WHAT CANADIANS ARE DOING

Mr. F. W. G. HAULTAIN, M.L.A.

Though not a Canadian by birth Frederick William Gordon Haultain, K.C. is one of the men who have put their impress on the Great North West. As a member of the old Northwest Assembly up to its dissolution and as a member of the Legislative Assembly of the Province of Saskatchewan from its creation, he has been an active figure and has taken a leading part in the changes and developments which have taken place on the Western Prairies during the past quarter of a century. Mr. Haultain was born at Woolwich, England, in 1857 and came to this country when a boy receiving his education at

Montreal High School, Peterborough College Institute and Toronto University. He was called to the Ontario bar in 1882 and elected a member of the Northwest Assembly in 1888. He remained a member of the Assembly until its dissolution on the creation of the two new provinces of Saskatchewan and Alberta in 1905. He was then elected to the Saskatchewan Legislature of which he is still a member. He represented the Northwest Territories at the Coronation of King Edward in 1902.

It would be difficult to estimate what Mr. Haultain's name stands for in the West. He is universally respected, even by political opponents and indeed it would be hard to over-estimate his influence in the province he has made his home.

Mr. HUGH GUTHRIE, K.C.

Mr. Hugh Guthrie, K.C., for South Wellington and Chairman of the Railway Committee in the House of Commons, is one of the best known men in Canada. Born of good old Ontario stock at Guelph on August, 1866, he was educated at Guelph Collegiate In-

stitute and Osgoode Hall, Toronto, and was called to the bar in 1888, and took silk in 1902. He was first elected for South Wellington in 1900 and has since been twice re-elected. He was appointed chairman of the House of Commons Railway Committee in 1907 and still holds that important post. Mr. Guthrie resides in his native city, Guelph, Ont.

CONTROLLER WANKLYN

When the citizens of Montreal decided to use the sweeping brush at the City Hall and adopt a new form of civic administration they cast about them for qualified and trustworthy men to place in charge of the city's affairs. The great majority of the citizens favoring the system of government by Control it was decided to appoint four controllers, with the mayor as chairman. It was realized by all that the city's future administrative well-being depended on the personnel of the Board and the greatest care was exercised in selecting the right men. One of the first to be selected by the Citizen's Association was Mr. F. L. Wanklyn, M.I.C.E., whose extensive and varied engineering experience in different countries, knowledge of local conditions, and reputation for sound integrity eminently fitted him to act as a Controller. Nor have those who selected him been disappointed, for his work since he became one of the Controllers is a

living testimonial to the wisdom of the selection.

Few people gazing on the fine Saxon profile and commanding figure of Mr. Wanklyn would dream that he was a Latin-American by birth.

Controller Wanklyn is a member of the Institute of Civil Engineers, London, and a member of the Council of the Canadian Society of Civil Engineers. He is a keen sportsman and his favorite holiday is spent with rod or gun by some quiet stream or amid the game frequented woods.

Dizziness

Mrs. J. B. Renaud of Goldrich St., Sturgeon Falls, Ont., says:

"I have suffered for months with a very weak stomach I had dizzy spells, and at times could not retain any food at all. I tried any number of remedies and prescriptions but none seemed to relieve me until I tried Mi-o-na Tablets. I used one box only and they have completely cured me of my troubles. I am pleased to recommend Mi-o-na as I know it to be a remedy of merit."

Mi-o-na is sold by druggists everywhere at 50 cents a box and is guaranteed to cure dyspepsia, indigestion, sick-headache, nausea, heartburn, sour stomach, belching of gas, dizziness, heavy stomach and car sickness, vomiting of pregnancy and the after effects of over-eating or drinking—or money back. Postpaid from The R. T. Booth Co., Ltd., Fort Erie, Ont. Sold and guaranteed by E. W. Mair.

The Fountain at the Corner.

Beranger is best known for his bacchanalian songs. One night he was at supper with Dumas, the elder. The younger Dumas, who was present, was passing through his college course and at that period was exhibiting those characteristics which unfortunately developed in later life. Noticing that Beranger had drunk only water, he somewhat indiscreetly asked, "Where do you obtain, M. Beranger, all the wine which we find in your songs?"

