\$500 Parting Gift To Dr. MacDonald.

The congregation of the United Baptist Church Friday evening passed a resolution accepting with regret the resignation of their pastor, Rev. Dr. J. H. MacDonald, who has accepted a call to the McPhail Memorial Church at Ottawa, Ont., and decided to present Rev. Dr. MacDonald with a parting gift of \$500.

The meeting was largely attended and Mr. J. W. Spurden acted as chairman. The resolution to accept Rev. Dr. MacDonald's resignation was moved by Mr. Havelock Coy, one of the deacons, and was seconded by Mr. Arthur Porter. In addressing the meeting they referred to the regret with which the congregation viewed the decision of their pastor to go to Ottawa, and said that if it had been at all possible the church would certainly have retained the services of Rev. Dr. MacDonald, who had been so successful in his pastorate extending over the past twelve years.

Mr. F. W. Porter, the treasurer of the church, moved the resolution that the church give to Rev. Dr. MacDonald \$500 as a parting gift, and it was seconded by W. G. Clark. In the course of their remarks they referred to the regret with which not only members of the congregation but the citizens generally felt that Rev. Dr. MacDonald is to leave Fredericton, and spoke of the energy and perseverance which he had displayed in his church work and in all movements for the betterment of the city, and which, with his splendid character and

disposition, had won for him such a warm place in the hearts of all.

The resolutions passed unanimously and the deacons and treasurer of the church were appointed a committee to arrange for temporary supply and to also take up the work of securing a permanent pastor for the church. It is likely that the temporary supply for a fairly long term will be arranged so that a permanent appointment to the pastorate is not expected for a long time, Gleaner.

George W. Boyer.

The death occurred on Tuesday forenoon of George W. Boyer, one of the oldest and best known men of the county. He had been confined to the house for several months by the debility old age and for a few weeks was unable to leave his bed.

Mr. Boyer was born at Victoria Corner 79 years ago the son of Ce. Rex Boyer and Chloe, his wife. He was the last of the family, James W. and Amos, his brothers and Mrs. M. P. Crisler, Mrs. W. B. Taylor, Mrs. Duncan Dickinson and Miss Lois, his sisters, having all passed before him. The deceased spent the greater part of his life at Victoria, carrying on boot and shoe manufacture and farming. Twenty years ago fire destroyed the beautiful house he had built there and soon after he came to Hartland where he lived until his death.

He was twice married, first to Miss Annie Kimball, and some years after her death to Mrs. Eleanor Davis, widow of Phillip Davis of Woodstock. He had no children but two adopted daughters survive: Mrs. George A. Davis of Millinocket and Miss Annie Davis of Hartland.

Mr. Boyer was for many years a member of the Free Baptist Church and was constant in his attendance at worship. For so many years a familiar figure, kindly and sympathetic to those in distress, he will be greatly missed.

The funeral service was held Thursday afternoon, and the remains were interred at Victoria.

Death was caused by cancer of the stomach after undergoing an operation in the Fisher Memorial Hospital. All was done that medical aid and kind friends could do.

Her last days were spent in telling of her hope in Him, who does all things well, and of the glorious prospect of the blessed future.

Funeral was held at Canterbury Lane. Interment was made in the Lane cemetery.

Mrs. L. A. Phillip.

The funeral of Mrs. Lucy Alice Phillips took place from her late residence Victoria Street, Thursday afternoon. Rev. Frank Baird, of St. Paul's Presbyterian church officiated, and spoke feelingly of the splendid life and high Christian character of the deceased. There were many beautiful floral tributes laid on the casket. A quartette composed of Messrs Mooers, Lockwood, Mitchel and Nicholson sang two of her favorite hymns, "Lead Kindly Light," and "In Emmanuel's Land." The remains were interred in the Methodist cemetery. The pall bearers were W. M. McCunn, W. S. Sutton, Donald Munro and G. L. Holyoke.

Life of Rev. B. Colpitts

(Highway)

Brother Colpitts was born at Bloomfield, Kings County, N. B., May 10, 1841. He was converted at the age of 18 years, and was baptized by the late Rev. Joseph Noble, and united with the Free Christian Baptist Church at Midland, King's County, N. B. Three months after his conversion he received the blessing of entire satisfaction as a definite second work of Grace. He was licensed to preach the Gospel on March 2nd, 1872, and was ordained to the Gospel ministry shortly afterwards.

Brother Colpitts never took a pastorate for any length of time, but worked as an evangelist, and held successful revival meetings at Lower Hampstead, K. C., Wickham, Queens County; Tracy's Mills, Upper Brighton, Hartland, Lower Brighton, Waterville and Woodstock, and at Kilburn, N. B., and at Cape Sable Island, Nova Scotia, and assisted other ministers in many places.

