RECITAL.

There will be a Recital given by the Choral Society and pupils at the Woodstock School of Music on next Sunday evening after church, beginning at a quarter of nine. The music will be of the highest order from the Oratorios and Compositions that are suited to church and Sunday. There will be selections from the celebrated "Adagio and Largos from Beethoven, Mozart, Verdi, Mendelssohn, Hadyn, Handel and others of the Great Masters. There will be both vocal and instrumental music. The Palms, sung by Mr. Le-Roi Mooers who has a fine bass voice and the "Lost Chord" arranged as a chorus will be features. It is by invitation.

The musical numbers on the program at the Graduating Exercises of the High School Class 1913, in the Assembly Hall of the Fisher Memorial School are deserving of the highest praise. Miss Elva Vanwart opened the evening with a most brilliant rendering of a difficult composition the Danse Rustique by Dr. William Mason. Her playing without notes was a wonderful accomplishment especially when we remember that Miss Vanwart is only a school girl. The vocal numbers a Sextette sung by the Misses Lillian Jones, Stella McKinney, Mary Dickinson, Elva Vanwart, Irma Jones, and Evelyn Nicholson and the Duet, "Across the Still Lagoon," sung by Stella McKinney and Evelyn Deming were finely rendered and greatly enjoyed, Miss Lamb played the accompaniments in her usual finished manner.

THERE IS A REASON WHY OUR PRICES ARE LOWEST.

We belong to a club of over 5000 of the retail Druggists of America, known as the Rexall Druggists who do their buying in combination.

The annual purchases of this club amounts to many TONS of MILLIONS of DOLLARS and it is QUANTITY that MAKES PRICE, besides we cut out the middle-man's profit.

Don't you see now why it is that you can do better with us than with the Druggist who buys alone and through a middle-man at that.

We save you money, besides enabling you to choose from splendid big lines of many kinds that often can't be found anywhere else.

NERVOUS TROUBLES ON THE INCREASE.

They Are Due to an Impoverished Condition of the Blood.

Nervous exhaustion—or neurasthenia, as medical men call it—is one of the greatest evils of the present day, for it is destroying the life and energy of thousands of men and women, or worse, driving them to insanity. The causes of this trouble include overwork, mental strain, worry, indiscretions, and sometimes it follows la grippe. The signs of this trouble are usually great weakness after any exertion, nervous headaches, trembling hands, shakiness in the legs, irritability of temper, weak digestive power, insomnia. The life of the sufferer becomes full of miseries.

The true treatment for this trouble must consist of a building up process, for the above signs mean that the exhausted nerves are calling for more nourishment from the blood supply. Dr. Williams' Pink Pills make new, rich blood that feeds the starved complaining nerves, and in this way they have cured thousands of times neurasthenia, neuralgia and other nervous disorders, and have restored strength and nerve-energy to despairing people. Mrs. Isaac Wilson, Calabogie, Ont., gives thanks for having been restored to health through the use of this medicine, she says: "When I began using Dr. Williams' Pink Pills I was a nervous wreck; I couldn't do my work, could

not sleep at night, suffered from nervous headaches, and the least noise would completely upset me. Only those who have suffered from nervous trouble can tell what I endured. I doctored for a time, but did not get any benefit. Then I learned of Dr. Williams' Pink Pills and sent for a half dozen boxes. By the time I had used these I was almost well and a couple of more boxes completely restored my health, and I have had no return of the trouble. I can cheerfully recommend Dr. Williams' Pink Pills to those who suffered from any form of nervous trouble."

If you are weak, nervous or out of health begin to cure yourself to-day with Dr. Williams' Pink Pills. You can get them from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
