whiskey, valued at a quarter of a million dollars.

The threatened collapse of weakened buildings was the only source of anxiety, as the crest of the flood has passed Louisville at a stage slightly more than 40 feet.

Lower River points to-day continued to experience rising water. Paducah, with water standing more than two feet deep in the lower sections of the city, faced the menace of a useless lighting plant. Henderson and Owensboro, safe from flood waters themselves, were taxed with the care of hourly increasing refugees.

At Wickliffe, where are gathered more than 3,000 refugees from Hickman Cairo and Columbus, the shelter situation was becoming acute.

Cincinnati, Ohio, April 2—After remaining stationary nearly 24 hours, the Ohio river began falling here to-day. The indications are that it will continue to fall slowly and that the end of the flood is in sight.

Replenish Your Blood In The Spring

Just now you are feeling "out of sorts"—not your usual self. Quite exhausted at times and cannot devote real energy to your work. Sleep does not rest you and you wake up feeling "all tired out." Perhaps rheumatism is flying through your muscles and joints, or may be your skin is disfigured by rashes, boils or pimples. Headaches, twinges of neuralgia, fits of nervousness, irritability of temper and a disordered stomach often increase your discomfort in the spring.

The cause—winter has left its mark on you. These troubles are signs that your blood is poor and watery, that your nerves are exhausted. You must renew and enrich your blood at once and restore tone to your tired nerves, or there may be a complete breakdown. The most powerful remedy for these spring ailments in men, women and children is Dr. Williams' Pink Pills for Pale People, because these Pills cleanse bad blood and strengthen weak nerves.

New, rich, red blood—your greatest need in spring—is plentifully created by Dr. Williams' Pink Pills, and with this new, pure blood in your veins you quickly regain health and increase your strength. Then your skin becomes clear, your eyes bright, your nerves strong, and you feel better, eat better, sleep better and are able to do your work.

Begin your spring tonic treatment today for the blood and nerves with Dr. Williams' Pink Pills—the Pills that strengthen.

These Pills are sold by most dealers, but do not be persuaded to take "something just the same." If you can't get the genuine Pills from your dealer they will be sent you by mail, post paid, at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.
