Public School Closes

Continued from page 1

stock. He hoped that all the graduate would be successful in life and he looked forward to them to be a great credit to Woodstock, at higher institutions of learning in the arts and science courses.

Medal, donated by F. B. Carvell for highest standing in Grade XI in Mathematics, presented by J. T. A. Dibblee won by Lee Seely.

Coun. Dibblee said he was sorry that Mr. Carvell was unavoidably absent because he could better express his words of congratulation to the winner, who judging from to-night's experience, should have fortified himself with larger pockets in order to carry off the numerous prizes he had won. Lee Seely was a credit to the town; his friends will watch his future course and as he intends continuing his studies at the University we look for him to carry off some valuable prizes at that institution.

Prize, donated by Rev. F. Baird for highest standing in Grade XI in Latin, presented by donor, won by Lee Seely.

Rev. Frank Baird, in an eloquent address, referred to the culture received from a study of Greek and Latin, and thought those studies should not be neglected. He congratulated the winner, Lee Seely, and prophesied a bright future for that clever young student.

Prize, donated by Mr. J. Douglas Carey for second highest standing in Grade XI won by Helen Plummer.

J. D. Carey said he spoke for the large body of students who have won no prizes. He applauded those who had taken part in the race, even if not winners: they sometimes were really harder workers than the winner. The speaker then recited a piece of poetry, bearing on the point made. This recitation reminded him that a few years ago Judge Carleton remarked at a school closing that he would give a prize to the student who would stand on the platform and recite the school history, school prophecy, etc; this offer had never been accepted. Although Mr. Seely had very high marks, an average of over 90 per cent, this young lady, Miss Plummer, had an average of 86 per cent all round, which was very creditable indeed.

Prize donated by H. V. Dalling for highest standing in Grade X, presented by W. T. Denham.

Medal donated by E. W. Mair, for highest standing in Grade IX, Mathematics, to be presented later, won by Mary Balmain.

Principal Denham, then presented the diplomas to the graduating class, 15 in number, the largest class in the history of the High School, and one of the brightest that has ever made its bow to the world from a Woodstock platform. The whole affair was unusually interesting and meritorious. Woodstock is certainly proud of the following young men and woman who made up the class of 1913 of the Fisher Memorial School:—

GRADUATING CLASS.

BALMAIN, DOUGLAS HUME.
 CONNELL, GWENDOLINE EARLE.
 CONNELL, HELEN MARGUERITE.
 DEMMING, EVELYN MURIAL.
 GINSON, HENRY WARD.
 HALLET, ALICE MAY.
 M'GIBBON, JASPER ALLEN.
 PLUMMER, HELEN CASSANDRA.
 SANBORN, AURILLA GERTRUDE.
 SEELY, WALTER LEANDER.
 STAIRS, THELMA GLADYS.
 SULLIVAN, CELLA MARIE.
 TEDLIE, EVELYN GRACE.
 TILLEY, JEAN MARGARET.
 VANWART, ELVA NOREEN.

Potatoes Take A Tumble Down.

FORT FAIRFIELD, June 27—The bottom has dropped out of the potato market and instead of getting \$2.10 a barrel for the tubers, some of the farmers hereabouts are glad to sell them for 25 cents a barrel to be used as feed for hogs and horses.

Several of the large farmers in this vicinity have themselves left with from 500 barrels for which they at first asked \$2 a barrel. It is so that they are not greatly affected by the situation. Some of the farmers' houses, after orders for potatoes, refused to accept any more, as the short season had blown up.

The Fall Term

AT

FREDERICTON
 The Business COLLEGE.
 W. J. OSBORNE PRINCIPAL.

opens on

TUESDAY, SEPTEMBER 2nd.

If you have not already had a catalogue, send for one at once. Address, W. J. OSBORNE, Principal, Fredericton, N. B.

KIRKLAND

We are having very pleasant weather at present, but we had a severe thunder storm it did some damage at North Lake to the residence of Robert Clarke.

The stork left a young son at the home of Mr. and Mrs. Albert Dickinson on June 14th. He weighed 11 pounds.

The W. A. of the Anglican Church met at the home of Mr. and Mrs. Louis Mushroo.

The W. F. M. Society held their monthly meeting at the home of Mrs. George Dickinson.

Waldon Dickison and Samuel Nicholson are quite poorly at present.

Messrs. George and James Dinnin have each purchased new driving wagons.

There was a basket sale and dance in the Temperance Hall under the auspices of the C. O. F.

Wallace Crawford from Houlton is visiting his parents for a few days.

Rev. A. W. Teed organized a Sunday School at the School houses in Monument Settlement and Golden ridge.

Joseph Hall, of Maxwell, moved in the Presbyterian Manse for the summer.

Sanford Hawkes has bought the farm of the late James Kennedy.

