The Provincial Dairy School

The next session of the New Brunswick Dairy School will open at Sussex on March 19th next, when there will first be a ten days course in butter making both for creamery and home butter makers, with a full course of lectures upon the production and care of milk and cream, covering the selection, testing care and feeding of dairy cattle as well as the prevention of and remedies for common ailments. Instruction will be given in the care and operation of hand and factory Separators and for those who desire it, there will be training in soft cheese making for home dairies.

During this course, to which ladies are especially invited, lectures upon the production and marketing of poultry and eggs will be given by Seth Jones, Provincial Poultry Superintendent. Lectures upon animal and field husbandry will be given by Prof. E. S. Archibald and on Veterinary Science by Prof. John Standish, both of the Nova Scotia Agricultural College. This course will close on the 29th March, and on the 2nd April a course in cheese making will begin continuing till April 12th. During both courses, instruction in milk testing will be given. It is expected that all those who are intending to operate creameries or cheese factories will attend one or both of these courses. Tuition is free and board can be obtained at reasonable rates.

The staff in addition to the special lectures above mentioned, will consist of C. W. McDougall, Superintendent and Lecturer; L. C. Daigle, instructor in milk testing and cheese making; George Ransom, instructor on Hand Separators; Albert Conrad, instructor in butter making. Applications stating which course the applicant desires to take, should be sent to C. W. McDougall Supt. Sussex, N. B. from whom all information may be obtained.

Mrs. W. Lint was the guest of Mrs. Wm. Dow.

THE WEARY SMILE  
THAT COVERS PAIN

Women are Themselves to Blame  
for Much of Their Suffering

Women are weak, yet under a smile they will try to hide pain and suffering that any man could not bear patiently. If women would only remember that their frequent failures of health arise from feeble or impure blood their lives would be smoother and they would longer retain their natural charm.

When the blood fails then begin those dragging backaches and headaches; unrefreshing sleep that causes dark lines under the eyes; dizziness; fits of depression; palpitation or rapid fluttering of the heart; hot flashes and indigestion. Then the cheeks grow pale, the eyes dull and the complexion blemished.

Women should know that much of this suffering is needless and can be promptly remedied. Purify and enrich the blood through the use of Dr. Williams' Pink Pills and your suffering will vanish. Thousands of women know that Dr. Williams' Pink Pills have brightened their lives by making the new, good blood of health, and so toning up all the vital organs into healthy, vigorous action. Here is an instance from among many. Miss Cora A. Cornell, St. Catharines, Ont., says: "Ever since the age of fourteen I have suffered terribly with pains in my back, and severe headaches. I was also much troubled with indigestion and had to be extremely careful as to my diet, and sometimes did not feel like eating at all. Some two years ago the headaches became so bad that I had to give up my position, which was clerking in a store, where, of course, I was constantly on my feet. I took a position in an office, where I could be seated most of the time, but even then I suffered terribly most of the time. As the medicine I had been taking did not help me I finally decided to try Dr. Williams' Pink Pills. I got a supply, and soon felt they were helping me and I continued taking the pills for several months until I felt perfectly well. Although my doctor advised me not to go back to my old position, I decided to do so, and have

not felt any ill effect. I never have backache now, seldom a headache, and all traces of the indigestion have disappeared. I cannot speak too highly of Dr. Williams' Pink Pills and I hope this letter will help someone who suffers as I used to."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

LAKEVILLE

This month has been a busy one for all farmers in this locality. They have been pouring into markets at Peel and Florenceville both hay and potatoes. For some reason, unknown to correspondent, potatoes dropped in price yesterday from \$2.65 to \$2.25 at Peel. Why these local fluctuations with prices steady in St. John market?

But the farmers look forward eagerly to the building of the St. John Valley Railway to begin when spring opens. The final survey party are nearing this village on their way from Woodstock. They are now at Lindsay, seven miles southwest. There are about seventeen men in the party.

Men are busy here making railroad ties. Messrs. W. W. Wilson and W. F. Anderson hold sub-contracts and are giving employment to others.

Misses Ruby Carvell and Beatrice Williams spent a few days recently with relatives and friends in Lindsay.

Henry Williams is enjoying a trip to Montreal and Ottawa, and is expected home today.

Clarence Williams returned Monday from Fredericton.

Mr. and Mrs. J. R. Fowler were called to Perth Saturday by a change for the worse in the condition of their daughter, Mrs. Myrtle F. Carvell, who is ill with pneumonia.

Mrs. Harmon Carvell spent most of the past week with her sister, Mrs. Scholey, Centreville.

To Introduce The Home Rule Bill  
March 20

London, Feb. 21—It has practically been arranged that Premier Asquith will introduce the home rule bill in the house of commons on March 20.

McIntyre Gets One Year and  
Twelve Lashes

Norman McIntyre was before the Police Magistrate on Tuesday of last week, charged with assaulting and beating his wife, Hattie McIntyre, and causing her actual bodily harm.

The accused elected to be tried by the Police Magistrate and on the charge being read to him, pleaded guilty.

The magistrate said in deciding about his sentence he had taken into consideration the seriousness of the offence and the former conduct of the accused, and it was his intention to administer such punishment as he believed would safeguard the interests of the community so far as future offences of this kind were concerned. He also stated that if the accused behaved himself during the term of his imprisonment, it might be possible the authorities would not enforce the latter part of his sentence.

He then sentenced McIntyre to be imprisoned in the common jail in the County of Carleton for the term of one year with hard labor, and to be whipped with twelve lashes.

DOWVILLE

The Post Office here has been moved from B. Hillman's to Robt. E. Patterson's.

Quite a lot of snow was taken off owing to the rain of 22nd, inst.

Mrs. R. Dore and Mrs. L. R. Foster were the guests of Abraham Hillman recently.

W. T. Hatfield is enlarging his store. Robt. E. Patterson has purchased a fine horse.

Miss Ella M. Patterson was the guest of Amanda Patterson of Grand View.

SOOTHING MIXTURES  
DANGEROUS TO  
CHILDREN

Mixtures sold under the name "soothing" are usually dangerous to the life of the little ones whom they are supposed to help. They contain opiates and narcotics and any sleep prompted through their use is false sleep—to be plainer the little one is drugged into insensibility. The only absolutely guaranteed remedy for little ones—the only remedy backed by the guarantee of a government analyst to contain no opiates, narcotics or other harmful drugs is Baby's Own Tablets. They cannot possibly do harm—they always do good. Thousands of mothers have learned their value. They help not only the new born babe but also the growing child. Stomach and bowel troubles; worms; colds; simple fevers are all banished by them and they promote that refreshing sleep so helpful to little ones. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.
