THE SECRET OF GOOD HEALTH.

Teeth Blood Rich and Pure with Dr. Williams' Pink Pills

The condition of the blood makes all the difference between health and sickness. Impure blood and strong healthy nerves and muscles never go together. If the blood is thin every part of the body becomes weak. The stomach fails in strength and the appetite becomes poor. The body does not obtain enough nourishment from the food, and soon the nerves begin to complain and the person becomes irritable, despondent, worn out and nervous. For a time there may be no actual sickness, only a run-down, weak condition, but there is no defence against disease and from such a condition spring disorders such as anaemia, rheumatism, indigestion, neuralgia, and even paralysis itself.

People with impure, thin blood should take Dr. Williams' Pink Pills for Pale People. Every dose helps to make new, rich blood, and new blood means health and strength. They stop the progress

of disease, and red cheeks, good appetite, new strength, declare the general improvement in the health. Here is an example. Miss Ellen Maude McQuodale, Harriston, Ont., says: "I feel it my duty to add my voice to the many now recommending Dr. Williams' Pink Pills. For years I was a sufferer with backaches, rheumatism and nervousness. I was so bad at times that I was confined to my bed. I felt sleepy and heavy after my meals, and had flashes of light before my eyes, and a difficulty in collecting my thoughts. After using several remedies without benefit I began using Dr. Williams' Pink Pills and used ten or twelve boxes in all. They gave me the best health I have enjoyed for years, and I have not since had the least return of the trouble."

You can get these Pills from any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Don't argue with a critic; he can think more mean things to say than you can.