THE BALKAN WAR CLOUD SPREADING

NEW YORK, June 28—A London cable says: Fresh complications have arisen in the Balkan situation. Roumania is now reported to have abandoned her attitude of neutrality and decides to support Serbia against Bulgaria in the event of war among the Allies. This decision, if true, places Bulgaria in an extremely awkward position. Without a real ally she would be exposed to attack on all sides, by Roumania on the north, Serbia on the west and southwest, Greece on the south and possibly Turkey herself on the east. Simultaneously with this news, comes the report that Serbia intends to annex the districts occupied in Macedonia, including those allotted to Bulgaria by the antebellum treaty of alliance. Such action, of course, further aggravates the situation.

LONDON, June 28—Reports from the Balkans today indicate that new complications had arisen in the situation. A despatch from Bucharest to-day said that the government has ceased granting furloughs to Roumanian soldiers. The war office, it was reported, was making all preparations for a complete mobilization of the army. It is reported that Roumania is about to abandon her intention of taking sides with Bulgaria because of the refusal of the Bulgarian government to give up certain territory.

TORCH-LIGHT PARADE.

A torch-light parade is about as pretty and imposing a spectacle as is ever seen at a Fourth of July celebration. When darkness descends upon the great festivities for the Fourth at Fort Fairfield, the torchlight parade, consisting of mounted bearers of torches of all colors, followed by foot bearers of torches, all brandished in lively and artistic ways, will begin, the procession moving through the various streets of the town. Nothing could be much more pleasing than such a parade, showing its graceful and variegated colors at every turn.

Rev. Dr. McLeod

In the death on Tuesday June 24th of Rev. Dr. Joseph McLeod the province of New Brunswick lost one of its best citizens, the Baptist denomination one of its most energetic and forceful pastors and the temperance cause a champion whose tongue and pen were ever working for man's uplift. Rev. Dr. McLeod was a man of the highest character, whose strong and vigorous personality compelled the respect even of those he most energetically opposed and throughout the province to-day there is general regret over his death. Rev. Dr. McLeod, caught a cold about three weeks ago and bronchitis developed. His condition, however, was not considered serious until Tuesday when he became suddenly worse and passed away about 4 o'clock in the afternoon. Rev. Dr. McLeod was born in this city on June 27, 1844 the son of the late Rev. Ezekiel McLeod, who was for many years pastor of the Waterloo Street Baptist church. His father established the Religious Intelligencer in 1853 and as a young man Mr. McLeod became identified with him in its control. In 1863 he was ordained to the ministry and for twenty-six years thereafter was pastor of George Street Free Baptist church, Fredericton. Throughout those years he continued his connection with the Religious Intelligencer making it a power for good among the people of his denomination. A warm advocate of union, Rev. Dr. McLeod did much to bring about the amalgamation of the two Baptist bodies. In 1905 he became associated with Rev. Dr. S. McCulley Black in the editorial control of the Maritime Baptist and in 1909 on Dr. Black's death he became the editor and has since directed the policy of this very excellent religious weekly.

Rev. Dr. McLeod was one of the greatest advocates of temperance in Canada. He was a member of the Royal Commission appointed some years ago to investigate the liquor traffic and presented to the Parliament of Canada a minority report in which he recommended the adoption of a national prohibitory law. For some time he was president of the Dominion Temperance Alliance, and has visited and spoken in nearly every part of Canada. In 1900 Rev. Dr. McLeod ran as a prohibition Conservative candidate in York county, and came within 67 votes of defeating Mr. Alexander Gibson, and that without the expenditure of a single dollar.

Rev. Dr. McLeod was a well informed man, an eloquent and forceful speaker, absolutely fearless yet, with a kindly disposition. He was a genial companion and friend and a most generous giver to all worthy objects.

Before the union of the Baptist churches Rev. Dr. McLeod was the leading representative of the Free Baptist church in the province, and was elected first president of the United Association. Since the union he has held many important positions and taken a prominent part in the councils of the United Church, and has worked wholeheartedly and wisely to blend the two bodies.

Besides his wife who was Miss Jane Fulton Squiers he leaves three daughters and two sons. His daughters are Mrs. Maurice White, South Africa; Mrs. J. Frederick Boyer, Victoria, Carleton county, and Mrs. Blanchard Fowler St. John. The sons are Hon. H. F. McLeod, Fredericton, and Norman P. McLeod, ex-alderman of St. John.

At 3.30 Wednesday afternoon a funeral service was held at his late residence, 236 King street East by Rev. Wellington Camp, and the remains were taken to Fredericton the same evening. At 2.30 o'clock Thursday afternoon the funeral took place from the residence of his son, Hon. H. F. McLeod.

DOWVILLE

The weather has been quite droughty for some time but there has been two light showers lately.

Harry Hatfield, of Fredericton, spent Saturday and Sunday with his parents Mr. and Mrs. W. T. Hatfield.

