## LUNG TROUBLE

Promptly Relieved and Permanently Cured by Inhaling Catarrhazone.

Mrs. Biny Brown, of Tenecape, N.S., Was Cured by Catarrhazone of Lung Trouble and Catarrh, After Hundreds of Other Remedies Failed.

If your lungs are weak; if there is consumption in your family; if Colds, Catarrh, and Bronchitis bother you, be sure to use Catarrhazone. It is especially adapted for these diseases and cures every time.

Mrs. Brown took cough mixtures, but they made her sick. Then she used an atomizer, but, after resorting without benefit to poultices and numerous other remedies, she tried Catarrhazone.

"I used Catarrhazone Inhaler," writes Mrs. Brown, "five minutes every hour, and soon recognized that it was going to cure me. I could feel the soothing medicated air spreading through the air passages of the throat, and it touched the sore spots in the lungs that other remedies failed to reach. Catarrhazone seemed to go just where it was needed most, and soon put a stop to my cough. It restored me to perfect health, and I am convinced that no cough, cold, or catarrh can exist if Catarrhazone is used."

No treatment is so clean, so pleasant, so certain to cure as Catarrhazone. By means of the Inhaler, the local symptoms, such as coughing, inflammation, and congestion, are speedily corrected. Ferrozone tablets, which are taken after each meal, purify and cleanse the blood of all poisons, and build up and strengthen the system.

This local and constitutional treatment is always effective, and cures cases that have been given up as hopeless. Money can't buy or produce anything better, and to get cured it is absolutely necessary to use Catarrhazone.

The text of the Anglo-Japanese treaty was published in London last week. Considering that England is a nation without a tariff, and therefore has nothing to bargain, the concessions made by Japan to the British commercial and industrial interests are considerable. Japan has granted reductions varying from 12 to 30 percent upon a large number of British imports. Nevertheless the duties remain much higher than in the old tariff. Great Britain has broken down the obstacles to the lease of Japanese and by Britons, the treaty providing that the subjects of each Power are free to lease land in either country. The treaty is to be operative for twelve years from July 17 next, but provision is made that should either Power so desire it may abrogate this lease provision of the instrument on due notice.

## In Three Accidents

It would seem that Zam Buk, the famous healing balm we hear so highly spoken of everywhere, is particularly useful in the family circle. A report sent by Mrs. E. Davey, 786 Ellice Ave., Winnipeg, will illustrate this. She says: "My little boy of three, while playing, fell from a high verandah to the ground, cutting his forehead badly. Instead of calling a doctor who would undoubtedly have put in a number of stitches, I bathed the wound well, and applied Zam Buk. The little fellow, although suffering keenly, soon had relief from his pain. In the course of three weeks by applying Zam Buk daily, the wound was nicely healed."

"Since then I have also used Zam Buk for a boil which came on my cheek, and which proved very painful and looked unsightly. Zam Buk soon drew the boil to the head and it then quickly banished it."

Another time my baby was scalded on her left thigh and calf of leg with boiling water. Directly, it was done I thought to use Zam Buk, and spreading some on lint I wrapped up the baby's limb. Next morning she rested much easier and I applied a fresh bandage with Zam Buk. I kept this treatment up daily, and was rewarded by seeing a great improvement each time I dressed the wound. In a very short space of time the scalds were all nicely healed."

I cannot recommend this wonderful healing preparation too highly for family use, and I have such great faith in its healing powers that my house is never without a box.

For all skin injuries and diseases, piles, eczema, salt rheum and face sores, Zam Buk is absolutely unequalled. 50c box all druggists and stores or post free from Zam Buk Co. Toronto, for price. Try Zam Buk Soap too! Only 25c tablet.

"Shure," said Mike, "I didn't see it till it was out of sight." --'Ideas.'

## Cold on the Chest

Had Suffered for Weeks—Used Fourteen Different Remedies Without Effect.

CURED QUICKLY BY "NERVILINE"

No stronger proof of the wonderful merit of Nerviline could be produced than the letter of Miss Lucy Mosher, who for years has been a well-known resident of Windsor, N.S.

"I want to add my unsolicited testimonial to the efficacy of your wonderful liniment, 'Nerviline.' I consider it the best remedy for a cold, sore throat, wheezing, tightness in the chest, etc., and can state that for years our home has never been without Nerviline. I had a dreadful attack of cold, that settled on my chest, that fourteen different remedies couldn't break up. I rubbed on Nerviline three times a day, used Nerviline as a gargle, and was completely restored. I have induced dozens of my friends to use Nerviline, and they are all delighted with its wonderful power over pain and sickness. You are at liberty to publish this signed letter, which I hope will show the way to health to many that need to use Nerviline."
