Children Injured

Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They may cause griping, nausea and other distressing after-effects that are frequently health-destroying.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy, which we know, for constipation and associated bowel disorders. We have such absolute faith in the virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Rexall Orderlies commonly completely relieve constipation, except of course when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition. Three sizes of packages, 10 cents, 25 cents, and 50 cents. Remember, you can obtain Rexall Remedies in Woodstock only at our store—The Rexall Store. Edgar W. Mair.

Deadlock Yet In British Strike

London, March 13—The British coal dispute has not yet been settled. The joint conference of the delegates of the miners and the mine owners sat for four hours this afternoon at the foreign office under the presidency of Premier Asquith without reaching any definite conclusion. They then adjourned until tomorrow.

Can You Ask More?

Your Money Back for the Asking You Promise Nothing

We are so confident that we can furnish relief for indigestion and dyspepsia that we promise to supply the medicine free of all cost to every one who uses it according to directions who is not perfectly satisfied with the results. We exact no promises and put no one under any obligations whatever. Surely nothing could be fairer. We are located right here where you live, and our reputation should be sufficient assurance of the genuineness of our offer.

We want every one who is troubled with indigestion or dyspepsia in any form to come to our store and buy a box of Rexall Dyspepsia Tablets. Take them home, and give them a reasonable trial, according to directions. If they don't please you, tell us and we will quickly return your money. LAKEVILLE

March 16, 1912

Mrs. Howels Corbett has returned from a pleasant visit with Mrs. McCrea, wife of Dr. McCrea, Blaine, Me.

Mrs. J. R. Fowler returned Monday from Perth and reports a decided improvement for the better in her daughter Mrs. M. I. F. Carvell's condition. All danger is now passed. Mrs. Carvell expected to go to Presque Isle on Thursday to spend the convalescent season with her sister Mrs. Arthur Howden.

Mrs. Robert Hudson is visiting her sister, Mrs. McCrea, Blaine, Me.

Miss Mae Beirsto is paying a fortnight's visit to relatives in St. John.

Mrs. George Smith gave a quilting party Thursday afternoon. Six ladies were present. The afternoon passed most pleasantly. A delicious tea was served by the hostess.

Among this week's guests at

"The Lakeville House" are Messrs. J. H. Bell, H. M. Martell, East Florenceville; B. M. Kilpatrick, Lower Greenfield; G. W. Smalley, Houlton, Me.; C. W. Howard, Fredericton, J. A. Coroner, Woodstock, Mr. Leonard, W. Hazen Thompson, Harry McDonald, W. L. Stewart, R. F. MacLauchlan, St. John.

Mrs. W. W. Wilson and daughter Mrs. George Burr visited Mrs. Robert Wilson, Bloomfield, Thursday last.

Mr. and Mrs. Havelock Wilson and son Harry drove to town on Tuesday last.

A few from this vicinity including Misses Mabel Estabrooks and Hilda Wilson, Messrs. Thomas Emery, H. F. Fowler, Glen Wilson, and R. Smith attended the play "She Would Be a Widow or Butternut's Bride" given by the "Bloomfield Dramatic Club" Saturday evening, March 9. They reported a fine evening's entertainment.

H. F. Fowler, through the provincial representative, Mr. Leonard, has taken the National Manufacturing Co's. agency consisting of ranges, cream and grain separators, articles of necessity for any farmer, also fire, life and accident insurance.

still, owing to part of the engine breaking. It will soon be repaired and ready for work again.

The rain of 15 inst., has reduced the height of the snow considerably.

Mrs. F. Wright was the guest of Mr. and Mrs. A. Wright, of Central Southampton.

PIONEER

The St John Valley R R surveyors have had their headquarters in the "Gordon Page" for the past two weeks. Some difficulty has been experienced in getting an "entrance" and "exit" for the railroad at Centreville and several preliminary surveys have been run from Pioneer. It is to be hoped that not many dooryards and barnyards will be invaded, as the turmoil of heavy freight trains in the night season will seriously disturb our rest.

Miss Kate McAuley, who has been ill for several weeks at the home of her sister, Mrs. Cyrus Reid, is improving and her many friends will wish that she may soon be restored to health again.

Mrs. Stanley Savage and C. A. McBride attended the Wilnot Parish Con. at Lakeville on the 8 inst., and listened to a very suggestive and instructive talk by the Field Sec'y on "Childhood." The attendance was very small at the P. M. session. It is unfortunate that more people do not make an effort to avail themselves of these opportunities which are "golden." Let us grasp all the good things we can while oppor-

tunity is knocking at the door.

Speculations, rumors, doubts and optimistic beliefs are in circulation in regard to the new R R. We all expect a square deal and something definite accomplished as soon as the spring opens.

The C. P. R. is going to check the antics of drunken men who try to take charge of its trains. Last night Alboin R. Foster, who is now a special officer in the railway employ, came to town on the Boston express. Arthur Duplisea, who had been drinking, became profane and disorderly after the train left Fredericton Junction, and Mr. Foster arrested him, to the relief of all the passengers within reach of the man's voice.
