New "Elijah" asks Help to Capture Shiloh Colony

Augusta, Me., Feb. 15—Governor Plaisted gave half an hour's interview today to Rev. Arthur Hersee of Vancouver because he has announced his claim to be the anointed man of God to take charge of Shiloh as the successor to Rev. Frank W. Sandford, the convicted leader of the Holy Ghost and Us Society.

Hersee charged that Shiloh, under the present system, is a menace to the state and asked Governor Plaisted to help him get possession of the colony.

He desired the governor to force Rev. Charles E. Holland, the new leader, to turn Shiloh over to him.

Governor Plaisted informed the former Shilohite that he had no authority, and advised him if he had a complaint to make he should see the county attorney.

Mrs. Wing Hem Now With Husband

Mrs. Wing Hem, wife of Wing Hem, proprietor of a general store in Fairville, catering to the Chinese trade, arrived in the city Thursday on the Intercolonial Montreal express, accompanied by her eight year old son. The struggle for admission of Mrs. Hem to this country has extended over two years. At the first attempt she was turned back at Vancouver on account of illness on the ship. The voyage was again made and she arrived in Vancouver on December 23, where she has been detained again ever since, but arrangements were finally completed between the government and Wing Hem's lawyer, and the family was reunited yesterday.

Mrs. Hem was expected several days ago.

Mrs. Wing Hem is the first Chinese woman to take up her residence in this province.

Sir James Whitney and the Ne Temere Decree

(Toronto Telegram.)

From all appearances Sir James Whitney and his colleagues will champion the "Ne Temere" issue in the province of Ontario. At any rate he will give the question his special attention, and has arranged to meet a deputation representing the Evangelical Alliance. Rev. E. D. Silcox, secretary of the

Alliance, with the president and several of the executive officers, have been in conference with the Premier, and he was to have heard a large deputation on Wednesday, but owing to many meetings being called, the date of hearing has been postponed for a few days. The Premier will set the day, probably next week, when he can give time and attention.

Petitions from all over the province, signed by hundreds of Protestants, have been flowing into the secretary's office, and it is likely these will be carried to Queen's Park to show the Premier the number of people who are behind the movement.

The Evangelical Alliance will ask that the case be taken directly to the Privy Council, London, England, for a decision, and not deal with it in such a way that it will be shelved for some time to come.

Cape Breton Man Drowned in a Well

Halifax, N. S., Feb. 16—Price MacKay was accidentally drowned at Dominion (C. B.) this afternoon by falling into a well, while in the act of drawing water. He was in the thirty-ninth year and leaves a wife and five children. Mr. MacKay was severely injured in the mine about two years ago having a leg broken, and only just recovered when he returned to work.

LA GRIPPE'S VICTIMS

Left Weak, Miserable and Prey to Disease in Many Forms

One of the most treacherous diseases afflicting the people of Canada during the winter months is la grippe, or influenza. It almost invariably ends with a complication of troubles. It tortures its victims with alternate fevers and chills, headaches and backaches. It leaves him an easy prey to pneumonia, bronchitis, and even consumption. Indeed the deadly after-effects of la grippe may leave the victim a chronic invalid. You can avoid la grippe entirely by keeping the blood rich and red and by an occasional use of Dr. Williams' Pink Pills. If you have not done this and the disease attacks you, you can banish its deadly after-effects through the use of this same great blood-building, nerve-restoring medicine. Here is proof of the wonderful power of Dr. Williams' Pink Pills over this trouble.

Mr. Emmanuel Laurin, St. Jerome, Que., says, "I was seized with a severe attack of la grippe. I was obliged to stop work and remain in my bed for several weeks, and while I appeared to get over the first stages of the trouble, I did not regain my usual health. I suffered from headaches, loss of appetite and extreme weakness. I did not sleep well at nights, and would arise in the morning feeling tired and worn out. This continued for about two months during which time I was taking treatment, but apparently without avail. Then I was advised to try Dr. Williams' Pink Pills, and I got a half dozen boxes. By the time I had taken three boxes there was a decided improvement, and actually before I had completed the sixth box I was enjoying my old-time health. I was strong as ever, could sleep well and eat well, and no longer suffered from lassitude and headaches. I have proved the value of Dr. Williams' Pink Pills for the pernicious after-effects of la grippe, and can therefore recommend them to other sufferers."

Dr. Williams' Pink Pills cure by going to the root of the trouble in the blood, which they enrich, and make red and pure. These pills cure all troubles due to bad blood, and if you are ailing you should start to cure yourself to-day by taking this great medicine. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Bodies Found Floating as the Floods Subside

Seville, Spain, Feb. 16—The floods which have devastated this city for many days are now rapidly subsiding. Two of the suburbs, Navels and Burguilles, which have been isolated from the rest of the city for over a week, are in a lamentable condition. Many of the inhabitants have been found dying of hunger. Their homes have, in some cases, been undermined by the water, and corpses are floating in the streets. Relief stations have been organized and help is being given to people in distress. The port of Seville has been reopened, but all branches of industry are virtually paralyzed.

All But Seven of the Arrests Made

Indianapolis, Feb. 15—Official reports received by the government before noon to-day showed that only seven out of the 54 men indicted in the dynamite conspiracy had not been arrested.

