Beatrice B. Kilpatrick

On Tuesday, Nov. 14th, the Angel of Death visited the home of Mr. and Mrs. Edgar Kilpatrick, of East Florenceville, N. B., and took away their eldest daughter, Beatrice Belle, at the age of sixteen years. For about two years she had been a sufferer from heart trouble.

Besides her sorrowing parents she leaves behind three brothers, two sisters, her grand parents, Mr. and Mrs. York of Victoria Corner, N. B., with whom she lived during part of her illness, and a large circle of relatives and friends, whose esteem she won by her lovable disposition and Christian virtues.

The funeral ceremonies were conducted on Thursday afternoon by Rev. M. H. Manuel, assisted by Rev. E. C. Turner, Rev. J. Cahill and Rev. D. Fiske. After brief exercises in the house, services were continued in the Methodist church at East Florenceville, where a large and sympathetic audience gathered. A sermon was preached from John 16:33. "In the world ye shall have tribulation, but be of good cheer, I have overcome the world." The remains were taken to the Presbyterian Cemetery in Greenfield for burial. The bereaved family have the sympathy of the entire community.

Mrs. Roderick Lee.

On Monday, November 13th, there occurred the death of Mrs. Emily S. Lee, wife of Roderick Lee, of Kenneth, N. B. Deceased was sixty-one years of age, a lady of high esteem, and a faithful member of the Presbyterian church.

Besides a sorrowing husband, three daughters, Mrs. George Elliott, of Kenneth, Mrs. Wm. Hemphill (jr.), of Knowlesville, Miss Effie Lee, at home, and two grand children, are left to mourn their loss.

The funeral services were conducted by Rev. M. H. Manuel, of Florenceville, on Wednesday afternoon at the home of the deceased. The remains were buried in the Presbyterian Cemetery in Glassville.

Mrs. Thomas Haley

The death occurred at her home in Rosedale on Monday, Nov. 6th., of Susan E. Haley widow of Thomas Haley, aged 83 years. She leaves to mourn her loss, one daughter, Mrs. Wm. Hamilton, Rosedale, and five sons, W. A. and Frank of Lower Wakefield, Bennett and Maurice, of Ludlow, Me., and J. C. of Johnsonburg, Penn. The funeral was held on Wednesday, Nov. 8th., service being conducted by the Rev. Mrs. H. C. Saunders. Interment was made in the family lot in Lower Wakefield. The pall-bearers were four sons of the deceased. W. A., Frank, Bennett and Maurice.

They Prefer New Brunswick To Western Provinces

Farmers Who Have Had Experience in Both East and West Explain Why This Province is Far Better for Men Who Hope to Succeed—Letters Tell of Hardship in Western Town

Bishop Richardson's remarks in his address at the recent missionary congress with reference to the desertion of the farm lands in this province and the lack of enthusiasm and enterprise on the part of New Brunswickers caused considerable discussion among the delegates, and nearly all expressed hearty approval of his views. Two young men who have spent some years in other parts of Canada and have made agriculture their life work were particularly enthusiastic regarding what his lordship said of neglected opportunities.

Bedford Hart, registered from Jacksontown, Carleton county, with his father runs a big farm in that locality. Some years ago he went west and homesteaded a quarter section, making good his claim to the 160 acres. Then he rented the new farm and returned to New Brunswick and this is his testimony: "I am glad that I am running my New Brunswick farm this year," he said; "rather than my quarter section in Alberta for I believe my crops will be worth more in this province. Last year in what is considered the most fruitful part of Alberta south of the Bow river, there was not a bushel of oats raised in the whole township in which my land is situated, all killed by drought. This year in Northern Alberta, in the Hardisty section, Charles Richardson and family who went out from Newburg Junction, Carleton county, had all their wheat frozen on July 17, and the large acreage of grain was so absolutely useless that the farmers set fire to it in the stalk and burned off their fields.

