FARMS FOR SALE.

The Best Investment on Earth
Is a piece of the Earth.

The Best Earth on Earth is right
here in Carleton County.

If you want to buy a farm, and buy it right, you will save time and money by coming to see me. You can buy cheaper from me than you can from the owner in most cases. Why is this? Simply because I have dozens of farms for sale, and it is my business to see that every man that buys through me gets a good bargain for I want and expect to do business with his friends in future. On the other hand the owner has only one farm for sale and if he sees you coming direct to him he thinks you are "easy money" and up goes the price of his one farm. Ask any of the dozens of men who have bought farms through me in the last two years what they think of their bargains and the treatment they received. They are the best advertising I have. I will furnish the names and addresses of these men any time on application. Then too, you should remember that bargains are picked from the dozens, not from the two or three. I have them by the scores. Some of the best in Carleton County, and that means the best on earth.

If you want to buy a farm in Carleton County, or a house in the Town of Woodstock, get in touch with the scores. I also have two or three good business propositions for sale.

Send for my Farm List. I will be pleased to mail it to you.

Blizzard Raging In New York State

Utica, N. Y., Feb. 22—This section is in the grip of the worst storm of the season, rain early today changed to snow with a heavy fall. A drop in the temperature and high winds prevailing all day blocked all streets and country roads. Seven trains on the Black River division of the New York Central were annulled.

It will pay you to read the Ads. in this paper.

Craig-Graham

Wednesday Feb. 7th, at the residence of the bride's father, James Graham, Esq., by Rev. Frank Baird, Mabel Matilda Graham to Maurice H. Craig.

The bride who is well known and very popular, wore a travelling suit of navy blue broadcloth with hat to match. The groom is a clever young railway engineer and highly esteemed in the community. After a wedding trip through the maritime provinces the young couple will take up their residence in Woodstock.

Miss Agnes Kelly.

The death occurred at Plymouth, on February 11th, of Agnes Legora, second daughter of Mr and Mrs Owen Kelly. The funeral was held from her late home on Wednesday morning Feb. 14th and High Mass was held in St Gertrude's church at ten o'clock Rev F J McMurray officiating, interment was in the Catholic cemetery. The pallbearers were Francis, Marshall and Lewis Kelly and Gus McKinney all cousins of the deceased.

She leaves besides her parents, three sisters, Mrs Abner Valley of Fort Fairfield, Me. Anna and Mabel at home and one brother Murray also at home.

Smith--Jacques

Presque Isle, Feb. 20—Sometimes there is great attractiveness in simplicity and such was the case Monday afternoon at the home of Mr. and Mrs. F. Parker Jacques, in Park street, when without the usual ostentation, Mr. Jacques' sister, Miss Dora Louise Jacques of Woodstock, was united in marriage to A. Howard Smith son of Mr. and Mrs. A. M. Smith of this village. The home was sufficiently attractive in itself without the usual wedding decorations, and every detail was so well and so cleverly managed that it was one of the prettiest weddings of the season. Present to witness the ceremony which was impressively performed by the Rev. J. C. Gregory, pastor of the Congregational church, were the immediate relatives of the principals including the following out of guests; Mrs. Howe Jacques, the bride's mother, Mrs. Arthur De Grass, Miss Carrie Jacques, Miss Mabel Jacques and Howard Jacques, sisters and brother of the bride all of Woodstock, N. B., and Miss Agnes True of Woodstock, an intimate friend of the family.

The bride was very becomingly dressed in a fashionable gown of white peau de cygne with pearl trimmings and wore a veil caught with orange blossoms. Her bouquet was white carnations. Miss Carrie Jacques, her bridesmaid, wore a pretty blue gown and carried daybreaks. The best man was Otis Stevens, and two little nieces of the bride, Marie De Grass and Elizabeth Jacques, were flower girls.

Miss Agnes True, Miss Susie Barto and Miss Mabel Jacques presided at the refreshment table, which was very attractively arranged, the subdued light from the shaded bay window combining with the electric jets, to make a pretty glow. The color scheme of the attendants and bridesmaid was a delicate, pretty blue and white.

