**A National Farm College**

Without casting any reflection on agricultural colleges or on the governments, and notwithstanding that the Dominion Government is granting large subsidies to aid agriculture, every boy cannot attend an agricultural college. Board books and fees, though not excessive, make agricultural college education too high for the average farmer. It remained for a newspaper to put at the disposal of the farmer an educational course at home without any cost to him. CANADIAN FARM of Toronto began its first series of correspondence courses on December 1st, 1911.

The subject of "Power on the Farm" was dealt with in ten issues. Dr C. J. Lynde, Professor of Physics at Macdonald College, Que., supplied these ten illustrated, simplified lecture, and at the finish of the course set an examination paper. The course gave the student a complete knowledge of power as applied to farm operations as is possible in this form. The readers of the paper took to it readily throughout the Dominion, and as many home students took advantage of this course in ten weeks as the ordinary college starting in could have at the end of four years. A course on "Soils" is now running in CANADIAN FARM, to be followed by other interesting subjects. Following is a list of the successful candidates on the examination on "Farm Power." **Methodists Eight To One In Favor Of Church Union**

Toronto, April, 1—Official figures of the Methodist vote on the proposed union between the Methodist, Presbyterian and Congregational churches of Canada, were compiled today and show a proportional vote of almost eight to one in favor of organic union on the proposed basis. The figures show that more than 500 quarterly official boards have completed the vote and almost 200 congregations, from all parts of the dominion. A very peculiar state of affairs

**SPRING Skin Troubles**

Mothers who have used Zam-Buk know how it cures Spring Skin Troubles in Children or Adults. Mothers who have not yet tried it should note these facts:—Zam-Buk was unknown ten years ago, yet such is its merit that to-day it has become the standard salve in the homes of four continents! Zam-Buk is purely herbal; contains no poisonous coloring matter; is used by leading medical men; used in the British Army and Navy; used by all best fitted to know the needs of the skin. Make it your family balm!

Mr. J. C. Bates, of Burks Falls (Ont.), says:—"Zam-Buk cured my three children, who were all broken out in sores to such an extent that it was pitiable to see them. These sores had defied all remedies previously applied, but I am glad to say Zam-Buk healed them."

Miss S. G. Hamilton, of Alliston (Ont.), says:—"My face and hands were one mass of pimples and blotches. These would itch, and when rubbed, broke out into sores. Whenever I put water near the affected parts it caused a stinging sensation and much pain—just as if I had been scalded. Nothing that I applied seemed to do me any good until I tried Zam-Buk. That gave me relief, and a few weeks of the Zam-Buk treatment resulted in a perfect cure."

Zam-Buk cures pimples, skin eruptions, cuts, burns, bruises, piles, festering sores, ulcers, blood-poisoning, eczema, ringworm, bad leg, discolored nails, and all skin diseases and injuries. Rubbed well into the parts affected, it cures neuralgia, rheumatism, and sciatica. All Druggists and Stores sell at 50c. box, three for \$1.25, or post free from Zam-Buk Co., Toronto, for price.

is shown in the quarterly official board vote. Of the 500, twenty boards voted for union while one voted against. And yet this great proportional vote by the boards is reduced to eight to one in individual votes when all the figures are taken. Only about twenty-five boards of the 500 cast straight vote against union. Over 100 voted for the amalgamation on the proposed basis.
