## In Having Your Prescriptions Filled

Don't let the fact of a drug store being hardly over shadow your good judgment. The near-by store may be a reliable store and it may not. Your own health and that of your family demand that you should know about the matter before having a prescription filled.

If ours is your near-by store we want you to investigate our methods and the quality of goods we sell. They'll stand the most searching investigation.

There are many reasons why placing your drug trade with us will be to your advantage:—

## Thomas S. Camp

Many friends will mourn at the death of Thomas S. Camp, which took place at 6.50 on Sunday afternoon, at the residence of his parents Mr. and Mrs. John Camp, aged 27 years. Mr. Camp's health began to fail about four years ago, since which time he has traveled over the western and southern states and Mexico, but he bore his illness with truly Christian spirit, never murmuring nor complaining. He was a young man who was always looking on the bright side of life and ready to help others in time of need.

It may well be said of him that to know him was to like him. He leaves to mourn his parents, four brothers, Fred, Frank, Arthur and Charlie and two sisters, Mrs. Wm. Jackson, of Vancouver, B. C. and Miss Jennie Camp at home. For these and others who mourn there is much sympathy. The funeral was held on Tuesday afternoon, Rev. A. C. Berry officiating, the pallbearers were the four brothers of deceased, and interment was in the Methodist cemetery.

With the exception of the city of Halifax, Nova Scotia, is under prohibition. The system in Halifax is license. Sydney is the only other municipality in the province holding the rank of a city. A bill has been before the legislature for some time proposing to put Sydney on a license footing, but this was given the three months' hoist on Thursday. Sydney some time ago held a plebiscite which resulted in favor of license.