The wedding march was played by Miss Lura M. Smith, the groom's sister, Miss Laurel Wallace, an intimate friend acted as usher. An informal reception followed the wedding and many called to extend congratulatory wishes who had previously sent more substantial tokens of love and good will in many beautiful and valuable presents. Many pieces of cut glass, silver deposit ware, sterling silver, choice china, linen, rugs, money and oak furnishings as well as pictures were in evidence. Some beautiful pieces of hand-work was the gift of the bride's maternal grandmother, who is in her eighty-fifth year. They are much prized.

The bride who is a trained nurse has spent some time here in her profession and being very attractive both in personality and disposition has won many friends who are bleated to have her remain in the town. The groom is one of the leading and most popular of the town's young men, and is held in highest esteem by all who know him. He is associated in the hardware business with his father, A. M. Smith, who conducts one of the largest business concerns in that line in the country. Mr. and Mrs. Smith, after a brief trip will return and enter upon house keeping in the A. M. Smith, block. They left on the afternoon Pullman amidst the demonstration of confetti and rice many young friends gathering to see them off.

Bangor Daily News

BUSINESS CHANGE.

A. C. Day has sold his interest in the undertaking business of the A. Henderson Furniture Company to Frank Plummer, of Waterville, N. B. Mr. Day intends going West, where he will probably locate permanently.

TERMINAL POINT SURE

Car Works Also if Land Can Be Got
—A \$20,000 Library To Be
Built in Summer

At the special meeting of the Town Council on Friday evening it developed that Woodstock will be made a divisional point for the St. John & Quebec Railway Company, and, after the purchase and gift of the trotting park land to the company by the town, if the car works cannot be secured, by a clause in the deed the land will revert to the town. It was pointed out that the property owners in the park district should assist the town in the purchase of the land by selling the required land at the lowest possible figure.

There were present at the meeting, which was held in the council chamber, Mayor Ketchum and Couns. Jones, Dibblee, Balmain and Gibson.

Mayor Ketchum said the object of the meeting was to consider further the attitude the council must take with the railway company. Chief Engineer Thompson of the St. John & Quebec Railway Company, when here the other day, left the impression that Woodstock would be made a divisional point, and the company was anxious to know what the town would do to render assistance to the company in this matter.

Coun. Dibblee said that the members of the Town Council met Ross Thompson, chief engineer, on Thursday afternoon and evening. On Friday morning all went to the trotting park and Thompson pointed out the land the company would require. It was about 300 feet wide and 3000 feet long. If the town would give them that land they would establish the divisional point in Woodstock, but he could not speak for sure for the car works. If he could not secure the car works, Thompson said a clause could be inserted in the deed for the land having the land revert to the town. He wished the council also to assist him in connection with the crossing of his road over the C. P. R. tracks. The town council should seek the necessary legislation.

Moved by Couns. Dibblee and Jones and passed that the solicitor be instructed to give the necessary notice for the issue of debentures to render assistance to the St. John & Quebec Railway Company in the event of it establishing its workshops here.

Moved by Couns. Dibblee and Balmain and passed that Mayor Ketchum and Coun. Jones be a committee to assist the clerk in drawing up the notice of legislation.

Moved by Couns. Dibblee and Balmain and passed that, under the finance committee, the solicitor be authorized to procure a plan of the land proposed to be used for railway purposes, that he make a search of the titles and endeavor to secure options on the land for such time as will be necessary.

Coun. Balmain agreed that options on the land should be obtained at once. It should be impressed upon the owners that unless the terms are easy and the land secured, the town may lose the works. He hoped all the land owners would make it easy for the town to secure the works.

Coun. Dibblee would assure the citizens that there was no thought of the council giving away anything unless it was sure of getting the works. Those who own land in that district must realize that by making it easy for the town the remaining land would be more valuable with the workshops there. This will be the last chance Woodstock will ever have to secure railway works and everybody should sacrifice their personal interests in order to secure them.

