'S COVE

Miss S. Nydia O. Wiggins, who is teaching at Brookvale, was home to spend Thanksgiving with her parents, Mr. and Mrs. G. M. Wiggins.

It is reported that Eben Slocum has sold his wood boat to Ottis Fanjoy.

Miss I. Hilda Inch left by S. S. May Queen, Nov. 2nd., for St. John.

There was a supper and concert held in Young's Creek school house on Monday evening at which a neat little sum of money was raised.

Mrs. Daniel Slocum, of this place, left this morning by S. S. May Queen for Portland, Maine, where she will spend the winter with her daughter, Mrs. Harrison.

The S. S. May Queen, which has been plying between St. John and Chipman, will not run more than two or three weeks. Captain Weston and his son Bruce Weston, deserve great credit for their kindness to the people this season.

Mrs. Captain Dixon, who has been ill, is convalescing.

To-day the weather is quite cold and we are getting a snow storm from the Northwest.

Word was received here that Jim Ryder lost his house by fire a few days ago, at Brookvale.

The Misses Louise and Stella Wiggins of this place, returned home on Saturday from St. John.

Sheriff Williams was a passenger on S. S. May Queen, Nov. 2nd.

Paying vs. Non-Paying

Subscribers

The man who pays cheerfully and promptly for his newspaper shall flourish like the green bay tree and the cedar of Lebanon. His line shall continue and not be cut off; his prosperity and happiness shall be in the mouths and minds of many. His reputation for justice and helpfulness shall be deeper than a Sydney coal mine and rise higher than Mt. McKinley. But with the non-paying subscriber it is not so. In the hearts of those who love righteousness and justice his ways shall be a reproach. He shall everywhere be regarded as a clog and a hindrance.

While his paying neighbor shall receive golden thoughts and honeyed words from all, the non-paying subscriber's memory shall be a blight and a sorrow. Indeed better were it for the non-paying subscriber if the whole of a limburger cheese should suddenly settle in the midst of his stomach, and he should be attacked by appendicitis and gall stones in the midriff. Yea, corns and bunions and ingrowing toe nails are like to cove his very soul, and phthisic and water on the brain shall settle round about his knees and ankles. His worldly goods and chattels shall go up in fire to warm the cold winter skies, and his children shall shriek because of cerebrospinal meningitis and the ghost of reciprocity. Yea, all these things, and

more too, shall happen to place the body in anguish and the soul in delirium tremens or something more weird and horrible, until the subscriber drops into the newspaper office, pays up a year or more in advance, and goes away leaving everybody much better and happier than if his visit had not been. If these things were not so, we would have told you.

Thus readeth a portion of the Fort Fairfield Review.

Sickly Babies Cry

Healthy Babies Smile

Baby's cry indicates distress—his smile health and contentment. The mother may be sure there never was a baby who cried for the fun of it. Baby's disposition is naturally a happy one and it is only distress such as may be brought on by a disordered condition of the stomach or bowels that can change this. So, mothers, to keep your baby happy you must keep him well—Baby's Own Tablets will do this. Concerning them Mrs. Chas. Potvin, Causapatcia, N. S., writes: "Baby's Own Tablets have proved an excellent remedy for my baby. I had been using syrups, but they failed to help him and he cried constantly. The Tablets cured him and now he is a fat, healthy child." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Elko Pioneer Passes Away

DIED:—Hamilton McCain, in Elko, Nev., Oct. 13, 1911, at 2.30 p. m., of pneumonia, aged 63 years, 5 months and 8 days.

Funeral services from the house Sunday, Oct. 15, at 1 o'clock p. m. Interment in the K. of P. cemetery.

Hamilton McCain was a resident of Elko county for over fifty years. He was born in Florenceville on May 5, 1848, and before he became of age joined a westward party and came to Nevada. The lure of gold brought him here, and he identified himself with mining at Mineral Hill and Mountain City, until 1871, when he moved to Ft. Halleck, then a government post, and engaged in ranching. In 1878 he bought the store and hotel at Halleck, which included a large tract of land, and since that time, he resided constantly at this one place, until three years ago when he moved to Elko.

He was married to Miss Antonia Petro at San Francisco in 1885, and to this union were born six children all of whom are living. Mrs. Harry Miller, Arthur McCain, Mrs. H. H. Mayer, Mrs. A. E. Burke, Lelia and Marion, all the children being present at his bedside except Arthur, who has been notified and will be here on Sunday at the funeral.

His wife passed away several years ago while living in Halleck, and since that time he has steadily grown weaker, and since his sickness of a year ago, has been unable to leave the house. He was taken sick a few days ago with a bad cold which developed into pneumonia and the end came peacefully Thursday afternoon.

He was a loving husband, an indulgent father and a good citizen. He was a man of considerable means and his acquaintance throughout the eastern part of the state was large. While eccentric, "Ham" as he was universally known, exercised considerable influence and his reminiscences of early days were a revelation to the latecomers. His presence will be missed by the remaining old settlers, with whom he was a favorite. Mr. Hamilton McCain left his home when 16 years of age to seek his fortune in the West. He boarded a steamer at

minutes is all the time required for brewing Red Rose Tea; and the result is a beverage of matchless flavor and satisfying strength. The verdict of your family will be that

the Florenceville warf as at that time there were no railroads when he arrived in Chicago he was engaged by a Company to drive a freight team across the prairies to the Hudson Bay Company Depot. This was a dangerous trip as the buffalos were numerous and would often stampede and run into the Caravans and at night a watch had too be kept for fear of the Indians. When they arrived at their destinations they rested three weeks and then returned making the round trip in three months and twenty days.

