YOUNG VIOLINIST

Miss Kathleen Parlow, the talented young violinist whose work is causing so much comment in New York and other great cities, is, as is well known here, a niece of Mrs. Henry A. Darkis of Fort Fairfield, her mother having been Miss Wheeler of Florenceville, N. B. Miss Parlow this winter has given recitals not only in New York city but in Baltimore, Minneapolis, Raleigh, and Boston. She is now on a Canadian tour, which lasts until April, playing in Quebec, Halifax, St. John and other large cities. She will be in St. John April 17, when Mrs. Darkis of this town, Mrs. Charles Giberson and C. B. Wheeler of Wicklow, will go down to meet her and hear her play. Fort Fairfield Review

BABY THIN—HAD NO APPETITE

Mrs. Ulderice St. Georges, St. Mathias, Que., writes: "I am writing to say I am well satisfied with Baby's Own Tablets. My baby was ill and I tried several remedies, but the result was discouraging. He became very thin, had no appetite, hardly slept at all and was extremely weak. I got Baby's Own Tablets and they soon set him right again, till at the age of eleven months he was able to walk and was a strong healthy child. I do not think there is anything to equal Baby's Own Tablets for little ones." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