Moved by Couns. Jones and Balmain and passed that Mr. Hartley, the town solicitor, be instructed to take the matter up with the management of the I. C. R.

Mayor Ketchum told of a recent conversation he had with Messrs. Connell and Dibblee, executors of the L. P. Fisher estate. These gentlemen were much interested in the erection of a library building from the funds of the estate. They would be willing to erect a \$20,000 library building that would be a credit to everybody, if the town would look after its maintenance. If the town would do its share, the

building could be erected next summer. Couns. Jones—I am strongly in favor of a library. I think we should meet with the executors at once. The town is booming now, and a public library would be a good thing, making the town even more so than now a desirable place to live in.

Coun. Dibblee—Mr. Connell says the money is available and he is prepared to build it this summer. The question of maintenance could be easily solved. The people here do not appreciate the gift of the late Mr. Fisher. He left a large sum of money for the benefit of the town. The Fisher Memorial School nearly completed, is probably the best in the Maritime Provinces. Three county councillors from Northumberland were here this week to see our new court house, and they were greatly pleased with it and the Fisher School and Fisher Hospital.

Mayor Ketchum said that the library question would again be taken up with the executors and he was satisfied that the building would be erected next summer. There would be no doubt that the question of maintenance would be looked after by the council, or a number of the citizens would be willing to do it, irrespective of the council.
Council adjourned sine die.

Henry Phillips

Woodstock, N. B., Feb. 24—Word was received this morning of the death of Henry Phillips yesterday at Lethbridge, Alberta, aged 63 years. For many years he was connected with the C.P.R., as station agent at Woodstock, Edmundston and other stations and left last June, owing to ill health, for the Pacific coast. He is survived by the widow and six children; Harry of Montreal, Clowes and Brewer Phillips, Mrs. D. Grimmer of New York, and Mabel and Florence with their mother at Lethbridge. He was a member of Woodstock Lodge, F. and A. M., and Court Regina, I. O. F. The remains will be brought to Woodstock and on arrival the funeral will take place from the residence of Mr. Chipman Phillips.

Robert Brown

Mr Robert Brown, a well known and highly respected citizen of this town, passed away at five o'clock on Monday morning, in the 81st year of his age. Mr. Brown had been in feeble health for the past two years, being confined to his bed most of the time. Deceased was a native of Monaghan County, Ireland, and came to Woodstock in 1853, where he established a dry goods business which he conducted until 1870. In 1872 he moved to Northampton on the Rankin homestead. In 1859 he married Miss Helen Rankin daughter of Mr. and Mrs. James Rankin, who died in 1892. Mr. Brown represented Northampton four years as councillor and he was chairman of the building Committee of the Record Office. He was member of the Provincial Board of Agriculture for one year representing the Counties of Carleton, Victoria and Madawaska and he was president of the Carleton County Agricultural Society for many years. Four year ago Mr. Brown sold his farm and moved to Woodstock. He is survived by two sons, J. Rankin of Woodstock, and Alexander of Vancouver, and three daughters Mrs. A. B. Connell, Misses Janet and Katharine of Woodstock.

The funeral will be held to-day at 1.30 service being conducted by the Rev. Frank Baird. Interment will be made in the Family lot at Green Bank. The pall bearers are C. H. L. Perkins, W. L. Carr, J. S. Creighton and F. H. J. Dibblee.

Jacob Diamond

The death occurred at his home on Monday morning at 8 o'clock of Jacob Diamond, after a long illness of tuberculosis, aged 62 years. He had been confined to his bed for three months. He leaves a wife and one daughter Miriam. The funeral took place to-day at 2.30. Service was conducted by the Rev. H. C. Archer.

BORN

MCLAUCHLAN—Woodstock, Feb. 25, to Mr. and Mrs. Roy McLauchlan, a son.

DIED

EBBETT—On Monday Feb. 12th., 1812 at the Fisher Memorial Hospital Archie Ebbett, of Landsdown aged 55 years.

The Supply of York and Kent Timothy Seed, and 111 Long Late Clover, is less than half of last year's supply. If you wish to get good Seed buy these brands early before supplies are exhausted.
