**"Only 6 Weeks to Live"**  
Constipation, Biliousness, Indiges-  
tion, Rheumatism.

A Dying Woman Rescued Through  
the Timely Use of Dr. Hamil-  
ton's Pills.

"My doctor told me I had only six  
weeks to live—that nothing human  
could help me, but to-day I am hearty  
and well, because I took a long treat-  
ment with Dr. Hamilton's Pills—they  
saved my life."

Continuing her declaration, Mrs.  
Jamieson says: "I had from childhood  
been a sufferer from biliousness and  
liver complaint. I suffered excessively  
from wind and could not eat my food  
without feeling ill afterwards. Some-  
times I was so bad I couldn't stand  
up straight for the pain. The wind  
settled in my stomach, chest, and sides,  
and always caused blinding headaches.  
At times I seemed one mass of aches  
and pains—I became rheumatic because  
my blood was so poor. The benefit I  
received from the first box of Dr.  
Hamilton's Pills encouraged me, and I  
continued their use, three to five pills  
a week, for several months, and was  
brought to the most perfect condition  
of health."

If you suffer from constipation, flatu-  
lence, indigestion, palpitation, anaemia,  
headaches, nervousness, sleeplessness,  
depression, general debility, loss of ap-  
petite, liver and kidney trouble, acute  
and chronic dyspepsia, or any form of  
stomach and digestive weakness, you  
may look with certain hope for a com-  
plete cure by the use of Dr. Hamilton's  
Pills of Mandrake and Butternut. Safe,  
mild, and sure to cure. Price 25c per  
box, or five boxes for \$1.00, at all deal-  
ers, or The Catarrhzone Company,  
Kingston, Ont.

**Current Events.**

The plague has made its appear-  
ance in Java.

A severe earthquake shock in  
Murcia, Spain, on April 3 shattered  
many buildings, but so far as heard  
no lives were lost.

Nearly a thousand meeting were  
held in England on April 1 and 2.  
Councils representing ten thousand  
evangelical free churches adopted  
a resolution in support of the pro-  
posed treaty and welcoming the  
idea of American churches observ-  
ing 'Arbitration Sunday. Copies of  
this resolution were forwarded to  
President Taft and Sir Edward  
Grey, the British Foreign Secretary  
Arbitration was the theme of the  
sermons in most of the churches,  
and a great peace demonstration  
was held at the Whitefields Taber-  
nacle, where Lord Coleridge presid-  
ed. Mr Birrell, Chief Secretary for  
Ireland, was the principal speaker  
After quoting: 'There is a tide in  
the affairs of men, he said: 'To-day  
there is a great tide and peace wave  
rolling across the Atlantic. It ought  
to be taken at the flood. Referring  
at length to Chancellor von Beth-  
mann Hollweg's speech in the Reich  
stag, when he discussed disarmam-  
ent and international arbitration  
but without departing one iota from  
the well known standpoint of the  
German Government, often declar-  
ed on former occasions, he said  
that though in his opinion it was be-  
low the grandeur of the theme, yet  
it contained passages of hope.

The sixty second Congress ass-  
embled in special session at Wash-  
ington on April 4, and though call-  
ed specially by President Taft for  
the purpose of ratifying the recip-  
rocity agreement between the Unit-  
ed States and Canada, the newly  
elected Speaker, Mr Champ Clark,  
while outlining a comprehensive  
programme that included nearly  
every issue before the country,  
made no reference to the only sub-  
ject for which Congress had been  
called. However, to forestall ac-  
tion by the Democrats Represent-  
ative McCall of Massachusetts in-  
troduced the reciprocity bill which  
was passed by the House at the last  
session but which failed to pass the  
Senate.

The work on the Veto bill, designed  
to restrict the powers over legisla-  
tion of the House of Lords was begun on April 3  
with the opening of the committee stage  
in the House of Commons. The debate  
will be long and keen. Already more  
than 1,000 amendments, occupying seven  
ty four printed pages, have been prepared  
and are bound to result in heated discuss-

ions and protracted sittings. It is the  
intention of the government to send the  
measure to the Upper Chamber by the  
middle of May, but veteran members of  
Parliament doubt the possibility of this.