The poet's reply was, "From the fountain at the corner, my boy, and you would do well to make that the source of your inspiration."

The Real Thing in Spice.

John Lane, the well-known publisher, said at a literary dinner in New York: "As an editor I find nobody so persistent as the amateur contributor. If the amateur were half as ingenious in writing his material as in trying to land it he would become a Dickens in no time. An amateur said the other day to an editor I know: 'Allow me to submit this bear story.' 'My readers don't care for bear stories,' said the editor. 'They want something spicy.' 'But this,' said the amateur, 'is a story about a cinnamon bear.'"

Bearing Down Pains

What woman at sometime or other does not experience these dreadful bearing down pains. Mrs. E. Griffith, of Main street, Hepworth, Ont., says: "A heavy bearing-down pain had settled across my back and sides. I was often unable to stoop or straighten myself up. Many times each night I would have to leave my bed with the irregular and frequent secretions of the kidneys and just as done out in the morning as on retiring. I was languid and would have to let my household stand. Nothing I had tried would benefit me. I learned of Booth's Kidney Pills and concluded I would try them, which I did, and soon found the long sought relief. My back strengthened and I began to feel better and stronger. I now enjoy my sleep without being disturbed and feel grateful to Booth's Kidney Pills for what they did for me."

Booth's Kidney Pills are a boon to women. She would know less of back-aches if she took more of these wonderful pills. They are nature's greatest specific for all diseases of the kidneys and bladder. All druggists, 50c. box, or postpaid from The R. T. Booth Co., Ltd., Fort Erie, Ont. Sold and guaranteed by E. W. Mair.

"Gerome" Mystery Man Dead

DIGBY, N. S., April 23.—Death has finally claimed "Gerome," a legless and silent foreigner of mystery, who was found on the beach at Mink Cove in 1883. During the past half century the man had steadfastly refused to divulge the secret of his existence.

Not once had he spoken a single word, although distinguished linguists believed he had the power of speech.

It is considered probable that his identity, his nationality and the reason of his abandonment by a ship at sea will never be known.

Colored Men Will Protest Roosevelt

Care Of Plants.

In watering plants a little sweet milk added will often benefit them.

For a fern that is not thriving, put a little castor oil around the edge of the pot, in a trench and watch developments.

The Champion
Irate Visitor—I call this a downright fraud! You advertise on your bills "The Most Remarkable Dwarf in the World," and he turns out to be 5 feet 5 inches high.
Bland Showman—Exactly so, sir. That's just what's so remarkable about him. He's the tallest dwarf on record.

What Woman Is
"What is woman?" asked a speaker at a public meeting.
"Woman," replied a man in the audience—a married man—"is an animate being, with the power of speech abnormally developed, and entirely surrounded by a dress that buttons up the back."

100 PERSONS CURED OF ECZEMA

Within the past few months over 100 persons have written to the Zam-Buk Co. reporting their cure of eczema, rashes and skin diseases by Zam-Buk! Does this not prove that Zam-Buk is something different? Don't you need it in your household?

Miss Mary McCuaig, 913 St. Catherine Street W., Montreal, says: "I do not know words powerful enough to express my gratitude to Zam-Buk. Eczema broke out on my scalp and hands. The irritation of the scalp was so bad that I could not sleep or rest, and I feared I should have to have my hair cut off. On my hands the disease appeared in sore patches, the burning and itching of which drove me many times to spells of weeping. I went to the dispensary, but they referred me to a skin specialist, who said that mine was as bad a case of eczema as he had seen. He gave me some ointment, and then a second lot, but neither gave me any relief. "I was in a very bad condition when Zam-Buk was introduced, but I soon found out that it was different from all the other remedies. I persevered with the Zam-Buk treatment, and each box did me more and more good. The irritation and smarting soon disappeared, then the sores began to heal, fresh healthy skin grew over the parts which had been sore, and I am now quite free from all traces of eczema, both on head and hands. My hair has also been saved."

Zam-Buk is also a sure cure for piles, eruptions, blood-poison, cuts, burns and all skin injuries. See all druggists and stores, or Zam-Buk Co., Toronto, for price. Refuse substitutes.
