SIR MAX AITKEN HELPED.

The Presbyterians of Newcastle will erect a new Sunday school hall this coming summer. This has been made possible by the action of two parties. Four years ago the Ladies' Aid Society began to raise money for this object, and have realized to date \$2,800. When Sir Max Aitken heard what was being attempted by the friends of his boyhood, he forwarded a cheque for \$2,000. Both the ladies and Sir Max have proved their quality by what they have done. The hall, with the land, will cost about \$7,000, and will be opened free of debt.

The Secret of Girlish Beauty

The Blood Must be Kept Rich and Pure, and the Nerves Properly Nourished.

Every parent of a growing girl and every young woman who looks after herself, should be constantly on the watch for symptoms of impoverished blood. Girls in their teens should not be pale, languid and constantly fatigued. Nature intended them to be bright, energetic and active. The happiness of a lifetime depends upon giving the blood the help it needs at this time, when girls are too frequently allowed to overstudy, overwork or suffer from lack of exercise.

The symptoms of impoverished blood are unmistakable. They are languidness, pale, safflow complexion, shortness of breath, violent palpitation of the heart, particularly on going up stairs, poor appetite, dizziness and headaches, and a tendency to faint. These symptoms of course are not all found in every case, but the more the victim has of them the grater progress has the trouble made and the more imperative is the necessity to at once begin to check it, through the use of Dr. Williams' Pink Pills, which bring back the glow of health and energy to every part of the body. The case of Miss Jeanie Fraser, Hamilton, Ont., offers proof of this. She says: "For about eighteen months I was in a very bad state of health and thoroughly run down. I had no appetite and suffered from most of the symptoms of anaemia. I went to a local doctor and received treatment from him for three months, and although I took bottle after bottle of medicine I was steadily growing worse, and I got so down-hearted and depressed that I felt I would never get better. At this time I read the case of a young lady whose symptoms were similar to my own, who had been cured by Dr. Williams' Pink Pills, and I decided to try them. By the time I had used three boxes my appetite had improved and I was feeling more encouraged. I continued the use of the Pills for a time longer and my health was fully restored."

These Pills are sold by all medicine dealers or may be had by mail at 50 cts a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

the distinguished visitor, and seldom has there been a more able and instructive lecturer in Glace Bay than Colonel Bullard.

"The meeting was presided over by John C. Douglas, M. P. P., who in fitting terms introduced the speaker. Councillor Arthur McDonald moved the vote of thanks, Rev. Dr. Gilles seconded the same."—The Gazette, Glace Bay, Feb. 3, 1913.