Ernest Dow, of this place, had his third finger from the thumb jammed in an unprotected cog wheel in Burt Dunham's Saw-mill, at Camel Settlement so badly that it had to be amputated. Dr. Murdoch of Canterbury is in attendance.

Mr. and Mrs. Wendal Phillips were the guests of Mrs. R. Dore recently.

Hugh Smith, of Canterbury, was in Dowville on business 28th inst.

Mr. and Mrs. W. T. Hatfield are attending the U. Baptist district meetings at Upper Hainsville.

John A. Patterson of this place was in Pokio 25th inst.

Mrs. Eliza O. Brown of this place was the guest of Mrs. W. T. Hatfield, of Hatfields, 23rd inst.

Causes Much Disease

Advice about Stomach Troubles and how to relieve them.

Don't neglect indigestion, for it may lead to all sorts of ills and complications. An eminent physician once said that ninety-five per cent of all ills have their origin in a disordered stomach.

Our experience with Rexall Dyspepsia Tablets leads us to advise them to be one of the most effective remedies known for indigestion and chronic dyspepsia. Their ingredients are soothing to the inflamed membranes of the stomach. Rich in Pepsin and Bismuth, two of the greatest digestive aids known to medicine, the relief they afford is very prompt. Used persistently and regularly for a short time, they will relieve pains caused by stomach disorders.

Rexall Dyspepsia Tablets help insure healthy appetite, aid digestion, and promote nutrition. As evidence of our faith in them, we ask you to try them at our risk. If they do not give entire satisfaction, we will return the money you paid us without question or formality. Three sizes, 25 cents, 50 cents, and \$1.00. You can buy Rexall Dyspepsia Tablets in this community only at our store:

EDGAR W. MAIR.

Woodstock New Brunswick
 The Rexall Store

There is a Rexall Store in nearly every town and city in the United States, Canada and Great Britain. There is a different Rexall Remedy for nearly every ordinary human ailment especially designed for the particular ill for which it is recommended.

The Rexall Stores are America's Greatest Drug Stores

The Sheep Extension Car.

The Sheep Extension Car left Saturday morning for Woodstock. While in this city the visitors to the car were numerous and all were highly impressed with the exhibit.—Gleaner.

NEW STALLS.

There are 21 brand-new stalls at the Fort Fairfield trotting-park, placed there particularly for use at this Fourth-of-July celebration, but of course good for many years. With the accommodations there before these stalls were built, nearly 40 horses can now be nicely housed at that track, which is enough to give a splendid horse meet there July 4th.

TO REMOVE NEGRO UNIVERSITY IN SOUTH.

NEW ORLEANS, La., June 28—Bids were opened to-day for the sale of the New Orleans properties of Southern University, an institution for the education of negroes, which is to be moved to some town in the interior of the State.

This marks the end of a long and expensive legal fight to keep the university in New Orleans. The institution is subject to the control of the legislature. For some years efforts have been made to move it to an agricultural district, where the objects of the school could be worded out to a better advantage. When the legislature finally ordered it moved an injunction against the change of location was obtained. The legal fight was ended a week or so ago when the Supreme court decided that a citizen had no standing in court when opposing a decree of the legislature unless the decree should be unconstitutional.

ATHLETIC CONTEST.

At Fort Fairfield July 4th will be a lot of athletic contests, such as running high jumps, standing high jumps, running broad jump, hammer throw, shot put, hurdle races and mile races, besides many dashes. These contests will be participated in by the athletic teams of the various high schools in Arcostook county, which recently competed in Presque Isle. Which town furnishes the best athletics?

Microbes in Your Scalp

Authorities say that a microbe causes baldness. If you are losing hair try our remedy at our risk.

Professor Unna, of Germany, and Dr. Sabouraud, the great French Dermatologist, claim that a microbe causes baldness and their theory has been verified by eminent scientists. This microbe destroys the hair follicles, in time causing the scalp pores to close and the scalp to become shiny. Then, it is believed nothing will revive the growth. If treated before this occurs, baldness may be overcome.

We know of nothing that has given such universal satisfaction in treating the scalp and hair as Rexall "93" Hair Tonic. It has been designed after long study to overcome the cause of falling hair as discovered by Prof. Unna, Dr. Sabouraud and other scalp and hair specialists, and we believe it will do more than anything else can to remove dandruff and stop falling hair; and if any human agency can promote a new growth of hair it will do that, too.

We want you to make us prove it. We will pay for a month's treatment of Rexall "93" Hair Tonic used during a trial, if you will use it according to directions, and are not thoroughly satisfied. When we will do this, you surely should not hesitate to at least try it.

Start the treatment today. Your mere request will get your money back if you want it. Two sizes, 50c and \$1.00.

You can buy Rexall "93" Hair Tonic in this community only at our store:
