## YOUR RHEUMATISM

is probably due to uric acid in the system—the blood must be purified—the poisonous acid driven out and general health must be improved.

Thousands testify that **Scott's Emulsion** rids the system of poisonous acid by enriching the impoverished blood, and its concentrated nourishment is converted into red blood corpuscles which drive out rheumatism.

It is especially valuable to aged people.

## Banish Pimples And Eruptions.

In the Spring Most People Need a Tonic Medicine

One of the surest signs that the blood is out of order is the pimples, unsightly eruptions and eczema that come frequently with the change from winter to spring. These prove that the long indoor life of winter has had its affect upon the blood, and that a tonic medicine is needed to put it right. Indeed there are few people who do not need a tonic at this season. Bad blood does not merely show itself in disfiguring eruptions. To this same condition is due attacks of rheumatism and lumbago; the sharp stabbing pains of sciatica and neuralgia; poor appetite and a desire to avoid exertion. You cannot cure these troubles by the use of purgative medicines—you need a tonic and a tonic only, and among all medicine there is none can equal Dr. Williams' Pink Pills for their tonic, life-giving, nerve-restoring powers. Every dose of this medicine makes new, rich blood which drives out impurities, stimulates every organ and brings a feeling of new health and energy to weak, tired, ailing men, women and children. If you are out of sorts give this medicine a trial and see how quickly it will restore the appetite, revive drooping spirits, and fill your veins with new, health-giving blood.

You can get these pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