Baron d'Estournelles de Constant, rep-  
resentative of France at The Hague  
Peace Conference, in an address before  
the San Francisco City Club, referring to  
conditions in California, said: 'But there  
is a storm hanging over your heads, a bat-  
tle that threatens destruction of all this  
loveliness, and it is of this. I have come  
to warn you. Japan does not want war  
any more than you do, but may be forced  
into it by a force of circumstances that  
seems to be involving you both. Let me  
tell you that Japan does not want war  
with you or any other country, and never  
will there be a war between this country  
and Japan unless it is stirred up by ignor-  
ance in both nations.'—World Wide.

**\$100 Reward, \$100**

The readers of this paper will be pleased to  
learn that there is at least one dreaded dis-  
ease that science has been able to cure in all  
its stages and that is Catarrh. Hall's Catarrh  
Cure is the only positive cure now known to  
the medical fraternity. Catarrh being a con-  
stitutional disease, requires a constitutional  
treatment. Hall's Catarrh Cure is taken in-  
ternally acting directly upon the blood and  
mucous surfaces of the system, thereby des-  
troying the foundation of the disease, and giv-  
ing the patient strength by building up the  
constitution and assisting nature in doing its  
work. The proprietors have so much faith  
in its curative powers that they offer One  
Hundred Dollars for any case that it fails to  
cure. Send for list of testimonials.

**APRIL**

**ROD AND GUN**

All anglers will heartily welcome  
the April issue of Rod and Gun in  
Canada, published by W J Taylor,  
Limited, Woodstock, Ontario. As usu-  
al this number heralds the approach  
of the fishing season and gives all  
those who have waited patiently for  
a renewal of their pleasures with rod  
and line, added joys of anticipation of  
the good time now so near. A beauti-  
fully illustrated article of a camping  
and fishing trip on the French River  
is followed by an equally good ac-  
count of a similar outing in Prince  
Edward Island, the gem of the Gulf  
of the St Lawrence. Many other good  
things are to be found in the same is-  
sue and sportsmen who may not be  
able to join in all the laudations of  
fishing with the same enthusiasm as  
the devoted angler will find that they  
are not overlooked. There is some-  
thing to suit all and if the angler is  
for the time, the most favored, the  
hunter knows his turn will come and  
can in the mean-time find much that  
is of particular interest to himself.  
Sportsmen never fail to find some-  
thing to suit their tastes in each issue  
of Rod and Gun.

**Stops a Cough  
In One Night**

**The Story of Sufferers from  
Bronchitis, Asthma, and Ca-  
tarrh Proves the Value of  
Catarrhzone.**

A cough may be Catarrhal with a  
dry tickling in the throat, it may be  
accompanied by partial stoppage of  
the nostrils and shortage of breath.  
Often there is a gagging in the throat,  
and every cough tears and hurts.

Coughs have a hundred different  
causes; yours may be due to any of  
the following:

- Asthma
- Exposure
- Enlarged Tonsils
- Inflammation
- Stomach Disorders
- Inflamed Throat
- Bronchitis
- Pneumonia
- Croup
- Pleurisy

The one remedy upon which physi-  
cians are relying to-day is Catarrh-  
zone. It removes the cause of the  
cough, doesn't smother it. Catarrh-  
zone is a soothing, healing, "direct  
cure," and cures the conditions that  
cause the cough.

It's simply wonderful to think how  
quickly a bad throat or catarrh can  
be cured with Catarrhzone. Its rich  
balsamic vapor is carried along with  
the breath to the innermost recesses  
of the lungs, bronchial tubes, and  
chest, making it impossible for the  
germ of any disease to live. Thus  
soreness in the chest is at once allevi-  
ated—phlegm is loosened and ejected  
from the throat, old standing coughs  
are removed.

Large size, guaranteed, costs \$1.00,  
and lasts two months; smaller size  
25c and 50c. By mail from the Ca-  
tarrhzone Co., Kingston, Ont.
