Bertram Kelly.

The first fatal accident which has occurred in the construction of the St. John Valley Railway caused the death at noon on Wednesday by premature explosion of Bertram Kelly sub-contractor, aged 23 years, of Kingsclear. His body was thrown through the air a distance of almost 200 feet, and death was practically instantaneous, for when his employees reached him he was dead. His contract was near Frederickton between that city and Woodstock.

NOTICE

A General meeting of the shareholders of the "General Lands Ltd" will be held at the office of J. C. Hartley on Friday the Fourteenth day of February next at Eight of the clock in the afternoon for the purpose of organizing the said Company and electing Directors, and such other business as may legally be brought before the said Company.

Dated at Woodstock N. B. this Twenty-eighth day of January A. D. 1913.

George E. Balmain.

Mrs. John Riley

There died at the home of her son-in-law, Mr. F. A. Plummer, on Tuesday, Feb. 3rd, Mrs. John Riley, widow of the late John Riley, who for some years was connected with the Iron Works at Upper Woodstock.

Mrs. Riley was born at Richmond, N. B. and has lived all her life in Carlton County. She was 75 years of age, and leaves one son, William, in Seattle, U. S. and one daughter, Mrs. Plummer, with whom she had made her home for several years.

Mrs. Riley was a member of the Presbyterian Church from her youth. She was a lady of kindly and gentle manner and was much beloved by all who knew her. Her funeral held on Thursday, the 5th. inst., was largely attended. Interment was in the town cemetery. Rev. F. Baird officiating.

Town Council.

The regular meeting of the town council was held on Friday night. Present, Couns Gallagher, Jones, Lindsay, Balmain, Burden and Dibblee.

In the absence of His worship Mayor Jones, Coun Lindsay was voted to the chair.

Minutes of the last meeting, were read and approved.

Coun. Dibblee stated that Supt. Harshaw had reported to him that the C. P. R. was doing its utmost to have the gates put on the crossing on King St. He (Harshaw) had giving instructions to his carpenter to proceed with the work at once.

Couns. Balmain and Gallagher made a strong plea for an early meeting to consider the estimates.

Moved by Couns. Balmain and Gallagher and passed that the next meeting of the Council be held on Monday, 17th inst., to consider the estimates.

Coun. Burden asked if there was a town by-law regulating the measurement of wood. Now, many people are paying at the rate of \$10 or more a cord.

Coun. Burden was informed that there was such a by-law, but that it seemed pretty hard to enforce it, as the sellers claimed they were not selling by the cord; but by the load.

Coun. Balmain moved, seconded by Coun. Gallagher, the following resolution:

Whereas—The Carleton County Agricultural Society had been left without lands and buildings owing to the construction work of the St. John & Quebec Railway through their former lands, this Council deem it advisable to request the trustees of the John W. Connell estate to sell at a reasonable price that portion of the John W. Connell property lying between the land owned by the estate of the late L. P. Fisher, in Elm street, and that part now used by the Golf Club, some 14 acres, to the said Agricultural Society for agricultural buildings and for such other purposes as the society deems necessary.

Coun. Balmain said that they all knew that the Carleton County Agricultural Society now had no grounds. There was an agitation to procure a site, part of the late L. P. Fisher land and part of the John Connell property. The mayor was one of the trustees, and this resolution would strengthen his hands.

Coun. Jones would oppose the motion unless the resolution stated how much land was needed and what it was wanted for, and what price the society would be willing to pay.

Coun. Balmain said he had lived in the vicinity of the desired land for over 20 years. No improvement was made during that time, and no improvement would likely be made for the next 20 years unless the land is used for some purpose as it is now wanted for. It will be a great gain to the town to have the swamp cleaned up. This is a live town and we must have the agricultural buildings and trotting park.

Coun. Dibblee said that it was very important to have good buildings for the agricultural shows. The society intends to erect very fine buildings, suitable for a county and provincial show.

Coun. Gallagher went into the matter fully. He explained how successful these shows had been in St. Stephen and Presque Isle. Splendid buildings will be erected and the fairs will be held yearly.

The resolution then carried unanimously.

Acting-mayor Lindsay explained the section in the statutes giving the police magistrate power at present to set prisoners working at hard labor on the streets.

Solicitor Hartley agreed that Mr. Lindsay was right. All that might be necessary is to make provision for some certain officer to take charge and work the prisoners, which power might be given to the chief of police or superintendent of streets. There was no necessity for a new by-law.

Moved by Coun. Jones, seconded by Coun. Dibblee and passed that the superintendent of water works be instructed to order two new hydrants.

Coun. Dibblee requested that the finance committee look into the question of the appointment of a permanent auditor, with a scale of prices, to check up all bills before payment by Council.

Coun. Balmain thought if the permanent auditor was a purchasing agent it might be feasible, but if the chairman of the committee familiarized themselves with the prices of all goods purchased in their departments before approving the bills, the present system was just as good and cheaper than hiring a permanent auditor.

The Council then adjourned.

Board of Trade

The annual meeting of the Woodstock Board of Trade was held in the Town Hall, Wednesday evening, and was largely attended. The board has now a membership of 100 and the members are enthusiastic over the outlook for the future of the town.

The treasurer's report for the past year showed a tidy surplus.

The following officers were re-elected for the ensuing year:

President—J. T. A. Dibblee,
Vice President—W. S. Tutton,
Secretary—A. D. Holyoke,
Treasurer—Geo. E. Balmain.

The following were appointed members of Council—C. Allan Smith, E. W. Jarvis, J. W. Gallagher, Wallace Gibson, Geo. W. Gibson and H. V. Dalling.

Nominating committee—E. W. Mair, E. L. Hagerman and C. Allan Smith.

Membership Committee—Geo. W. Gibson, A. W. Burpee, A. F. Garden, and Wallace Gibson.

Publicity Com.—E. W. Mair, A. D. Holyoke, W. S. Tutton.

On motion of A. D. Holyoke the membership fee was placed at \$2.00 per year.

A motion of Mr. Sutton that the Secretary be paid a salary of \$50.00 per year brought Mr. Holyoke to his feet. He stated that he did not want a salary and was willing to donate to the board the \$50.00 allowed him by the By-laws.

After an interesting discussion of other important affairs the Board adjourned to meet Wednesday evening Feb. 19th.

Mrs. John Laskey
