Household Hints

ENGLISH TEA BISCUITS.

To 1 cup hot mashed potato add 1-2
cup sugar and 1 yeast cake dissolved in
1-2 cup lukewarm water. Cover and let
rise; then add 1-2 cup each of butter and
sugar, 2 eggs well beaten, 1 teaspoon of
salt and 3 1/4 cups flour. Knead, again
let rise, shape, let rise, brush over with
sugar and bake in a moderate oven. Add,
if liked, 1-2 cup raisins cut in pieces, or
currants.

POTATO PUFF.

Prepare two cups hot mashed
potatoes. Add half cup milk, two
well-beaten yolks, two tablesp o s
butter, pepper and salt to taste.
Beat well, add beaten whites of
two eggs. Pile lightly in butter-
ed baking dish and bake in quick
oven until puffed and brown.

OPERA CARMELS WITH FRUIT

Put 2 cups light brown sugar
and 7-8 cup cream into a sauce-
pan, bring to boiling point and let
boil until it forms a soft ball when
tried in cold water. Turn onto a
marble slab, cool slightly, then
stir with a spatula, until creamy.
Add 1-2 cup raisins, spread in a
pan, let stand until cold, then cut
in squares on marble slab.

BLACK SATIN STOCK COLLARS

Black satin stocks, which have
been out of date for several sea-
sons, are with us once more, and
they are seen in a great variety
of styles. A straight collar, or
one made of folds of the material,
may be trimmed with tabs, crossed
loops, a four-in-hand tie, or mere-
ly buttons, or it may be finished
with a flat pump bow. The lit-
tle turnover collars of lace or em-
broidery formerly seen on such
stocks are not used now, though
they may come in later. Some of
the black satin stocks have a space
of about two inches in front made
of white lace, set in transparent
with a lace jabot below. Black
satin collars, either high and rol-
ling or flat and round are very much
used with a white jabot. Some-
times the jabot consists of an inch-
wide band of black satin, with a
pleating of white or cream lace
on each side in length reaching to
the waist. Similar jabots are
made in shorter lengths, the pleat-
ing being brought in a point
around the lower end, the central
band being either satin or velvet.

COFFEE STAINS ON LINEN.

To clean coffee-stained linen soak in
cold water to which has been added a
little borax. All coffee, chocolate, tea
and fruit stains will disappear if boil-
ing water be poured over and through
the spot before the linen is washed. It
is best to do this while the stain is
fresh and damp.

TWENTY SIX-FOOTERS

A Startling Example of How Oats
Create Height
Archdeacon Sinclair, in advising boys to
eat much oatmeal, said this: "Among my
brothers and my father's brothers and
sisters there were 20 six-footers, all brought
up on oatmeal."
Oats contain more body-building food,
more brain-building food, more nerve-build-
ing food than any other grain that grows.
No other item in all human diet compares
in importance with oats. Nothing else
creates so much energy.
But thousands of people buy this food
carelessly. They accept oatmeal made
from oats as they run—the plump and the
small, the rich and the worthless.
Quaker Oats is made from the cream of
the oats, selected by 62 siftings. Only ten
pounds in a bushel are good enough for use
in this food. The result is a richness and
flavor that all enjoy, and the maximum
value as food.
"Yet Quaker Oats, despite its quality, costs
but one-half cent per dish. Does it pay to
take something inferior?
Made in Canada.

Indigestion

If you are suffering from indigestion
and the attendant distressed stomach,
you should give Mi-o-na, the guaranteed
remedy a trial. Mr. William Shafer of
230 Queen's St. S., Berlin, Ont., says:
"For years I have been a sufferer from
acute indigestion, which caused the
most distressing pains in my stomach.
I decided to try Booth's Mi-o-na Tablets
and they have done me more good than
anything I have ever used, I am now
more free from this trouble than I have
been for years. I am pleased to endorse
and recommend this remedy to all who
suffer with stomach trouble."

Remember Mi-o-na Tablets are guar-
anteed to cure acute or chronic indigestion
and turn the old stomach into a new
one in a few weeks. All druggists 50c.
a box or postpaid from The R. T. Booth
Co. Ltd., Fort Erie, Ont. Sold au-
thorized E. W. by Mail.

TARLECLOTHS BUTTONHOLD.

It is now quite the proper thing to
have one's tablecloths scalloped and
buttonholed instead of hemstitched, as
formerly.

A SEWING HINT.

Should a sewing-machine needle stick
in sewing heavy cotton goods, rub the
line or stitching to be done with a bit
of rather dry soap.

Hints For Housewives.

If the teapot becomes musty,
put a lump of sugar in it before
putting it away. It will smell
sweet when you want to use it.

If after peeling onions one peels
a raw potato the odor of the on-
ions will entirely disappear from
the hands.

Do not starch linens. To give
the garment the much desired
stiffness, iron it while it is damp
and until it is perfectly dry.

It is said that if common table
salt is added to gasoline, spots can
be cleaned on silks or other del-
icate fabrics with out leaving a
ring.

All the boxes on the top of the
pantry shelf should have labels on
the end telling the contents of the
box. This saves a great deal of time
when you are hunting articles.

Linings for clothes baskets
insure the clothes being kept clean.
These linings are of unbleached
muslin, just the shape of the bas-
ket, and tied into place with tapes.

NICE MIXTURE.

Disraeli appears to have been
endowed with a most accommodat-
ing digestion. When he visited
Spain in 1830 he wrote his mother
growing accounts of "the most
agreeable dish in the world—an
olio. I will explain it to you, for
my father would delight in it.
There are two large dishes, one at
each end of the table. The top
one contains bouilli beef, boiled
pork sausage, and black pudding.
The other is a medley of vege-
tables and fruits, generally French
beans, caravanseras, and whole
peas. Help each person to a
portion of the meats, and then to
the medley. Mix them up in
your plate together and draw
them in tomato sauce. I have
eaten this every day; it is truly
deightful."

GOOD SCHEME.

"Out at my uncle's the people go to
bed with the chickens."
"Well, at the price chickens sell at
now they are certainly worth watch-
ing."

**WOODSTOCK WOOD-WORKING
COMPANY, LIMITED,**

MANUFACTURERS OF

**Doors, Sashes, Blinds, School Desks,
Sheathing, Flooring and House Finish of
all kinds**

We employ a first-class Turner, and make a specialty of Church
stair and Verandah work. Call and see our stock or write for prices
before purchasing. All orders promptly attended to.

THE QUEEN TOP DRAFT STOVE

he Queen is the ONLY Air-Tight Heater Made

A Fire in Half the Time
A Fire All the Time
A Saving of 25 to 50 Per Cent
of Fuel

**Come and see it at
Our Store**

See that Vertical Hot Blast Draft
Tube Feeding the Fuel with Hot Air
All the Time

THE QUEEN HEATER is more
of a heating machine than it is a
stove. It can be regulated like a
lamp. You can have your room
any temperature you wish. You
positively keep a slow fire burning
24 hours by putting in one large
stick or knot. Will heat a room
20 feet square in ten minutes in
cold weather, or no sale.

Absolutely AIR-TIGHT and the
cleanest stove in the world. No
opening of any kind. Will save
half the fuel of the average stove
Burns large knots, chunks, chips
and trash.

**PARLOR STOVE—Best in the
world.**

**SITTING-ROOM STOVE—Be-
cause one fire can be run all winter**

**BEDROOM STOVE—The finest
thing in the world.**

**DINING-ROOM STOVE—Be-
cause you heat your room in ten
minutes.**

The Queen Top Draft Stove is only sold by
W.F. Dibblee & Son.
