

Red Rose Tea stands alone in its sterling quality. Its reputation has been earned by sixteen years of uniform goodness. No other tea even pretends to be better. Some may claim to be "as good" but why take a substitute when the price is the same as Red Rose

Prices: 30c., 35c., 40c., 50c. and 60c.

DRIED FRUIT PRICES.

All kinds of dried fruit have advanced to hitherto unheard of prices on the local market. It is hardly possible at the present time to get evaporated apples. The last sold on the local market brought fourteen cents a pound, but any that might be offered for sale now would bring a very much larger figure. Evaporated peaches have advanced from eleven cents to twelve cents a pound. Raisins are also higher in sympathy with other kinds of dried fruit. As yet there is little change in quotations for raisins, but it is expected that they will be higher for next season's goods.

The flour market is unchanged, although wheat still maintains its strong position.

Pork and beef are both a little easier, and Egyptian onions have declined from one quarter to one half a cent a pound. Dried codfish has slumped fifty cents a hundred pounds, and it is likely that it will go down still more in the near future.

INDIGESTION RIGHTLY

CURED STAYS CURED

Not by Treating the Symptoms but by Toning up the Stomach to do Nature Work

Indigestion should not be neglected for by depriving the body of its proper nourishment it grows steadily worse. Neither stimulating medicines, which ruin the already weak stomach by making it work beyond its strength, should be used, nor pre digested foods, which do not excite a flow of the digestive fluids, and by disuse cause the stomach to grow weaker. Nowhere is the tonic treatment with Dr Williams Pink Pills more clearly useful. Its principle is to enable the stomach to do its own work by building up the blood and giving tone to the nerves. When these are once more restored to their normal health indigestion disappears and the cure permanent. In proof of these statements we give the experience of Mrs Paul Gannon, Star City, Sask, who says; For more than a year I suffered with all the terrible pains of indigestion, and my life was one of the greatest misery. It did not seem to make any difference whether I ate or not, the pains were always there often accompanied by a severe bloating and a belching of wind I did not even get relief at night, and sometimes hardly got a bid of sleep in my misery. I tried many remedies said to cure indigestion, but they did me not one particle of good and I fully expected that I would always be afflicted in this way. At this time my brother came home on a visit and he urged me to try Dr Williams Pink Pills and got six boxes for me. By the time I had taken four boxes I began to improve and could eat with some relish I was greatly cheered and continued taking the Pills until all traces of the trouble had disappeared and I could once more eat all kinds of food without the smallest inconvenience. We have since used Dr Williams Pink Pills in our family for other troubles I am so firmly convinced of their future as a family medicine that I have no hesitation in recommending them to all weak, ailing people.

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr Williams Medicine Co, Brockville Ont.

BOAT CAPSIZED 30 LIVES LOST.

Antwerp, Belgium, May 13.—A news dispatch reports the capsizing of two barges laden with Belgian soldiers during a storm on the Lualaba river, one of the head streams of the Congo. Thirty lives were lost.

CANADIAN ATHLETES TO GO TO ENGLAND

Toronto, May 11.—The president of the Amateur Athletic Union of Canada has received a telegram from the Deputy Minister of Agriculture, Ottawa, stating the government had authorized the grant to send a team of Canadian athletes to the Festival of Empire sports to be held at London during the Coronation period. Teams from Australasia, South Africa Canada and Great Britain will meet at the Crystal Palace grounds on the following date; June 24 to July 1. There will be one athlete from each team in each event.

That the potato acreage in Central Maine will be cut 50 per cent is the opinion expressed by a prominent grange official. He gave as the cause for the reduced acreage the fact that the farmers had two years in succession when potatoes were sold at little or no profit and that the number of bushels held until the high prices of this spring drew them into the market, was so small, that few of the producers covered the losses of the fall and early winter.—Bangor News. Aroostook farmers are not so easily discouraged, and practically as many acres will be planted this year as in 1910.—Aroostook Republican

That the French Protestant vote in Quebec is no longer a negligible quantity was the declaration made at the Presbyterian Synod of Montreal and Ottawa at Perth, Ont., Wednesday. It was also declared that French Canada, like old France, was slowly but surely drifting away from Catholicism. "By the B N A Act the Quebec courts have no right to deal with such a case as the mixed marriage recently nullified," said Rev Dr McDougall, moderator of the synod.—St. John Globe.

