

Bee Keepers Association

H B Durost, Prov Apiarist and Sec-Treas of the N B Bee Keepers Association is in town today. He reports a greatly increased interest in bee keeping since the organization of the Bee Keepers Association. He has received several applications for membership within the past few days, also many enquiries from persons wishing to buy bees. Any person having bees for sale would do well to get in touch with him.

The best time to secure bees, however, is in the spring. Buy either a well wintered colony or a prime, or first swarm. For the beginner who has little knowledge of the habits of bees the latter will make the better investment.

Bees, to be profitable, must be in modern movable frame hives. Mr Durost would advise those buying bees to insist that the bees be in such hives. The hive that is the standard and preferred by the great majority of bee-keepers the world over, is the Langstroth hive. The eight-framed Langstroth has had the preference in the past, especially for comb honey, but the ten framed hive is gradually running its way to the front.

The adoption of a standard hive—the hive placed on the market by all the large concerns handling bee supplies—greatly facilitates the securing of supplies. The use of but one make of hive in the yard makes the interchange of frames and combs possible, a proceeding which is sometimes necessary in the proper care of bees.

A good colony of black or common bees, in a modern hive, is worth from four to seven dollars. Italian bees are usually considered somewhat more valuable.

If you have bees to sell or wish to buy; if you have bees in old style hives and wish them transferred; if you need help of any kind in caring for your bees, get into communication with Mr Durost, join the New Brunswick Beekeepers Association and become a progressive bee-keeper.

Funeral of Lewis Milmore

The funeral of the late Joseph Lewis Milmore, who was born here on June 1st, 1886, and died in the hospital at Edmonton, Alta, at 12:30 on the morning of Oct 2, and whose body arrived here on Wednesday afternoon, took place from the home of his father, J C Milmore, Friday morning. The remains were followed by a long procession of sorrowing relatives and friends to St Gertrude's church, where a high mass of requiem was celebrated by Rev F J McMurray. The service was solemn and impressive and many tears of sympathy were shed. The funeral cortege then proceeded to the Catholic cemetery, where the remains were tenderly laid away. Besides numerous mass cards, the floral offerings included a handsome wreath from the Baseball Association. The pall bearers were Messrs Roy and Guy McLauchlan, fellow players with deceased on the famous Colts Baseball Club of ten years ago; Harry Stevens, whom the deceased heroically rescued from drowning when they were lads; W H A Hamilton, Frank McGorill and Ambrose Kelly.

A large crowd gathered at the Orange Hall, Plaster Rock, last Wednesday night, where a birthday party was held under the auspices of the Baptist Sunday School. Some old bachelors paid a heavy tax, or every person present were supposed to pay a cent according to the number of birthdays they had had. Many paid 47cts, as they had experienced 47 birthdays, and perhaps 50. The sum of \$47.20 was raised.

Allen-Barter

On Oct. 1st a wedding of interest was solemnized in the parlor of Mrs. Logan, No. 4, Charles street, St. John, N. B., by Rev. W. P. Dunham, when he united in marriage William Lewis Allen of the I. C. R. staff, Moncton, and Miss Jennie Laura Barter, eldest daughter of S. G. Barter, of Avondale, N. B.

The bride was given away by her father. The room was tastefully decorated for the occasion, Mr. and Mrs. Allen will reside in Moncton.

TOWN COUNCIL.

The Council met in regular monthly session Monday night

Couns. Gallagher and Lindsay were absent. The report of the town treasurer was read and referred to the finance committee. A number of bills were present and referred to the audit committee.

John Bagley, driver of the tow team, resigned and the question of filling the vacancy was laid over until Coun. Lindsay's return—he being the chairman of the fire department.

A discussion took place over a move to relieve the Imperial Packing Company of the lien on the property held by the town. Coun. Balmain intimated that if some arrangements were not made to take the lien off, the company would suspend operations, as it was found to be very hard to finance the concern with this mortgage hanging over it. He was supported by Coun. Dibblee who would regret to see the concern go out of business. The town could help it very materially by relinquishing its claim and he thought it should be done. Coun. Burden and Coun. A. E. Jones spoke strongly against the proposed action.

The matter was allowed to drop for the present.

Mrs Allen Jamer

The community was very much shocked to learn of the death of Nellie wife of Allen Jamer of this place which occurred Friday morning Sept. 19th., in the 28th year of her age. Mrs Jamer was the daughter of John and Effie Larlee of the Tobique Narrows. She professed religion at the age of thirteen and was baptized under the labours of Rev G A Giberson. She lived a consistent Christian life and was much beloved by the community where she lived. The funeral was the largest ever seen in this place, the flowers and wreaths were beautiful. Rev G A Giberson preached the funeral sermon from Mat. 14:8th. She hath done what she could. It was a strong tender appeal to the living. The C O C F conducted the service at the grave of whom the deceased was a member.

These sudden changes bring on colds, cramps and colic and unless baby's little stomach is kept right the result may be serious. There is nothing to equal Baby's Own Tablets in keeping the little ones well. They sweeten the stomach, regulate the bowels, break up colds and make baby thrive. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
