MUSIC

"The Dispatch" has opened a department for music, not only for the town; but also for the County, and anything of interest in the musical line will have a place in this department. Address: Music Department, "The Dispatch."

Benefit For The Hospital

The Concert Recital in aid of the Fisher Memorial Hospital promises to be a great treat for those who enjoy good music. The principal part of the program will be the playing of the piano by the two youthful Artists, Francis Glenn Adney and Thelma Blake. Thelma is twelve and Glenn just eleven years old. They will not play children's pieces but difficult Compositions that are generally only possible to skilled adult performers. To hear them play the "Chopin Military Polonaise" the original edition two pianos in unison will be, alone, worth the price of admission. Chorus Singing, Vocal Duets and Solos will make up variety in a most fascinating program.

Howe's Great London Show.

Undoubtedly the largest crowd that has ever been seen in this town will be drawn here when the Howe Great London Show comes on THURSDAY JULY 17

The drawing power of the show is nothing short of phenomenal. The railroads and, in fact, all lines of transportation, realize this fact and take advantage of it by offering reduced rates on all the various lines controlled by them. Often to accommodate the thousands who flock to the show, they are obliged to put on extra cars and even trains.

The Howe Great London show should not be confused with others that periodically invade this section, for it is far ahead of them from every point of consideration. That is why it is so essential to bear well in mind the date of this show's exhibition here and not let it be confused with that of any other that may be headed this way. The fact that the very best is to be here on THURSDAY JULY 17 is something that all should feel proud of and make their arrangements accordingly.

While it may be early when the show arrives, it will be none too early for those who intend to make a day of it to secure desirable points of vantage from which to see the grand street parade, which will leave the show grounds at 10 o'clock in the morning and pass through the principal streets. This should be seen whether or not you see either for the performance. It would be well also to arrange to see the great free outside exhibition, which will be given on the show grounds immediately upon the return of the parade. Neither of these should be overlooked, as they are as free as the air you breathe and well worth seeing, as they form a fitting prelude of the great performances which follow. Remember these. Parade, 10 o'clock. Afternoon performance at 2 o'clock. Evening performance at 8 o'clock. Doors to menagerie and band concert open one hour in advance of each performance.

Town Council

All the bills from the audit committee were read and orders were drawn on the treasurer for the several amounts.

Among the bills was one for the part payment of the men at the railway gate on King street.

Voted that the salaries falling due be ordered paid.

The chairman explained how ex-mayor Ketchum appeared before the railway commission in the matter of protection for the crossing at King street. The commission ordered the gates to be put on, the supposition being that the town and county would each pay its share, but the county had refused to pay the bill.

Coun Jones—I do not believe that we should pay the bill. It is simply another white elephant put upon the town. The taxes are going up by leaps and bounds. We should make an effort to lower the taxes and this in a small way can be accomplished by refusing to pay such bills.

Coun. Gallagher—The railway commission has decided that we must pay our share. I would like to refuse to pay the bill if it legally can be done.

Coun. Lindsay—I for one do not want to pay any bill that is unnecessary. The clerk has said that we must pay the bill as the railway commission has ordered.

Moved by Coun. Jones and Burden that the bill for \$60, payment for gate keeper, be reconsidered.

Moved by Couns. Lindsay and Jones and passed that the bill be laid over until August meeting.

On motion of Coun. Lindsay the officers of the hose company were confirmed as follows: W. F. Bolger, chief; R. S. Welch, 1st foreman; J. P. Pickel, 2nd foreman; Roy McLaughlan, secretary; J. A. Gibson, treasurer.

A communication from the W. E. R. L. and P. Company was referred to the water committee. Adjourned.

Mrs. Mary Pond

The death occurred at the home of her daughter, Mrs. Samuel McCoombs, of Mrs. Mary Pond, widow of the late Alexander Pond, after a lingering illness. The deceased was 75 years of age and is survived by two sons, Charles and James, of Parker's Ridge, and four daughters, Mrs. John Clarke, of Boston, Mrs. Laurie McLeod, Parker's Ridge, Mrs. Samuel McCoombs of this city, and Miss Alice, of Parker's Ridge. Four brothers also survive, John H. and Benjamin Conley, of Woodstock, Cornelius, of Hartland, Carleton County, and Putman, of Waterville, Carleton County. Two sisters, Mrs. Albert P. Plumber, of Waterville, Carleton County, and Mrs. Thomas Belyea, of St. John, also survive. Services will be held at the home of Mrs. McCoombs this afternoon at 5 o'clock after which the remains will be taken to Parker's Ridge by the I. C. R. express. The funeral will be held Monday afternoon, interment at Ludlow, Northumberland County.