"These are some of the things which must be counted when one is considering making one's home in the West." John Woods, from Welsford, Queens county, and for a time he was superintendent of a fruit farm in the Niagara district, following a course in the Ontario Agricultural College. He has been back in New Brunswick now for more than two years and is looking about for a suitable place to purchase. He has great faith in the fruit raising possibilities of the province believing that with the absence of pests and with the weather conditions to be relied upon, parts of this province cannot be surpassed.

"It is not very encouraging for a beginner in the Niagara peninsula" he said, "to be asked from \$20,000 to \$40,000 for a moderate sized farm and not less than \$100 an acre for uncleared, undrained land. There is no better life for a young man than for him to start on a farm in New Brunswick, within reasonable distance of a transportation facilities and markets."

Mr. Hart pointed out what the Carleton county farmers are losing by the defeat of reciprocity agreement. "I have figured as closely as I could," he said, "on my crop this year at prices paid by American buyers and at the prices offered by our local concerns, and find that I am losing not less than \$300. It was very amusing to me during the recent campaign to see some men shouting 'let well enough alone,' when their sons had left them to make a better living in Maine and in the West and they themselves had been spying out land with the object of bettering their conditions. Our one consolation is that these men, since the agreement has been defeated, are suffering with the rest of us."

Letters received in the city from people who have moved recently to a Western town indicate a very distressing condition of affairs in that much-boomed city. Coal, it is reported, is so scarce that many families are suffering and in order to save as much as possible, two or more families are making common cause, cooking and keeping warm with the same fire.

If some effort was made to collect information along these lines and send it out as an antidote to the "lying pamphlets" mentioned by the bishop, it is more than likely that the population of New Brunswick would increase more than 10,000 in ten years.

Was Bitten By a Tarantula

London, Ont., Nov. 23.—Miss Connor was bitten by a tarantula while picking bananas off a bunch yesterday, and for a time it was feared that the result would prove serious. The pain caused the most excruciating pain. The spider measured about four inches in diameter.

Children Injured

Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They may cause griping, nausea and other distressing after-effects that are frequently health-destroying.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy, which we know, for constipation and associate bowel disorders. We have such absolute faith in the virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Rexall Orderlies commonly completely relieve constipation, except of course when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition. Three sizes of packages, 10 cents, 25 cents, and 50 cents. Remember, you can obtain Rexall Remedies in Woodstock only at our store—The Rexall Store, Edgar W. Mair.

Meeting of the Presbytery

At a special meeting of the St. John Presbytery, Tuesday afternoon, Rev. Dr. L. M. Gibson, of St. Stephen's church, St. Stephen, accepted the call to St. Matthew's church, Montreal, after commissioners from both congregations had been heard. He will preach his farewell sermon in St. Stephen, Dec. 3rd, and take up his work in Montreal on the 7th. of that month. Rev. David Lang's resignation from St. Andrew's church was accepted. He will leave there after Dec. 3rd, and take up the assistant pastorate of Bloor street church, Toronto, January 1st. Rev. W. W. Rainie of Milltown, was named interim moderator in St. Stephen and Rev. Gordon Dickie in St. Andrews. Rev. J. H. A. Anderson was allowed to present an interim report as interim moderator of St. David's. He pressed for a ruling on his interpretation of the law re Rev. Dr. Morison, but owing to lack of evidence as to Dr. Morison's standing the court declined to give an opinion.

Russell, Ont.

KEEPING YOUNG

Oatmeal is Said to Ward Off Age—Often 20 Years

Two noted scientists, by experiments on animals, have proved that youthfulness depends on the thyroid gland. And that something in oats seems to feed that gland.

It appears that old age can be deferred many years by caring for this gland. The main care is to feed it, and the proper food is oats.

Oats contain more energy food, more food for the brain, more food for the nerves, than any other grain that grows. And now it seems that they also serve to keep one young.

But common oatmeal isn't good enough for such an important diet. The rich, plump grains alone are used in the making of Quaker Oats. They are selected by 62 siftings, and only ten pounds are obtained from a bushel.

Quaker Oats means just the cream of the oats made delicious. It costs but one-half cent per dish.
Made in Canada.

Wanted
