Alderman John H. Anderson, of Saskatoon, is in the City on a sad mission. He accompanied the body of his mother, Mrs. George R. Anderson, who died recently in Victoria, B. C. interment taking place in Camp Hill Cemetery yesterday. Mr. Anderson was a visitor in Halifax some four months ago, and on his return to his adopted home was re-elected by a large majority. His Halifax friends will be pleased to learn that his work in the Saskatoon Council and popularity in that City, places him well in the lead of aspirants for the Mayorship chair of the "wonder" City.

He was a stonecutter by trade. For several years he was employed on the B. & A. Railroad as a stonecutter and bridge builder. Mr. True was an active worker in the Reformed Baptist church. Thomas W. Allen,

Thomas W. Allen one of the town's best known and highly respected citizens, died at his home, Houlton Road, Wednesday morning, after an illness of eight days, from pneumonia.

Mr. Allen, who was born in Nova Scotia, came to this town forty years ago and secured employment as a moulder, in Connell's foundry. Mr. Allen worked steadily at his trade for forty years and during all that time was one of the valuable employes of the firm. He was quiet and unassuming and truly a home man, though he took much interest in public affairs. He was affiliated with Woodstock Lodge F. & A. M., and was a member of the Baptist church and a liberal in politics. His death is a source of deep regret to his many friends and the family has the sincere sympathy of all who knew him. He was twice married. His first wife was a Miss Gardiner. The widow was a Miss Palmer. He leaves one son by his first wife, Percy, of Denver, Col., and three daughters by his widow, Mrs. A. W. Fields, Mrs. W. Roy McLauchlin and Miss Maud Allan, assistant matron in the Gardiner (Mass) Hospital.

The funeral under Masonic auspices was held at 2.30 from his late residence on Houlton road, and the burial was made in the Methodist cemetery. Rev. A. C. Barrie conducted the funeral services at the house and the pall bearers were Geo. E. Phillips, Jas. Brown, Alex. Beaton and Geo. Gabel.

Town Council.

The town fathers met in regular session Monday night with Mayor Jones presiding. The police magistrate's report for Jan. and Feb. was presented and referred to the police committee. Coun. Burden was granted leave of absence.

The fire committee was authorized to rent the tenement at Lower Corner, (now occupied by Chief Kelly), to John Brown, as soon as vacated.

Coun. Gallagher was in favor of keeping one horse at Lower Corner, providing the present contract has expired. Coun. Jones suggested that the fire committee look into the matter and report to the Council at Friday night's meeting.

Coun. Dibblee asked what authority the Council had in reference to buildings that are a source of danger to the public, owing to their condition—referring especially to the Queen Hotel, which was certainly not a credit to the community; in its present state, besides the danger at tached to it.

Coun. Lindsay moved that the building inspector examine the Queen hotel building and report at Friday night's meeting.

Coun. Gallagher spoke strongly on the dangerous condition of several chimneys in town and felt it was a matter that should be looked after in the interests of safety.

A delegation from the 67th. regiment band was present and on motion they were heard through their spokesman W. E. Stone who in a business-like address asked the honorable board for a grant of \$250.00 for a series of concerts during the summer. On motion of Coun. Gallagher the sum of \$200.00 (same as last year) was granted. Coun. Gallagher also suggested that a band stand be provided and the matter was handed over to the street committee to take whatever action they deemed advisable.

At this point a delegation from the Board of trade was heard. Mr. A. D. Holyoke said the object of the committee in appearing before the Council was in reference to publicity matters. Other towns were advertising with best results. It was not necessary to point out the necessity of bringing the town of Woodstock before outside gaze—the only way to do so was by publicity. It would have a tendency to bring industries and settlers to our midst. The committee was anxious to do something along pulling lines—details had been gone into and a man to handle the matter was in view, but we must have sufficient funds to start upon and he would respectfully ask that the sum of five hundred dollars be granted by the council, to be surrounded by such safeguards as the council may deem wise. He would also state that it was the intention to apply to the County Council for a grant, at their June session.

Mr. Jarvis and Mr. W. S. Sutton of the Committee spoke briefly in support of Mr. Holyoke's request. Mr. Jarvis said we must let people know we have a better place than any other place.

After some discussion in which all the members of the Council took part, Coun. Dibblee, seconded by Coun. Gallagher, moved that the sum of five hundred dollars be granted the Board of Trade for publicity purposes—the motion carried.

Coun. Dibblee said he had been called upon by Messrs. Bamford and Downie of the C. P. R. and these gentlemen intended returning here at an early date and would discuss the question of freight rates. The railway seemed disposed to meet the citizens in good spirit, and he would suggest that any parties having special grievance in regard to rates file the same with the Secty. of the Board of Trade.

She presented a program of considerable difficulty and great beauty, and is talented to an unusual degree. Although Miss Henderson has been here but a short time, still the great number of flowers received that night were ample proof of her popularity.

She was assisted in her program by Mr. R. E. Mell, who has a cultured tenor of fine quality. The whole program was one of the most artistic ever heard in Greenville.

Is War in Balkans now at an end.

London, March 5.—A Belgrade despatch to the Daily Mail says terms of peace between the allies and Turkey have already been secretly settled and that a formal announcement to this effect will be made on Thursday. On the other hand, the Agence Ottoman of Constantinople quotes Grand Vizier Mahmond Sheftk Paftba as saying that peace is not imminent, that Turkey will not cede Adrianople to the Allies and that Turkey is awaiting a decision of the powers as to its latest proposals.

The commentator of the Daily Telegraph telegraphs from Vienna declaring that contrary to numerous recent statements, Turkey has not committed her interests to the care of the powers. This writer records at length his reasons for asserting that an upheaval in Turkey is to be expected. The chief point is the determination of a large section of the army not to rest until the Young Turks are put down and out. He quotes high military officials as informing him that the moment Adrianople is ceded to the allies, chastisement will be administered to the men who murdered Nazim Pasha, demoralized the army and who are responsible for every disaster that has befallen Turkey since the revolution.

Fred. Jewett

The community was shocked to hear of the death of Fred. Jewett, a well known resident of Waterville, which occurred suddenly on Monday evening, Feb., 24th. He had worked in his shoe shop all day; and at 5.30, while splitting kindling in the wood shed he was seized with a severe pain in the back. Assisted into the house he died before medical aid could reach him. Death was ascribed to a ruptured blood-vessel.

Mr. Jewett was a man of true worth, industrious and upright. He was a Methodist in religion and a Conservative in politics. Born at Waterville, he spent his life there. His wife, formerly a Miss Gallupe, survives, as do two sons: Rev. L. H. Jewett, pastor of the Methodist church at Murray Harbor, P. E. I., and Arnold F. Jewett, of Vancouver. —Hartland Observer.

J. Rankin Brown, who underwent an operation in the Fisher Memorial Hospital Thursday last, is steadily improving in health. J. Albert Hayden, who was operated upon a few days previous, is also convalescing rapidly.