In the spring he joined a party going West, to the Land of Gold, where he made a handsome fortune. The many hardships endured made him an easy prey to the disease which carried him away.

Neuralgia Cured

This Painful Trouble is Due to Poverty of the Blood

Neuralgia is one of the most painful maladies that afflicts humanity. The trouble is usually seated in the face and head, following the course of some nerve, but it attacks other parts of the system as well. It is characterized by acute pains, sometimes steady, at others spasmodic and darting, headaches and a feeling as though the forehead was a band of iron. Medical authorities agree that neuralgia is a cry of the nerves for better food, and that if the blood is purified and enriched the trouble will disappear. This is the reason why Dr. Williams' Pink Pills cure even the most severe cases of neuralgia. They actually make new, rich blood which feeds the tired starved nerves and thus cure the trouble, at the same time leaving the sufferer in better health in every way than was formerly enjoyed. In proof we give the case of Mr. G. Brooks, of Aurora, Ont., who says: "About two years ago, while working in Collingwood, I was attacked with neuralgia, which became so bad that I was frequently unable to go to work. The pain would start over my right eye and would then spread to the whole face, and caused me the greatest agony. I was under the care of a good doctor, but his treatment did not do more than give me temporary relief, and I was therefore an almost constant sufferer. Acting on the advice of my wife I finally decided to give Dr. Williams' Pink Pills a trial, and I am profoundly thankful that I did so, as in the course of a few weeks I began to improve, and after a further use of the Pills the trouble disappeared and I have not since had any trace of it. I may also add that while taking the Pills my weight increased by nine pounds, which shows that the Pills are a body builder as well as a nerve restorer."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

FLORENCEVILLE.

A number of delegates were appointed at Greenfield on Sunday 5th ult to attend the Laymans Missionary Convention to be held in St. John about Nov. 20th.

The marriage of Miss Effie Kilpatrick took place at the home of the bride's mother Mrs. Andrew Kilpatrick on Wednesday evening, Nov. 1st 1911 to James Kinney, Both of Greenfield, Rev. M. H. Manuel tied the nuptial knot. We extend our hearty congratulations and best wishes to Mr. and Mrs. Kinney.

Miss Mamie Harmon who is teaching at Wicklow spent the weekend at home. Mrs. Clarence Kirkpatrick and two children, of Grand Falls, are visiting Mrs. Kirkpatrick's mother Mrs. Richard Wheeler.

Mrs. Harry Hartt returned home on Saturday after spending a few days with her father J. E. Jewett.

The Thanksgiving Concert which was held at Greenfield on the 30th inst. was a great success. The children deserve much credit in the way each one acted or gave those parts.

Mrs. F. E. McNally spent the week end with her daughter Mrs. E. M. Weller.

JACKSONVILLE

The stork has greatly favored us of late. His latest honors have been bestowed on the home of C. Tilley, where his daughter, Mrs. C. Crawford, of Debec received the gift of a son,—number two in the family,—on Sunday morning last.

Thanksgiving was celebrated in both churches on Sunday. In the afternoon special singing characterised the service of the Baptist Church and the pastor preached on 2 Cor. 9:7 "God loveth a cheerful giver." The proceeds of the cash offering were devoted to the Organ Fund. In the evening a large congregation enjoyed a special music service at the Methodist church. Solos and recitations adding to the interest of the service. Rev. G. Ayers took for his text, Ps. 103:1 "Bless the Lord oh my soul, forget not all His benefits." Both churches were tastefully decorated with flowers, fruit, vegetables and grain.

On Monday night a Thanksgiving Concert was given in the Baptist church, which was greatly appreciated by a splendid audience. The program included choruses, duets, solos, recitations and exercises. The offering amounted to over \$30, which brought the Organ Fund to within \$40 of the required amount. The pastor suggested that absent friends be held responsible for the odd \$8.35 and that the \$30 be received by promises. This was done in a few minutes. The \$8.35 has since come to hand.

The exuberance of youth was exhibited in the usual foolishness on Halloween. But while there may be something funny in putting one man's wagon on the ridge of another man's house, turning the sidewalk upside down and deliberately smashing the school windows and other destruction of property, the general public fail to see the joke.

The sympathy of the community is with Mr. and Mrs. W. Gibson on account of the sudden and strange sickness of their little girl Janie. We understand, however, that Dr. Rankin has located the trouble and the best hopes are entertained concerning her.

Negotiations are being made for the purchase of farms in the district. The neighbors would be glad to know of any or all of the parties concerned making good bargains, but Mr. Gartley, Jos. McCready, E. Ridley and I. Slipp are all too good neighbours to lose and on that account it is hoped the negotiations will pull through.

The reason a man needs a lot of new clothes when he gets married is because they will have to last him a long time.
