## Titanic Enquiry Concluded Today

London, July 3rd.—The Board of Trade inquiry into the Titanic disaster concluded to-day, when Lord Mersey, the presiding judge, without setting a definite date, announced that its report would be produced within a "reasonable time."

Sir Rufus Isaacs, the Attorney General, in his closing speech, said he had been anxious to find, if possible, an excuse for Captain Lord, whose evidence was unsatisfactory.

Lord Mersey suggested that if Captain Lord saw the signals of distress and did not go to the relief, he was possibly guilty of a misdemeanor.

Sir Rufus Isaacs—"That is so under the Merchants' Shipping Act."

Sir Rufus Isaacs added the conclusion was irresistible that the Californian might have gone to the Titanic in time to save her passengers, and concluded by asserting that utterly unnecessary risks had been taken by the Titanic, and that the causes of the disaster were a bad lookout and excessive speed.

During the thirty-six sessions of the court of inquiry, ninety-eight witnesses have been examined and 22,631 questions put to them.

## Canadian and West Indian Trade

### Reciprocal Arrangements Made

Ottawa, July 1.—Hon. J. D. Reid, acting Minister of Trade and Commerce, to-day through arrangements with the home government, made public the reciprocal tariff agreement entered into last April between the Canadian government and a number of the islands in the British West Indies. Briefly, the agreement provides for a preference of 20 per cent of the existing rates of duty upon a large number of articles specified in a schedule and text with a minimum preference in the case of flour and sugar.

It is agreed between the government of the Dominion and the governments of Trinidad, British Guiana, Barbados, St. Lucia, St. Vincent, Antigua, St. Kitts, Dominica and Montserrat, that:

1. On all goods enumerated in schedule A, being the produce or manufacture of Canada imported into any of the above mentioned colonies, the duties of customs shall not at any time be more than four-fifths of the duties imposed in the colony on similar goods when imported from any foreign country. Provided that on flour the preference in favor of Canada shall not at any time be less than 12c. per 100 pounds.

2. On all goods enumerated in schedule B, being the produce or manufacture of any of the above mentioned colonies, imported into Canada, the duties of customs shall not at any time be more than four-fifths of the duties imposed on similar goods when imported from any foreign country; provided:

A. That on raw sugar not above No. 16 Dutch standard, in color, and molasses testing over 56 degrees and not over 75 degrees by the polariscope, the preference in favor of the colony shall not at any time be less than four and a half cents per 100 pounds and for each additional degree over 75 degrees the preference shall not be less than half a cent per 100 pounds.

(B) On all goods enumerated in schedule C hereto, being the produce or manufacture of any of the above mentioned colonies, imported into the Dominion of Canada, there shall be no duties of customs; but on the like goods, when imported from any foreign country, the duties of customs shall not be less than those therein set out.

(C) The act of the parliament of Canada entitled "an act respecting duties of customs" assented to on the 12th day of April, 1907, as amended by Chapter 10 of the acts of the Parliament of Canada 1909 shall in addition to the amendments necessary to give effect to the foregoing provisions of this section be amended as follows:

1. Tariff item 135 C to be repealed.  
2. Tariff item 137 A to be repealed.  
3. So as to provide that upon arrowroot, the produce of any of the said colonies imported into Canada, the duties of customs shall not exceed fifty cents per 100 pounds.

(D) It is understood that the Canadian customs tariff item 135 B shall not be affected by section 2 of this agreement before the end of December, 1914 when the said tariff item expires and that the said tariff item shall not be thereafter continued while this agreement is in force. It is also understood that in determining the rates of duty payable on goods under said section 2 the rates provided for in said tariff item 135 B shall not apply.

2. The concessions granted under section 2 by Canada to any of the above mentioned colonies shall be extended to

6. Provided that should the discretion herein granted be at any time exercised by the government of Canada, provision shall be made in all contracts entered into with steamships subsidized by the Dominion plying between ports in Canada and ports in the colonies, which are parties to this agreement, for an effective control of rates of freight.
