Choral Society Concert

A large and appreciative audience attended the concert given by the Woodstock Choral Society in the Hayden Gibson Theatre, Tuesday evening June 11th. The 67th Batt. Band was present and rendered several selections which called forth loud applause. There is a decided improvement in the band since Prof. Herrick has taken charge. The selections of the chorus under the leadership of Dr. Baker were rendered in a finished manner, and showed careful training, especially the selection from the Creation "The Heavens are Telling". Ralph Herrick gave a cornet solo, arranged by himself, which was loudly applauded, and for which he had to respond to several encores. Mrs. Geo. W. Gibson sang a solo "Crossing the bar," and she also had to respond to an encore. There were selections from a double trio and a male quartette which were a pleasing feature of the program. The accompaniments for the chorus were played by Mrs. E. W. Mair, the pianist of the society, and Miss Maude Henderson accompanied the soloists.

Fredericton Mail

Mr. Paul Gilmore in "The Havoc"

Theatregoers have a chance to see what is regarded by every critic in the city as a masterpiece of dramatic writing and acting. Reference is made to "The Havoc," which Mr. Gilmore and a superb company will present at the Hayden Gibson Theatre, Mon. July 1st. The acting of Mr. Paul Gilmore and members of his company is declared to be the final word in the matter of technique and sincerity. The play itself absolutely startles one by its gripping heart interest. Though of serious nature and thoroughly worked out from beginning to end, it is lightened with as fine comedy as one cares to witness. All told the play and company offer a superb opportunity which no theatre-goer should be allowed to miss. This is the verdict of every critic, not only in this but in other parts of the country.