NEWCASTLE HOTEL GUTTED BY FIRE.

Newcastle, N B, May 14.—The commercial Hotel, occupied by Michael Kane, caught fire at 3 o'clock this morning in the third story. The upper part of the hotel was gutted by fire and the first and second stories pretty well ruined by water. Several boarders lost their trunks and clothing. The absence of wind saved many other buildings from catching. Mr Kane's loss is heavy with only slight insurance.

ANOTHER SENSATION IN THE EDMUNDSTON FERRY TRAGEDY

Edmundston, N B., May 12.—A sensation was created here to day by the arrest of Thomas Daigle on a charge of having caused the death by drowning of the six persons who perished in the ferry accident on May 1. Daigle himself who was running the ferry at the time the cable broke and the scow was swamped, had a narrow escape from drowning in the swift running stream.

After the accident an examination was made of the cable, and it was found to be in a rotten condition. At the point where it broke, there were only five strands of the wire intact at the time of the accident.

As a result of this examination, a warrant was sworn out for the arrest of Daigle a day or so ago; but as Daigle has been living on the American side the authorities decided to take no action until he visited this side.

This afternoon he came over, and was promptly arrested, and lodged in the jail. The news of his arrest caused considerable excitement, but owing to the disclosures made in regard to the rotten condition of the cable, little sympathy is felt for him.

Pending criminal action against Daigle it is understood the Public Utility Commission may be asked to make an investigation into the causes of the accident.

Mr and Mrs Clowes Phillips of Cranbrook, B C, Miss Florence Phillips of Hackensack, N J, and Mrs (Dr) Neviers and daughter, of Houlton were here to attend the funeral of the late Allan Phillips. While in town they were the guests of Mr and Mrs C P Phillips.

Mr and Mrs P Barter and son spent Sunday in town the guest of Mr and Mrs D W Kyle.

FIRE IN HOULTON

What might have been a serious conflagration early Monday morning May 8th, was averted by the able and efficient work of Houlton's crack fire department, and the absence of the wind which had prevailed for the past week.

An alarm was rung in from Box 32 at 2.20 A M., and the fire was found to be in the Nickerson Block on Main street, in the tenement occupied by Mrs Fowler as a boarding house.

The origin of the fire is unknown, but it started in the kitchen of the boarding house and owing to the fact that the man who pulled the alarm did not remain at the box to direct the firemen where the blaze was, some delay was occasioned, but in an incredibly short time, Chief Webber and his assistants seeing that it would be a bad fire, soon had ten streams of water on the fire from all sides.

Owing to the inability to reach the center of the building, the fire soon worked into the Burnham building and in addition to burning the roof also burned some on the third floor. The Dalton Barber shop and other tenants in this section were somewhat damaged by water.

The loss on the Burnham building was \$3,000 and household furniture \$1,500 with \$3,000 insurance. The loss on the Nickerson building was \$6,000 with no insurance. Hamilton & Clark Co's loss covered by insurance, from water damage.

Nathan Weston, Dry Goods, loss covered by insurance.

Frank B'ethen moved most of his stock, and his loss is covered by insurance.

Mrs Fowler's loss is \$1,500 with \$500 insurance and many of her boarders lost all of their belongings. The all out was founded at 8 p m.—Aroostook Times.

SERIOUS ACCIDENT.

William W Brayall, of Tilley, was quite seriously hurt early Saturday evening May 6th, when a colt he was driving home he came frightened by a train on the Tobique branch, ran away, throwing him to the ground. The train was a special bound for Perth and met the team near the home of T Burgeois. When the engineer blew the whistle for the crossing the cold reared on his hind feet and whirled quickly. Mr Brayall was taken by surprise and was thrown out receiving a nasty cut near the temple on the left side of his face, and severe wounds to his body. He was taken to the home of Charles Lovely. Dr Peat who was summoned, sewed up the cut with a half dozen stitches.

The horse continued towards Perth at a mad run, partly demolishing the wagon. The train stopped on the crossing opposite Anderson Bros shop to block his path but a number of men who saw the animal racing to wards Perth had already stopped him. Mr Brayall was able to proceed home Saturday night.—Victoria County News.
