MRS W H SIPPRELL.

Mrs Jennie E Sipprell died on March 16 of pneumonia after an illness of ten days. Deceased was born in Jacksontown Nov 10, 1857, and was the youngest daughter of Beverly and Hannah E. tey, and is survived by her husband, W H Sipprell of Somerville and four sisters. Miss Elizabeth Estey of Brookline, Mass., Mrs John Hopkins of Jacksontown, Mrs E. ta Churchill of Amesbury, Mass., and Mrs Mary Kitchen of Presque Isle, Me., besides a large circle of relatives and friends who keenly feel the sorrow that has come into their hearts and lives, especially the husband and children to whom she was a true and faithful wife and mother. By her unselfish life and devotion she won the love and respect of the children entrusted to her care, and in whom she took the interest that only a mother could take. The United Baptist church of Hartland of which she was a member has lost one of its sincerest worshippers; the community has lost a kind neighbor and friend, who during the few years lived in their midst, proved the integrity and loyalty to the God she loved, and the religion of Jesus Christ. Her influence will long be felt, and her memory cherished by those who knew and appreciated a true child of God, who was ever ready to administer to the works of others. "There fore for me to live is Christ, but to die is gain."

Mrs Sipprell was buried from her late residence in Somerville, Saturday, March 18, where impressive services were conducted by her former pastor, Rev J A Cahill, assisted by Rev S W Schurman, pastor of the Hartland U. B. C. The choir rendered appropriate music and interment took place at Jacksontown in the family cemetery. The family extend their sincere thanks for the tributes of respect and sympathy shown in this their sad affliction.—Hartland Observer.

ARCHBISHOP OF CANTERBURY TO CROWN KING AND QUEEN

(Canadian Press)

London, March 26—King George has decided that the Archbishop of Canterbury shall crown the queen as well as him, next June. This is in accordance with the precedent of the early times, practically the only exception being at the coronation of King Edward, when Queen Alexandra was crowned by the Archbishop of York.

There was no sermon at the coronation of King Edward, the services having been specially shortened owing to the fact that the king had not completely recovered from a serious illness, but at the approaching coronation the sermon will be preached by the Archbishop of York.

King George is gaining in popularity daily by his determination he is showing to obtain an insight into the everyday life of his people.

Last evening the king, accompanied by the queen and Princess Mary paid a surprise visit to the new general post office and spent two hours investigating its immense ramifications.

The king and queen sent cordial greetings to the European capitals and witnessed with interest the replies coming over the wires.

The mineral output of Canada for the year 1910 was \$105,048,958. This was an increase of \$13,200,000 since 1909. New Brunswick cuts a very poor figure as a contributor to the industrial wealth of the Dominion. Its figure for 1910 was only \$585,800, while Nova Scotia went to \$14,054,000. Nova Scotia is ahead of Ontario in its total results, for Ontario's figures are \$13,000,000. British Columbia leads all with \$24,500,000. Of the precious metals silver leads with \$17,000,000 Gold gives \$10,000,000. Coal is the most valuable mineral, for it yielded \$29,800,000.—St John Globe

MRS CHAS EVERITT

Another very painful shock spread through the community at St Andrews on Thursday the 16th inst, when it became known that Mrs Charles S Everitt had passed away. Although Mrs Everitt's very many friends knew for some time that she was suffering from a malady from which death could be the only release yet it was fondly hoped that she would have been spared for many months longer. Although at times a great and most brave and patient sufferer the end came painlessly, in peace, perfect peace, and like a child she fell asleep in the arms of her Saviour. Mrs Everitt was a woman of exceptionally strong personality, possessed of many rare and noble qualities of heart and mind, and was foremost and untiring in all works which had for their aim, christianity, charity and benevolence or the betterment in any way of the temporal condition of the community. She was a daughter of the late A W Smith for many years editor of the St Andrews Standard. She was born in St Andrews and, with the exception of a few years spent all her life in her native town, for which she held a very strong attachment. The bereaved husband, with his two sons Herbert and Douglas, have the fullest sympathy not only in this community, but of the very many friends of Mrs Everitt everywhere. Mrs Everitt is also survived by three sisters Miss O tie Smith of Truro, N S Miss Eliza Smith of St Andrews and Mrs N D Hooper of Boston also three brothers George Melville and E A Smith of St John. The funeral services were conducted on Tuesday afternoon at the home Maplehurst on Edward Street by Rev A W Mahon pastor of Greenock church in the presence of a very large gathering assembled to pay their last token of respect to one who in life was greatly beloved.—St Croix Courier.
