The man who puts up your medicine is the man who guards your health.

The result of medical treatment depends largely upon the quality of the medicaments, and the manner in which they are prepared. It is the man who puts up your medicine that guards your health. On his knowledge of drugs, his care in the selection of them, and his skill in compounding, your health depends.

Bring every prescription direct to us and be safe in that it will be compounded with the right ingredients and as the doctor wishes. The results that follow its use are those to be expected by the doctor.

Helpful Hints on Hair Health

Scalp and Hair Troubles Generally Caused by Carelessness

Dandruff is a contagious disease caused by a microbe which also produces baldness. Never use a comb or brush belonging to some one else. No matter how cleanly the owner may be, these articles may be infected with microbes, which will infect your scalp. It is far easier to catch hair microbes than it is to get rid of them, and a single stroke of an infected comb or brush may well lead to baldness. Never try on anybody else's hat. Many a hat-band is a resting place for microbes.

If you happen to be troubled with dandruff, itching scalp, falling hair or baldness, we have a remedy which we believe will completely relieve these troubles. We are so sure of this that we offer it to you with the understanding that it will cost you nothing for the trial if it does not produce the results we claim. This remedy is called Rexall "93" Hair Tonic. We honestly believe it to be the most scientific remedy for scalp and hair troubles, and we know of nothing else that equals it for effectiveness, because of the results it has produced in thousands of cases.

Rexall "93" Hair Tonic is devised to banish dandruff, restore natural color when its loss has been brought about by disease, and make the hair naturally silky, soft and glossy. It does this because it stimulates the hair follicles, destroys the germ matter, and brings about a free, healthy circulation of blood, which nourishes the hair roots, causing them to tighten and grow new hair. We want everybody who has any trouble with hair or scalp to know that we think that Rexall "93" Hair Tonic is the best hair tonic and restorative in existence, and no one should scoff at or doubt this statement until they have put our claims to a fair test, with the understanding that they pay us nothing for the remedy if it does not give full and complete satisfaction in every particular. Two sizes, 50 cents and \$1.00. Remember, you can obtain Rexall Remedies in Woodstock only at our store—The Rexall Store. E. W. Mair.

Four Inches Of Snow In the Adirondacks

SARANAC Lake, N. Y., Oct. 7.—Four inches of snow cover the Northern ranges of the Adirondacks to-day, the heaviest precipitation at this time of year in a decade. The storm has been general throughout the northern section of the mountains, extending from Big Moose to the Chateaugay lakes.

Fire Sweeps Through a Maine Town

Ashland, Me., Oct. 5.—One-third of the business section of Ashland was destroyed by fire on Thursday. Nine buildings, all of which were of wooden construction, were burned and the loss was estimated at \$100,000. The Ashland house, a three-story hotel, which had been closed all summer, and Loane's opera house were the principal buildings burned. The fire broke out in the clothing, boot and shoe store of L. F. Daniels on Main street from some unknown cause, and swept through the line of wooden buildings without hindrance to the corner of Exchange street.

In addition to the opera house and hotel, the destroyed buildings contained ten stores, four dwellings and one residence. The places of business burned out were those of A. Kosalskey, clothier; W. U. Loane, hardware; J. Woodside Loane, jeweler; J. F. McGuire, fruit dealer; W. J. Campbell, druggist; E. F. Daniels, clothier; W. P. Brigham, dry goods and millinery; M. Smargosky, clothier; Chas. H. McQuarrie, grocer, and F. W. McGowan, jeweler. The residence burned was that of J. F. McGuire.

The principal loss was on the opera house block, and the stores on the ground floor. This was estimated at \$35,000. The losses were partly covered by insurance.

Teething Time Worry

Baby's teething time was once a source of worry to all mothers—it is yet a time of worry to many, though there are thousands of mothers who have learned the secret which banishes this worry. Mothers who worry, who see their little ones suffering from difficult teething; who are worn out by day and kept awake at night by the cries of the baby in distress, should follow the example of the thousands and give their little ones Baby's Own Tablets—the remedy for worry—the never failing banisher of baby's pains. Concerning them Mrs. H. Monette, Jr., Rapide de l'Original, Que., says:—"My baby cried day and night and suffered from his teeth. A few doses of Baby's Own Tablets made him healthy and happy and his teething easy and painless. I would not be without them. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
