Floating Ice Seen Near Cape Henry

Baltimore, Md., June 15.—The unusual report made yesterday by Capt. L. Mure of the British steamer Valetta, of having sighted floating ice within less than a day's run from Cape Henry, was the subject of considerable comment in marine circles here to-day, the presence of the ice so far south at this season being an extremely rare occurrence. According to the log of the Valetta, about midnight on June 11th, in latitude 37.30 north, longitude 74.24 west, approximately 100 miles northeast of Cape Henry, three pieces of ice, the longest about 200 feet and somewhat higher than the Valette's decks, were seen at a distance of a quarter of a mile. The weather was clear.

Marriage Judgement is Given

Ottawa, June 17.—The supreme court this morning gave judgement on the marriage case referred to them by the government and rising out of the Lancaster marriage bill last season.

The supreme court decided that parliament has not authority to pass the Lancaster bill, which means that jurisdiction is entirely with the provinces.

The court also declares that the law of Quebec does not render null and void any mixed marriages whether performed before a Catholic priest or Protestant clergyman.

The government will immediately appeal to the privy council from the judgement rendered.

Six Thousand Butcher Shops In New York Are To Be Closed Tomorrow

New York, June 17.—A trade organization recently formed by 6,000 Kosher butchers in greater New York, to combat the increased wholesale prices of meats, today ordered all its members to close their shops tomorrow, as a spectacular protest against the wholesaler's exactions.

In this way it is expected that the meat supply of more than 300,000 persons will be cut off and the wholesale dealers will be left with an immense quantity of meat on their hands.

More than 2,000 kosher butchers will be driven out of business by the end of June, it is declared, unless the price of meat is lowered.

Says President Taft Will Be Renominated

Chicago, June 15.—After a careful review of the political situation William Barnes, Jr., the New York State chairman, asserted that President Taft would be nominated on the first ballot. "The President will have 555 delegates on the first ballot," he said "Roosevelt will have only 468. I am confident that these figures will represent accurately the first nominating vote in the convention."

Mr. Barnes was asked if he would conduct the campaign in New York as state chairman if Colonel Roosevelt were nominated. "There is no question about that," he replied, "Roosevelt will not be nominated."

Mrs. E. H. Ganong

Mrs. E. H. Ganong, who had been in poor health for seven months, died at her home in Choteau last Thursday afternoon at 6.30 o'clock. Her death was expected, it having been known for some time that she could not recover.

The funeral was held Saturday at 2 o'clock p. m. from the Methodist church with Rev. Heizer in charge, and was one of the largest ever seen here. There was an unusual number of beautiful floral offerings. Kenneth McKenzie, Alex Truchot, E. J. Hirshberg, P. H. Crossen, E. A. Savory and W. D. Jones acted as pall bearers. The remains were laid to rest in the Choteau cemetery.

The sympathy of the entire community goes out to the bereaved husband and little son.

Annie G. Ganong was born twenty-six years ago near the city of Anaconda, in Deer Lodge county. At about the age of fourteen she united with the Methodist Episcopal church at Columbia Falls, Mont., her parents having moved to that place, and became an earnest worker in the church and Sunday school, continuing as such until ill health prevented. She transferred her membership from Columbia Falls to the congregation in Choteau after her removal to the latter place, which occurred upon her marriage to E. H. Ganong on Oct. 20th, 1909.

Although in poor health for several years, her condition was not considered dangerous until seven months ago, when she was taken to Great Falls, later to Rochester, Minn., and thence to Chicago. The best of medical and surgical aid was secured, but all to no avail. She returned home May 7, and death claimed her May 23 at 6.30 p. m.

To mourn her loss, she leaves behind her husband and little son, Thomas Edward, age 18 months, her parents, Mr. and Mrs. Jonathon Loeffler, of Columbia Falls and four sisters and two brothers, as follows: Mrs. Glen Phillips, of Saskatchewan, Canada; Mrs. E. D. Anderson and Mrs. E. A. Woods, Dupuyer, Mont.; Miss Barbara Loeffler, Columbia Falls; and G. F. and John Loeffler, Jr., both of Columbia Falls.

Mrs. Ganong's disposition was affectionate, constant and true. Her affection for her husband and child grew each day. She died firmly trusting in God and putting herself entirely in His hands. She made a host of friends, and to know her was to love her. It may truly be said that the world was made better by her presence.

A Perfect Digger

A Few Good Reasons Why The Little Giant Digger Excels.

Great Strength because perfectly proportioned—Light Draft, by reason of scientific design of hitch—Leverage System direct and easily manipulated—Truck Wheels, large size, and automatically turned—Vines and Trash deposited at side of row—Potatoes not bruised but are thoroughly separated from soil—Main Wheels set close to frame, do not run on the next row—Chain Driven, no gears to wear out—Light Enough for Two Horses and strong enough for four horses—Elevator Web Capacity sufficient for heaviest rows, being 22 inches wide and 7 feet long—Main Sides of Frame are moulded in one piece to secure a rigid frame.

The Little Giant Potato Digger took the lead in Aroostook County last year, not only in the number sold but in the superior quality of its digging power as well. Many farmers, after seeing it work discarded machines they had used but a few seasons and bought the little Giant, not only on account of the superior work done with this machine, but on account of its light draft, being easily handled by two horses, and as we consider the farmers of Carleton County entitled to just as good machines as our neighbors across the Line, we have secured the agency for the Little Giant and will be pleased to show you this machine and quote prices. Call at our warehouse or send for circulars.

RECEPTION.

Strathcona, Alberta, May 23rd 1912—Yesterday afternoon from four o'clock till after six a constant succession of people came to greet Mrs. H. R. McGill (nee Miss Evangeline Kinney) who was holding her post nuptial reception at the Baptist parsonage. The hostess looked very pretty and graceful in a clinging gown of white mull and lace over silk made en traine. Her only ornament was a pearl and amethyst pendant. Mrs. Rutherford assisted Mrs. McGill in receiving the guests, and wore a becoming gown of tan and white silk. Little Miss Helen Mills in a white frock and blue ribbons opened the door. Mrs. Curtis and Mrs. Graham also assisted in the drawing room. In the tea room the table decorations were pink and white. The wedding cake, topped with bride's roses, and wreathed at the base with sweet peas and ferns, centered the polished table. White ribbons hung from the chandelier, meeting pink and white roses at each corner of the table, while soft pink candles shed a pleasing light over all. Here Mrs. Adolphus Mills and Mrs. Robert Ritchie did the honours for the first hour, their places being taken by Mrs. P. E. Bowen and Mrs. E. L. Hill. Mrs. J. A. Bell cut the ices. Assisting with refreshments were Miss Mabel Grant, Miss Bleakney, Miss Beaton, Miss Hulbert and Miss Steele.

The first sleeping car of the express was completely wrecked and two others were badly damaged. Two of the injured died last night, bringing the total up to twensy.