Boston, Feb. 15—Federal officers continued their search to-day for Michael J. Young, the Boston member of the executive board of the International Association of Bridge and Structural Iron Workers, under indictment in the dynamite conspiracy cases, who eluded arrest yesterday. Young told several friends last week that he might be arrested in the dynamite case, through his acquaintance with the McNamaras, and yesterday afternoon Attorney Melvin O. Adams called on the District Attorney and said that in the absence of Henry V. Canningham, counsel for Young, he wished to arrange for Young's appearance later in the day. It was expected that Young would appear at the federal building with counsel, but the day closed without any signs of Young, so an indictment warrant was given to a federal officer to serve.

Homer-Ross Wedding

The wedding of Percy E. Homer of Boston and Miss Margaret S. Ross of Orono, took place at the home of the officiating clergyman, Rev. Ashley A. Smith, Tuesday forenoon at 9 o'clock. The single ring service was used and the couple were unattended.

The bride is one of Bangor's favorite singers, having lived here and in Orono for a number of years, during which she has appeared as a singer to the delight of a great many people.

The groom is traveling salesman for the Eastern Drug Co., one of the most popular salesmen in the trade and has a wide circle of friends who will extend congratulations.

[Miss Ross is a daughter of Mr. and Mrs. Robert Ross of this town.]

Mrs. J. Jarvis Bedell

News of the death of Mrs. J. Jarvis Bedell has been received with deep sorrow by her large circle of friends in this community.

Mrs. Bedell was spending the winter with her younger son, Victor, in Kansas City, Missouri, and expected to return home in a few weeks.

On Saturday Mr. L. Berton Bedell received a telegram from his brother, stating that his mother had died suddenly the previous evening.

The remains will be brought here to be buried beside those of her husband, who died in April 1908.

Mrs. Bedell (Marie Moore Carman) was the eldest daughter of the late Odbur M. Carman and a niece of the late Col. C. W. Raymond. A large part of her childhood was spent in Maugerville, Sunbury county.

In 1867 Mr. Carman removed to Woodstock, arriving here on Nov. 6th, the day before the present Parish Church was consecrated. Of the congregation of that church, the deceased and her family have ever been faithful members.

She is survived by two sons, L. Burton, River Road, and Victor, of Kansas City, (Mo.) one brother, Charles Carman, and one sister, Harriet Carman, both of River Road, and three grandchildren.

Mrs. Bedell's strong and beautiful character will long be remembered, and her loss deeply felt, especially by those (not a few) who in time of sorrow, need or sickness have been helped and uplifted by her large hearted and practical sympathy, her wise counsel and her Christian cheerfulness.

Victor Bedell arrived in town last night with his mother's body, which was taken to her own home. The funeral took place to-day from the Parish Church at 2 o'clock, service being conducted by the Rev. Mr. Hazel. The choir sang the hymns, "On the Resurrection Morning," and "Peace Perfect Peace." The pall bearers were J. T. Allen Dibblee, T. C. L. Ketchum, Byron Bull and Charles Peabody. Interment took place in the family lot in the Parish church yard.

Alex Brown, who has been visiting his father, Robert Brown, will return to Vancouver on Friday.

Valley Railway Divisional Point.

Ross Thompson, chief engineer and Messrs. Waughy, Howard and Lincoln, prominent officials of the Valley Railway were here Wednesday in consultation with the Town Council over the question of the railway divisional point. It is understood that Mr. Thompson strongly favors Woodstock, as he considers the geographical situation excellent and the most advantageous on the line from every point of view. The negotiations have been carried to the point of the railway asking that the town provide the site and the right of way. In order to comply with this, the town will apply to the legislature for authority to act in conformity with their wishes. The park is considered the ideal location and is strongly favored by Mr. Thompson.

The property holders in the vicinity of the proposed location will no doubt benefit from this decision of the railway people and being interested in the town's welfare will deal liberally with the people when called upon. It is said that authority for expropriation will be asked for from the legislature.

Accompanied by the Mayor, Councilors and representatives from the Board of Trade, the railway officials were taken over the different points of interest on Thursday morning.

There will be a special meeting of the Council Friday night to take up the question of asking for special legislation regarding the offering of a free site for the Divisional Point and other matters in connection with the Valley Railway.

Mrs. Keiorn Brophy.

Mrs. Sarah Brophy, widow of the late Keiorn Brophy who died eight years ago, took suddenly ill at half past five Monday evening, Feb. 12th, with heart disease and died at midnight. She was a woman highly thought of by the community and her death will be widely lamented. She was sixty-two years of age.

Her maiden name was Sarah Cogger and she was a native of St. John. She was twice married; her first husband was Frank McGorriell of St. John. She is survived by two brothers, Patrick Cogger of Lowell, Mass. and John Cogger of Woodstock, N. B., also two daughters and one son of Woodstock, Misses Mary and Genevieve Brophy and Frank McGorriell.

The funeral was held on Thursday morning from St. Gertrude's Church where requiem mass was celebrated by Rev. F. J. McMurray. The pall bearers were John Brown, A. Beaton, M. Ryan and John Thibbideau.

A SAFE MEDICINE FOR LITTLE ONES

Baby's Own Tablets are a safe medicine for little ones—the mother may feel sure of that. They are sold under an absolute guarantee of a government analyst not to contain narcotics or other harmful drugs—they cannot possibly do harm—always good. Thousands of mothers who have used them can vouch for this, and once a mother has used them for her little ones she always keeps them in the house. The Tablets quickly relieve and cure all the minor ills of babyhood and childhood. They sweeten the stomach, regulate the bowels, expel worms, break up colds and make baby healthy, happy and fat. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

CARD OF THANKS.

Mr. and Mrs. W. A. London, Jacksonville, wish to thank their many friends for their kindness and sympathy on the death of their daughter, Mrs. Clinton Foster of Presque Isle.
