## CAMPBELL'S CLOTHES

Cannot be excelled from an economic standpoint. Other clothes may cost considerably less. They may have the fit and style but will the saving in price be proved in the wearing value

There's a price below which good clothes cannot be made.

We do not know just how low that is—as we have not tried to make cheap clothes. The

*Campbell's Clothing*

idea is to give the maximum of fit, style and wearing value and charge an honest price for it
