A Superb Showing Of Holiday Gifts.

Few dealers take the pains in selecting holiday goods that we do. For months we have been studying the markets, getting pointers as to where and what to buy. As a result we believe that our stock affords more really satisfactory gifts than any at your command. Probably the most distinctive thing about our stock is that everything is of worthy quality—is worth giving.

The Assortment Is Endless

In extent and variety our stock far exceeds anything ever seen here before. Our assortment provides an almost limitless selection of desirable gifts. To attempt a description of the various lines in this space would be doing them an injustice, and we prefer to have you see them than to try to tell you about them.