Since he moved to Carleton Co., he has lived at Waterville, Hartland, Jacksonville and Woodstock.

Brother Colpitts has been a man of strong faith, large benevolence, of frequent prayer and fear seems to be unknown to him in the discharge of his duty. An incident occurred upwards of 20 years ago which illustrated in a most practical way his faith in prayer. While driving a spirited colt from Waterville to Woodstock, a mother wished him to call at a house at Jacksonville to deliver a message to her little daughter, who was stopping at her uncle's. He drove into the yard of the uncle and the little girl came out, and after speaking to her a few moments he started to resume his journey, when he discovered that one of his reins had caught over the end of his wagon shaft. He called to the little girl to come and adjust the rein. She ran up quickly and frightened the colt, which sprang to one side and kicked, hitting the little girl on the head, over the temple fracturing her skull very badly. A doctor was procured as quickly as possible and he removed the broken pieces of bone and made her comfortable as far as surgical skill could do, but many anxious days and nights of prayer were passed by Brother Colpitts until the little girl was out of danger. The doctor said to the writer one day, "Mr. Colpitts' prayers saved her." She still lives and the throbbing brain shows the spot where the colt's shoe struck.

For the past twenty years Brother Colpitts has been the "Canada Temperance Act" inspector, for Carleton County and the greater part of that time, the town of Woodstock was included.

The experience he has had in suppressing and keeping the liquor traffic in check would make a large book of exciting reading. Several times his life was in danger. One man attacked him with an axe and only the timely arrival of another man saved him. Another time a large office chair was dropped from the upper story of a hotel, which barely missed him as he passed by. His house was set on fire at midnight and only the timely discovery of the fire by a neighbor saved his house and perhaps the lives of the sleeping inmates. Then he has been offered any price he wished to name, if he would give freedom to the liquor traffic, but these cutlaws of our country found one man in Brother Colpitts that could not be intimidated or bribed. While those engaged in the traffic fear him, yet he has been so impartial and fair, in his treatment of them that he has won their respect as well as of all who knew him.

The writer feels justified in saying that his honest convictions are that no one man has ever done as much for the moral welfare of Carleton county, as the subject of this brief sketch, and it should be recognized in some tangible way.

While Brother Colpitts has always been foremost in the work of the Woodstock church, and sustained a general interest in the work of holiness, the denomination has sustained a loss in not having him in the active work of the ministry. But his heart is in the work in which he is engaged, and he performs his work with large Christian good will to all men, even to those who are lured by large profits into the destruction of homes, and the souls and bodies of their fellow men.

Suffragettes Face A Life Sentence.

London, Feb. 27—Militant suffragettes connected with the setting on fire of buildings in public parks are liable to penal servitude for life. This was the announcement made today by Tavers Humphreys, the public prosecutor, in asking the magistrate at the Kew police court to commit for trial Lillian Lenten and Joyce Locke, who were arrested on February 20 on charge of setting fire to the refreshment pavilion in the Kew Botanical Gardens.

"There are two charges," said Mr. Humphreys, "on which I make this application. The first comes under the clauses of the malicious damage act of 1861, which made it a felony punishable by penal servitude for life for any person to set on fire a building belonging to the king or devoted to public use. The second charge comes under the same act which also made it a similar offence for any matter in any such building to be set on fire."

At the hearing today, only Joyce Locke appeared. Lillian Lenten having been released owing to ill health after carrying out a hunger strike. Mr. Humphreys said the prison authorities had reported that she was certain to die unless she were let out of prison. In spite of this the magistrate said that the procedure was an extraordinary one. Prisoners, he continued, sometimes were released from prison, but not from custody. He immediately issued a warrant for her re-arrest.

Joyce Locke, who also had started a hunger strike while detained, was forcibly fed. She pleaded today that she was not fit to conduct her defence, but the case was proceeded with, and she was committed for trial at the assizes. Bail was allowed in the sum of \$5,000 on the understanding that the accused would refrain from any agitation or militant acts pending her appearance before the jury.

A woman who was arrested on the All England tennis grounds at Wimbledon last night, with bags containing inflammable materials in her possession and whose intention, it is believed, was to burn down the pavilion, refused to give any information about herself, when brought up in the police court today. She was remanded for further inquiry. The police testified that they had found five cans of oil and other combustibles near the grand stand.

Two women with material for setting fire were surprised at the Rochester Cricket grounds, but managed to escape. They left behind a note reading: "This was done because bail was refused Mrs. Pankhurst."
